Glimpse of an Angel: Loving Through Faith & Fear J. Allen Wilson, 2009-09 Clinging To The Cross Soft pinks and lavenders filled the quietness of the evening sky The shushed rustle of birds drifted to the silence of night The full moon rose like unto a small pearl so gentle so soft Below stood I beside my wife's freshly dug grave and the statue of a woman clinging to the cross I pondered our days in which we both labored under the sun I recall all the blessings in our life that the Lord God had done I remembered our trials I recalled our victories and their cost Yet what I remember the most is how through it all my wife Leah forever in faith clinging to the cross Now that she is gone and I this little man feel so alone I think I pray and I recall how God has always made the way now I too know what I must do and that is like Leah I am to cling to the cross each and every day J Allen Wilson 9 13 2008

Thompson Sr.,2010-04-22 Disguised as fiction The Angel Chronicles takes you to a world undiscovered the real world and a world of personal discovery It chronicles the life of Rene Thomas Colby Just a man or so he thought Until he discovers how to start believing and understanding his feelings for what he feels at the deepest reaches of his heart He battles problems of the mind fears and doubts to discover what he doubted was his truth and the truth of so many Through his trials and tribulations he discovers the one thing he had lost for so long his heart On his journey of self discovery he finds out there is another like him only she doesn't realize the journey in which she is partaking It becomes a battle to aid her into coming out of the darkness as he is attempting He realizes a mission If she could only open up to the truth and gather the knowledge he tries to give her She too might really enjoy her purpose and that she actually has purpose and her existence accounts for something in the multitudes of what is abnormal In addition just how important she really is to the others who are a lot like her but do not realize it yet Can Rene find the strength to understand his feelings Will Rene seek to fight for those who really need him Can Rene bring her out of the darkness while he too stands in that darkness Can he find a way to understand its limits walk out of that darkness and be the abnormal thing he knows deep down he is Can he find the strength to admit it and believe it without doubting his heart again After all why are humans humans The reason is simple That is what they want to be known as with their presence on earth However if they have a concept of angels or aliens then they must be aware that they were once part of the angels or aliens somewhere What the supposed humans do not realize is that they were from another planet as well This is something Rene understands or remembers which many do not Unfortunately **A Glimpse of the Sinless**

Star George Griffith,2022-09-15 In A Glimpse of the Sinless Star George Griffith weaves a compelling narrative that blends elements of science fiction with philosophical inquiry Set against the backdrop of a utopian future Griffith presents a society where moral and ethical dilemmas are explored through the lens of advanced technology and extraterrestrial encounters The author's meticulous attention to detail and imaginative prose invites readers to ponder the implications of a sinless existence and the potential for human evolution beyond earthly confines positioning the work within the broader context of late 19th century speculative literature an era often marked by fervent debates on morality and technological progress George Griffith an influential voice in early science fiction was renowned for his pioneering ideas that challenged societal norms and inspired

future generations His experiences as a journalist and his keen interest in evolution and the cosmos profoundly shaped his worldview fueling his desire to explore the intersections of science ethics and human aspiration This background not only informed the development of his compelling characters but also provided a rich philosophical framework for the thematic elements presented in the novel I wholeheartedly recommend *A Glimpse of the Sinless Star* to readers seeking a thought provoking exploration of human potential and ethical boundaries Griffith s unique blend of philosophical depth and imaginative storytelling offers not only an entertaining read but also a significant reflection on the future of humanity making it essential for any enthusiast of science fiction and moral philosophy *A Glimpse of Glory* James Fisher,1783 **The**
