Standalone Access Card -- for Precalculus with Integrated Review Gary K. Rockswold, 2017-05-08 Rockswold's Precalculus with Integrated Review can be used in co-requisite courses or simply to help students who enter Precalculus without a full understanding of prerequisite skills and concepts. Showing why math matters, Gary Rockswold doesn't just mention real-world examples; he teaches mathematical concepts through those applications. For example, if we look at Facebook usage over time, what might that tell us about linear growth and predictions? In this way, students learn the concepts in the context of the world they know, which leads to better understanding and retention. From there, the author shows a connection between application, modeling, and visualization. Rockswold is known for presenting the concept of a function as a unifying theme with an emphasis on the rule of four: verbal, graphical, numerical, and symbolic representations. The 6th Edition emphasizes conceptual understanding with new chapter features and assignment options while, at the same time, providing tools to empower instructors to make their classroom more active through collaboration and group work. Personalize learning with MyLab Math. MyLab™ Math is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them absorb course material and understand difficult concepts. The 6th Edition continues to expand the comprehensive auto-graded exercise options. The pre-existing exercises were carefully reviewed, vetted, and improved using aggregated student usage and performance data over time. In addition, MyLab Math includes new options to support conceptual learning, visualization, and student preparedness. MyLab Math Standalone Access Card to accompany Rockswold's Precalculus with Integrated Review, 6e. This item is an access card for MyLab™ Math. This physical access card includes an access code for your MyLab Math course. In order to access the online course, you will also need a CourseID provided by your instructor. This title-specific access card provides access to the Rockswold Precalculus with Integrated Review, 6e accompanying MyLab course ONLY 0134753380 9780134753386 MyLab Math with Pearson eText Standalone Access Card For Precalculus with Integrated Review, 6e.
