shadowy empowerment group some say might be a dangerous cult It's soon clear that Spenser and Sixkill may be outgunned this time and series favorites Chollo and Bobby Horse ride to the rescue to provide backup From the mansions of Beverly Hills to the lawless streets of a small California town Spenser will need to watch his step In Hollywood all that glitters isn't gold And not all those who wander are lost *The Plays, Screenplays and Films of David Mamet* Steven Price,2008-09-09 David Mamet is arguably the most important living American playwright This Guide provides an up to date study of the key criticism on the full range of Mamet's work It engages with his work in film as well as in the theatre offering a synoptic overview of and critical commentary on the scholarly criticism of each play screenplay or film **No Job for a Man** John Ross Bowie,2022-11-01 A darkly witty deeply affecting and finely crafted memoir by the Big Bang Theory and Speechless star and comedian John Ross Bowie From his earliest memories of watching Rhoda with his parents in their tiny Hell's Kitchen apartment John knew that he wanted to be an actor The strange alternate world of television where people always cracked the perfect joke lived in glamorous Upper East Side buildings and made up immediately after fighting seemed far better than his own home life with a mother and father on the brink of divorce and a neighborhood full of crumbling pre war architecture and not so occasional muggings And yet that other world also seems unattainable Besides crippling stage fright which would take him years to overcome John's father ever aloof and cynical has instilled within him the notion that acting is no job for a man His father would impart that while theater film and television should be consumed and even debated to create was no way to make a living or support a family Putting aside his acting dreams John stumbles through his twenties He tries his hand at teaching and other traditional occupations but nothing feels nearly as fulfilling as playing with his fleetingly on the map punk band Egghead When he and his bandmates break up John lands a joyless job copywriting for a consulting agency and slips into a dark depression He loses weight begins drinking heavily and his relationships flounder But everything changes when John discovers improv and anti depressants As a part of New York's now famous Upright Citizens Brigade John not only explores his passion for acting and comedy and begins to envision himself doing so professionally he also meets his future wife and fellow actor Jamie Denbo No Job for a Man follows the couple as they relocate to Los Angeles and try to make it in the arts meeting success and failure wins and losses despair and hope along the way Though his father chronically refuses to acknowledge pride in his adult son's accomplishments John comes to realize what being a man truly means [Casting Might-Have-Beens](#) Eila Mell,2015-01-24 Some acting careers are made by one great role and some fall into obscurity when one is declined Would Al Pacino be the star he is today if Robert Redford had accepted the role of Michael Corleone in The Godfather Imagine Tom Hanks rejecting Uma Thurman saying that she acted like someone in a high school play when she auditioned to play opposite him in The Bonfire of the Vanities Picture Danny Thomas as The Godfather or Marilyn Monroe as Cleopatra This reference work lists hundreds of such stories actors who didn't get cast or who turned down certain parts Each entry organized alphabetically by film title gives the character and actor cast a list of other actors considered for that

role and the details of the casting decision Information is drawn from extensive research and interviews From About Last Night which John Belushi turned down at his brother s urging to Zulu in which Michael Caine was not cast because he didn t look Cockney enough this book lets you imagine how different your favorite films could have been Untouchable: Robert De Niro Andy Dougan,2011-05-31 Andy Dougan draws on first hand interviews with some of De Niro s closest friends and colleagues The result is a revealing and sometimes startling account of an intensely private man While previous biographies of De Niro have only scraped the surface of his complex character this sensitive and perceptive portrayal lays bare the psychological and emotional scars that De Niro has sought to hide for so long **David Mamet** Anne Dean,1990 This book supports the claim that David Mamet is possibly the first true verse dramatist by examining in detail his celebrated use of language as dramatic action Five of Mamet s best known plays are studied in detail Sexual Perversity in Chicago American Buffalo A Life in the Theatre Edmond and Glengarry Glen Ross The Cambridge Companion to David Mamet C. Royal Commission on Historical Manuscripts,David Laing,1914 Report prepared by H Paton *Report* Commonwealth Shipping Committee,1914 Robert De Niro - Portrait of a Legend John Parker,2009-11-16 With his breath taking breakthrough performance in Martin Scorsese s Mean Streets in 1973 he forged an enormously fruitful collaboration including Taxi Driver Raging Bull and Goodfellas that alongside his roles in the likes of The Godfather Part Two The Deer Hunter and Once Upon a Time in America reads like a list of the top Hollywood films of the last 30 years As a method actor De Niro lives and breathes his roles to bring his unique intensity and brooding menace to the screen be it feasting on pasta to gain 60lbs for Raging Bull or learning to play the saxophone for New York New York nothing is beyond him in his pursuit for perfection But he s certainly not above sending himself up particularly in recent years in films such as Analyse This and Meet the Parents where he has honed a previously unheralded talent for comedy acting De Niro cuts an enigmatic figure off screen where he is notoriously reluctant to discuss his life though his relationships with supermodels such as Toukie Smith and his current wife

Grace Hightower have often made the news His forays into the director s chair as well as setting up his own production company TriBeCa Productions have seen him more willing to discuss his work and his political views are clear He is an active supporter of the Democrat Party lending his support to Barrack Obama and has pledged to revitalise the TriBeCa region of New York following the September 11 attacks Throughout a career that has seen him date Naomi Campbell live in a mental hospital for his role in Awakening work as a taxi driver beat prostate cancer and even meet the Fockers he s always been at the top of his game
