Facedown (The Worship Series) Matt Redman,2004-06-04 Most believers understand that worship is not a compartmentalized aspect of the Christian experience but rather it is the motivation the driving force behind all that we do and are We exist to worship God

For years we have been basking in God's love and worshipping Him with uplifted hands and hearts. Now we need to go deeper and see that God is also an awesome mysterious being who should engender our silent even dumbstruck reverence for His holiness His otherness. Until we are undone by the knowledge of who God is in all His glory we will only touch the edges of true worship. Matt Redman says: "When we face up to the glory of God we find ourselves face down in worship." This book shows the biblical record of those who found themselves prostrate before God.

Awake in the Dawn Craig Smith, 2022-09-13 Each day *Awake in the Dawn* leads you into the strength, wisdom, and spiritual adventure of living the Lord's Prayer. Morning by morning, He wakens me and opens my understanding to His will. Isaiah 50:4: "When we choose to give the Lord our early morning moments, what He gives to us in return often surprises and delights us." *Awake in the Dawn* is a simple daily offering of encouragement that will help you start your day with the Lord and reflect on one of the most beautiful prayers given to us in God's Word: the Lord's Prayer. Each daily writing follows one of the seven main themes of the Lord's Prayer and is comprised of three sections: Word (a Scripture included for meditation), Thought (a reflection on the Scripture or day's theme), and Prayer (a prayer offered to enter into conversation with the Lord). Allow yourself to dive deeper into Scripture and grow your personal connection with Jesus. *Awake in the Dawn* will provide you with a sweet time of meditating on the promises of Christ. It will strengthen your prayer life and will help you grow in your love for and understanding of the Lord.

Revelations about Revelation Larry G. Pittman, 2024-06-03 *Revelations About Revelation* was born of a Pastor s heart for laypeople to help them understand a book of the Bible which has been grossly misinterpreted for ages by many preachers and Bible teachers The author seeks to explain as simply as possible what the Apostle John was actually expressing to people of his own time in the context of the circumstances they were facing to help them stand firm for Jesus in the face of persecution Too many times Revelation has been presented as some horrifying prediction of the future when John plainly states that he was sharing with the Church in his own time the tribulation and the Kingdom and the patient endurance Revelation 1 9 He was not speaking of some far off future tribulation but the one they were facing at the end of the First Century AD which has continued to this day and will continue in one form or another in varying degrees of ferocity until Christ returns The author of the present work first preached through Revelation for the two congregations he was serving in 1985 He felt the need to pass this message along to more people than would ever hear him preach so he began putting it all together in a book in 1987 After a busy life of ministry other work and public service approaching retirement he was finally

able to edit and complete the basic manuscript and prepare it for publication which he hopes will be helpful to the reader in understanding the strange images of Revelation that those who read may draw strength from the witness of John in difficult times and find courage to stand strong for Christ in any and all circumstances Glory be to God
