

There are two kinds of
people in the World :
Givers and Takers.

The Takers may Eat Better,
but the Givers Sleep Better.

Givers And Takers Two:

The Dysfunctional Relationships of Givers and Takers Michael A. Church, Jess G. Kohlert, Charles I.

Brooks, 2011-08-08 In your relationships does it matter if you and your partner are a giver or a taker Are there different types of givers and takers Whats the secret to a good marriage How can you save a rocky marriage What is the best way to get counseling and what should you expect from counseling What if a serious psychological disorder is involved in your relationship The authors professional psychologists answer these and many more questions by examining clinical case studies from their counseling practice The authors present an original model that divides both givers and takers into four different types and they use the model to analyze their case studies and illustrate why relationships can succeed or fail They also discuss various personality disorders such as obsessive compulsive narcissistic dependent paranoid borderline and antisocial and how such conditions can complicate treatment of dysfunctional relationships This book is an essential first step for anyone concerned about a relationship or who just wants to learn more about the dynamics of relationships from the perspective of givers and takers The Social and Economic Organization of Two White Meo Communities in Northern Thailand George A. Binney, 1971

For the Most Part Jordan Ron Jordan, Ron Jordan, 2009-11 Spinning yarns and storytelling has been a way of life for many folks living in the American West Here is a returning author whose stories will captivate and remain with you for many years to come Ron Jordan knows the western life up close and personal living it on a daily basis His stories and point of view are unlike anything you ve read before Down to earth honesty with the diplomacy of a stampede this author writes it like he sees it **An Introduction to Two Theories of Social Anthropology** Louis Dumont, 2006 Louis Dumont who died in 1998 was one of the most important figures in post war French anthropology He is well known for his early work on India which culminated in *Homo Hierarchicus* 1966 in English 1972 1980 an anthropological account of the caste system He later extended this work into a comparison of the values of Indian and western society in works like *Essays on Individualism* 1986 and *German ideology From France to Germany and Back* 1994 He is also known for pioneering work on kinship in south India and more generally for example *Affinity as a Value* 1983 The current volume represents the fruits of this side of his activities and originated in as a series of lectures providing an account of the British and French schools for students *The Metamorphoses of Kinship* Maurice Godelier, 2012-03-03 With marriage in decline divorce on the rise the demise of the nuclear family and the increase in marriages and adoptions among same sex partners it is clear that the structures of kinship in the modern West are in a state of flux In *The Metamorphoses of Kinship* the world renowned anthropologist Maurice Godelier contextualizes these developments surveying the accumulated experience of humanity with regard to such phenomena as the organization of lines of descent sexuality and sexual prohibitions In parallel Godelier studies the evolution of Western conjugal and familial traditions from their roots in the nineteenth century to the present The conclusion he draws is that it is never the case that a man and a woman are sufficient

on their own to raise a child and nowhere are relations of kinship or the family the keystone of society Godelier argues that the changes of the last thirty years do not herald the disappearance or death agony of kinship but rather its remarkable metamorphosis one that ironically is bringing us closer to the traditional societies studied by ethnologists Secrets to Life and Happiness Chris Widener,2018-10-15 Everybody is in search of Happiness Everybody People may have a wide variety of goals in regard to how much money they make or the lifestyle they lead but the one thing that ties all of humanity together is a desire to be happy in whatever life they choose In Secrets to Life and Happiness best selling author and world renowned speaker Chris Widener teaches the secrets to living a happy life He helps you understand the proper perspectives and mental attitudes that truly happy people implement in their own lives Chris gives you strategies to help you understand how to live a life completely fulfilled happy and filled with joy *Introduction to Game Theory in Business and Economics* Thomas J.
