Gladstone Longman History In Depth:

F, History and historical biography. G, Archaeology and historical collaterals. 1923 William Swan Sonnenschein,1923 *A History of the Papacy During the Period of the Reformation: The Italian princes. 1464-1518*
Mandell Creighton,1887 **Essentials in English History** Albert Perry Walker,1905 The Politics of State Expansion
James Cronin,2005-09-27 The expansion of the British state was neither automatic nor accidental Rather it was the outcome of recurring battles over the proper boundaries of the state and its role in economy and society The Politics of State Expansion focuses on the interests arrayed on either side of this struggle providing a new and critical perspective on the growth of the Keynesian welfare state and on the more recent retreat from Keynes and from collective provision

Athenaeum and Literary Chronicle ,1858 **Britain and Ireland** Jeremy Smith,2014-05-12 Jeremy Smith explores relations between Britain and Ireland during the late nineteenth and early twentieth century with a story that still raises deep passions and bitter disagreements both among historians and within wider public opinion This examination attempts to chart a more dispassionate course between the various contending positions and has enormous relevance to the unfolding events in both Northern Ireland and Britain as the united Kingdom moves towards a federal constitutional structure Books in this Seminar Studies in History series bridge the gap between textbook and specialist survey and consists of a brief Introduction and or Background to the subject valuable in bringing the reader up to speed on the area being examined followed by a substantial and authoritative section of Analysis focusing on the main themes and issues There is a succinct Assessment of the subject a generous selection of Documents and a detailed bibliography Incorporates a large amount of research on Irish history during the last two decades and gives particular focus to the dramatic events between the Easter rising of 1916 and the intense negotiations surrounding the Treaty in the autumn of 1921 For those interested in the history between Ireland and Britain **Gladstone Centenary Essays** David Bebbington,Roger Swift,2000-01-01 W E Gladstone towers over the politics of the nineteenth century He is known for his policies of financial rectitude his campaigns to settle the Irish question and his championship of the rights of small nations He remains the only British Prime Minister to have served for four separate terms In 1998 an international conference at Chester College brought together Gladstone scholars to mark the centenary of his death and many of the papers presented on that occasion are published in this volume Covering the whole of the statesman s long political life from the first Reform Act to the last decade of the nineteenth century they range over topics as diverse as parliamentary reform and free trade Gladstone s English Nonconformist supporters and his Irish Unionist opponents A select bibliography arranged by subject supplies guidance for further research The collection forms a tribute appreciative but critical to the Grand Old Man of British politics **Access to History: Great Britain and the Irish Question 1774-1923 Fourth Edition** Paul Adelman,Robert Pearce,Michael Byrne,2017-02-06 Exam Board AQA Edexcel OCR WJEC Level A level Subject History First Teaching September 2015 First Exam June 2016 Give your students

After Abolition Marika Sherwood, 2007-02-23 With the abolition of the slave trade in 1807 and the Emancipation Act of 1833 Britain seemed to wash its hands of slavery Not so according to Marika Sherwood who sets the record straight in this provocative new book In fact Sherwood demonstrates that Britain continued to contribute to the slave trade well after 1807 even into the twentieth century Drawing on government documents and contemporary reports as well as published sources she describes how slavery remained very much a part of British investment commerce and empire especially in funding and supplying goods for the trade in slaves and in the use of slave grown produce The nancial world of the City in London also depended on slavery which directly and indirectly provided employment for millions of people After Abolition also examines some of the causes and repercussions of continued British involvement in slavery and describes many of the apparently respectable villains as well as the heroes connected with the trade at all levels of society It contains important revelations about a darker side of British history previously unexplored which will provoke real questions about Britain s perceptions of its past
