

# The Gladstone Diaries

VOLUME THREE: 1860-1867

Edited by M. R. D. Foot and H. C. G. Matthew

# Gladstone Diaries 1840 1847 And 1848 1854

**John W. Brewster**

## **Gladstone Diaries 1840 1847 And 1848 1854:**

The Gladstone Diaries William Ewart Gladstone, 1974      *Reform and Its Complexities in Modern Britain* Bruce Kinzer, Molly Baer Kramer, Richard Trainor, 2022-05-05

The essays in this volume taken together span the era of British history from 1780 to the present that has engrossed the attention of Brian Harrison in a career of more than fifty years. In keeping with his diverse interests they vary widely in subject matter. Yet each contributes in some fashion to an appreciation of the complexities of reform in modern Britain. Throughout his career Harrison has demonstrated an unwavering interest in social movements and pressure groups. He has analysed the organisation of reform movements and their bases of support, explored the aspirations and beliefs motivating individuals to start or join such movements and examined the ideas and ideals shaping their conception of human improvement. No one has done more to show that the significance of a reform movement's triumphs and disappointments can be grasped only in relation to the forces amassed to resist its claims. The essays gathered here on the Harrisonian theme of reform and its complexities form an acknowledgment of the massive mark their honouree has made on the study of modern British history. They are preceded by a Foreword composed by Keith Thomas and an editorial Introduction tracing the course of Harrison's scholarship and connecting that scholarship to the substance of the essays. The volume encompasses both wide ranging analytical investigations and telling case studies. All have new things to say on the subject of reform and its complexities in modern Britain.

*Modernity and Responsibility* Eugene Combs, 1983-12-15

What is it to be modern? How does the world look through the eyes of a modern? Is it possible to bring the sensibility of the non-modern to bear on the world around one? If so, how? The essays in this volume consider these and a number of related questions in an attempt to determine how a thoughtful individual can understand and act justly in the world of modernity. The authors stand firmly and deeply in modernity but they are profoundly aware of the classical and the Judaeo-Christian traditions that the modern world has largely discarded and of non-Western traditions that ask profound questions about the nature of man and his role in the universe. They are willing to ask difficult and critical questions about traditional thought and about the assumptions often tacit of modernity. The essays explore the problematic nature of the concept of transcendence in modern social and political philosophy. They start with an analysis of Spinoza's use of biblical criticism to separate political philosophy and divine revelation and explore the impact of the rise of naturalistic individualism in the North Atlantic world. A discussion of the role of the transcendent and of traditional philosophy in the East helps the reader to gain a deeper understanding of the process of secularization in the West. The issue of moral responsibility is shown to be greatly influenced by the existence of the concept of transcendence and philosophy and the apocalyptic tradition form the basis of attempts to bridge the gulf between the traditional and the modern secular view of the world. These essays show that the quest for the grounds of responsible action requires a thoroughgoing critique of modernity that looks not only at the modern world but beyond it to the traditions that formed and still inform it and to the experience of other cultures that are

also facing the processes we already take for granted      *Club Government* Seth Alexander Thevoz,2018-03-30 The book phenomenon of Club Government in the mid nineteenth century when many of the functions of government were alleged to have taken place behind closed doors in the secretive clubs of London s St James s district has not been adequately historicized Despite Club Government being referenced in most major political histories of the period it is a topic which has never before enjoyed a full length study Making use of previously sealed club archives and adopting a broad range of analytical techniques this work of political history social history sociology and quantitative approaches to history seeks to deepen our understanding of the distinctive and novel ways in which British political culture evolved in this period The book concludes that historians have hugely underestimated the extent of club influence on high politics in Westminster and though the reputation of clubs for intervening in elections was exaggerated the culture and secrecy involved in gentleman s clubs had a huge impact on Britain and the British Empire      **Collected Works of George Grant** George Parkin Grant,2000 The fourth and final volume of the Collected Works of George Grant contains his writings from the last period of his life and includes unpublished material such as lectures interviews and excerpts from his notebooks      **The Evolution of British Imperial Policy During the Mid-nineteenth Century** Susan H. Farnsworth,1992      **The Political Culture of Modern Britain** John Malcolm William Bean,1987      **Bookseller and the Stationery Trades' Journal** ,1975      Thomas Chalmers, Enthusiast for Mission John Roxborough,1999 John Roxborough is coordinator of lay training at the School of Ministry Knox College Dunedin New Zealand      **LJ, Library Journal** ,1975      Bibliographies of Studies in Victorian Literature for the Ten Years 1975-1984 Richard Clark Tobias,1991 This volume comprises publications on Victorian literature written in the period 1975 1984 The lists derive from the summer issues of the journal Victorian Studies which are devoted to bibliography of the period Also included is an index of names and subjects      **Cumulative Bibliography of Victorian Studies** ,1976      *A Comparison of Lecture and Programmed Instruction in the Teaching of Basic Catalog Card and Bibliographic Index Information* Thomas Terry Surprenant,1979      Book Review Digest ,1975 Excerpts from and citations to reviews of more than 8 000 books each year drawn from coverage of 109 publications Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language Reviews of the following types of books are excluded government publications textbooks and technical books in the sciences and law Reviews of books on science for the general reader however are included The reviews originate in a group of selected periodicals in the humanities social sciences and general science published in the United States Canada and Great Britain Publisher      Program of the Annual Meeting - American Historical Association American Historical Association, Some programs include also the programs of societies meeting concurrently with the association      **Annual Bibliography of British and Irish History** ,1976      **Annual Bibliography of British and Irish History** Royal historical society (GB),1976      Program of the ...
