**Glimpses of Bengal** Rabindranath Tagore, 2014-06-13 The letters translated in this book span the most productive period of my literary life when owing to great good fortune I was young and less known. Youth being exuberant and leisure ample I felt the writing of letters other than business ones to be a delightful necessity. This is a form of literary extravagance only possible when a surplus of thought and emotion accumulates. Other forms of literature remain the author's and are made public for his good. Letters that have been given to private individuals once for all are therefore characterised by the more generous abandonment.

Glimpses Of Bengal Rabindranath Tagore, 2020-02-26 Glimpses of Bengal is a delightful and must read collection of letters written in the 1890s by Nobel Laureate Rabindranath Tagore as he traveled across Bengal to manage his family's far flung agricultural estates. Traveling in his houseboat up and down the Padma River and its many tributaries Tagore vividly captures the breathtaking imagery of the Bengali countryside and the reticent grace of the day to day village life. Sometimes humorous sometimes poignant the settings in these letters formed the backdrop of many of his poems and plays e.g. The Post Office. For a reader uninitiated in Tagore I highly recommend this as a starter book. The letters many of which were addressed to his niece Indira Devi make for a light hearted and captivating reading. Tagore is sure to charm you with his wondrous story telling and powerful imagination. And as is the case with many of Tagore's books the intellectual crescendo builds towards the end leaving you feeling utterly exhilarated. Enclosed below is a delightful sample from one of his letters where Tagore describes a buffalo grazing. For many South Asian readers this scene is sure to bring up vivid memories.
