Gardens and Gleanings Ruth Stull,1958 Glorious Gleanings from the Fields of Life Kay Buckner, 2008-04-24 Glorious Gleaning is all about making choices choices that most definitely affect the outcome of one s life Using illustrations from the story of Ruth in the Bible as well as examples from her own life the author discusses the rewards for making right choices and suggests doable guidelines for making them Additionally she addresses the consequences of making wrong choices especially those common to young people and offers valid suggestions for avoiding these types of decisions Although this book is written primarily for high school and college students adults will find to be useful and enjoyable as well Parents and grandparents will learn that it can be helpful in dealing with those issues peculiar to teenagers youth leaders will find it to be a useful tool in ministering to young people and older adults will enjoy it for the sheer joy of reminiscing about their own gleanings throughout life This book cleverly and interestingly accentuates the fact that life is an adventure to be enjoyed to the utmost And it can be just that by making life s choices based on the teachings from the greatest guidebook of all the Gleanings Along Life's Way Lillie V. My Life Gleanings T. J. Macon, 2020-08-15 Reproduction of the original My Life Gleanings by T J Macon Gleaning of a Mystic: A Series of Essays on Practical Mysticism Max Heindel, 2020-09-28 It is no rare occurrence to receive questions relating to Initiation and we are also frequently asked to state whether this order or that society is genuine and whether the initiations they offer to all comers who have the price are bona fide For that reason it seems necessary to write a treatise on the subject so that students of the Rosicrucian Fellowship may have an official statement for reference and guidance in the future In the first place let it be clearly understood that we consider it reprehensible to express

condemnation of any society or order no matter what its practices It may be perfectly sincere and honest according to its light We do not believe that we rise in the opinion of discriminating men and women by speaking in disparaging terms of others neither are we laboring under the delusion that we have all the truth and other societies are plunged in Egyptian darkness We reiterate what we have often said before that all religions have been given to mankind by the Recording Angels who know the spiritual requirements of each class nation and race and have the intelligence to give to each a form of worship perfectly suited to its particular need that thus Hinduism is suited to the Hindu Mohammedanism to the Arab and the Christian religion to those born in the Western Hemisphere The Mystery Schools of each religion furnish to the more advanced members of the race or nation embracing it a higher teaching which if lived advances them into a higher sphere of spirituality than their brethren But as the religion of the backward races is of a lower order than the religion of the pioneers the Christian nations so also the Mystery Teaching of the East is more elementary than that of the West and the Hindu or Chinese Initiate is on a correspondingly lower rung of the ladder of attainment than the Western Mystic Please ponder this well so that you may not fall a victim to misguided people who try to persuade others that the Christian religion is crude compared with oriental cults Ever westward in the wake of the shining sun the light of the world has gone the star of empire and is it not reasonable to suppose that the spiritual light has kept pace with civilization or even preceded it as thought precedes action We hold that such is the case that the Christian religion is the loftiest yet given to man and that to repudiate the Christian religion esoteric or exoteric for any of the older systems is analogous to preferring the older textbooks of science to the newer ones which embrace discoveries to date The Christian Advocate .1909 Catalog of Copyright Entries.
