

"A truly great film . . . a huge mesmerizing canvas that tells a profoundly intimate story. Merely watching it transports you."

—JONATHAN MAHLER, *TALK MAGAZINE*

In this extraordinary book about the making of one of the best films of the year, a rich array of more than 200 photos, production drawings, storyboards, costume sketches, architectural renderings, and digital effects images shows the cinematic process step by step. Readers get an inside view of the planning and execution of this spectacular movie, directed by Ridley Scott at the peak of his creative career.

Through extensive interviews, the filmmakers reveal how the story was written, how the locations were scouted in Europe and North Africa, and how the international cast, including Russell Crowe, Joaquin Phoenix, Connie Nielsen, and Oliver Reed, was chosen. Sections highlight the fascinating process of how the sets were designed and built—including a reproduction of the Roman Colosseum—and how the fight scenes were staged. The real historical background of the Roman Empire during this period is covered in detail.

In the final section, the story of *Gladiator* is told in synopsis, with excerpts from the screenplay, action storyboards, and still photos, capped off by the complete credits.
