## **Glimpses Seeing God In Everyday Life:**

*Glimpses of God* Cookie Magee, DMin, 2023-04-24 Glimpses of God are opportunities to recognize with greater clarity the presence of God in the various places people events circumstances objects and languages of our daily life I offer them to you as an opportunity to reflect on how much God is a part of your life and how He has chosen to be in relationship with you how you have chosen to be in relationship with Him and how through this relationship you become one of His greatest Glimpses They are glimpses because we can miss them if we are not paying attention If we open our heart to His love our ears to hear his gentle whisper our eyes to see His light our hands to feel His hand in ours and our feet to walk with Him then we are growing in our relationship with our God and exuding His presence in a clear and vibrant way I believe that it is in and through this relationship that we are able to recognize His invitation to be a Glimpse to others on our life I believe it is then that we see more clearly His presence within ourselves As we recognize His presence within ourselves and strive to see it more readily in others then we grow not only in love with our God self and others we are filled with a deeper peace a greater joy and a sense of being beloved If we are open to sharing these gifts with others then we too are being a Glimpse of God to those in our family our neighborhood our community our society our church our friends those we encounter on a daily basis and even the stranger

Landy, 2001-01-01 This is a book about seeing the ultimate mystery as represented by the figure of God It is not about religion per se although it makes reference to many of the great religious traditions of the world and their gods Rather it is about the presence of the spiritual world and its inhabitants The author s aim is to attempt to answer the

question How do we see God through engaging with the images created by a group of children from a number of different cultures and spiritual backgrounds Through a two year period the author travelled the world interviewing more than 500 children asking them to draw a picture of God to act and speak as God and to tell a story about God This text is a documentation of that journey into the lives and spiritual beliefs of children Throughout the book a broad selection of pictures and stories by the children is reproduced and paraphrased The author offers his own commentaries not as an analyst in a psychological sense or critic in a literary one but as a God seeker trusting in the power of the image to reveal meaning This unique book will be of primary interest to professionals in the field of psychology especially child and family therapists as well as art and drama therapy sociology and theology The book will also have appeal to parents and children who are looking for ways to understand their belief systems in relationship to others Immeasurably Deeper Abby

Harrison S. Mungal,2008-05-02 When a missionary becomes a victim of depression author Harrison Mungal suffered from depression as a result of the death of his co worker and friend while living in Croatia for two years It came as a serious blow to the mind and he found it difficult to cope Harrison is a man of passion who enjoys supporting individuals who may be in distress however when his time came he almost fell apart For over one year he refused to draw from his source of strength as he felt his source of strength was responsible He had a pain no medicine in the world could cure The battle between grief and depression struck him down He became like the walls of Jericho and began to crumble He returned back to Canada from Croatia and began to fight a different type of war A war between himself and depression after a period of time he went back to his source of strength and was taken into a spiritual journey which brought him out of his predicament He had a glimpse of power which transformed his life to support those who are suffering with the same or similar issues Life is like a vapour one minute you see it and another minute it s gone This book tells the story of a heart that was broken as a result of the death of a friend The author shares about the strength of a wife and the power of belief The book gives the reader hope that is built on ones spirituality Just A Glimpse will change your life for a lifetime

A Glimpse into the Other Side Through the Eyes of My Soul Louise,2015-10-27 This life story is about a woman named Louise It has always been a personal desire of Louise to love God the way Enoch did The Bible does not provide a list of things that Enoch did however we know that God was pleased with him Genesis 5 23-24 states that Enoch lived a total of 365 years Enoch walked faithfully with God then he was no more because God took him away Louise made up her mind that she would diligently seek a personal relationship with her God One day Louise decided to write her life journey After many days of thinking meditating and trying to decide what to write Louise realized that she had a problem Every time she started to write she had nothing of value to say Louise did not desire to write a love story or some sort of fairy tale Louise desired to write something that would help inspire and motivate fellow Christians to not give up Louise prayed and prayed that God would allow her to share His love through her life journey As a Christian Louise could not write her life journey without writing about her spiritual journey which included her errors flaws and sins As a Christian Louise had to write about how God delivered her In return God gave Louise an amazing gift to share with every reader Louise has been blessed with an amazing gift of seeing and experiencing a small glimpse of what her soul endured during very difficult times in her life

**Snapshots** Greta Wolff,2011-11 Almost anyone can look back over their lives and identify key lessons they have learned along the way And many of the details from our past that seemed perplexing at the time now somehow fit together in a way that makes perfect sense Perhaps we can even see God's hand at work in some of our previous struggles But what about today What if we could catch Snapshots of God within the present Snapshots combines humorous anecdotes from Greta's life with timely scriptural application to speak to anyone who needs a bit of help finding glimpses of God in everyday life There are fifty two chapters one for every week of the year but you can read through this as quickly or slowly as time allows Scattered throughout each chapter are questions to respond to and think about to get you focused on truly seeing God in the

present If we could develop the ability to see God in every situation every struggle every moment what peace and joy we would experience For there is nothing that compares to living with the full assurance and awareness of His love for us

*Charisma and Christian Life* ,1996      **An Imaginative Glimpse** Joas Adiprasetya,2013-08-21 In contrast to the popular notion that the doctrine of the Trinity hinders Christians from engaging with the reality of religious diversity this book argues that the doctrine is the best way of constructing contemporary theology of religions An Imaginative Glimpse reexamines three prominent Trinitarian theologians of religions Raimundo Panikkar Gavin D Costa and S Mark Heim and proposes a fresh and creative model by bringing the classical idea of perichoresis to its present day multifaith situation Opening a new alternative in both Trinitarian theology and theology of religions Adiprasetya s approach adds a distinctive contribution to the ongoing and challenging discussion in both fields By using perichoresis imaginatively as a multidimensional category for multiple religious participations within the Trinity Adiprasetya argues that the model is able to respect all religions on their own terms while at the same time being faithful to the Christian standpoint      Seeing God Gerald R McDermott,1996-12 This lively update of Edward s classic Treatise Concerning Religious Affections is an analysis of today s spiritual life with vivid illustrations      *Glimpse Through My Stained Glass* Dr. Brenda Kendrick,2025-06-19 The experiences documented in this book cover over forty years of ministry gathered from being both a preacher s kid and preacher s wife but mostly from being human Humanly speaking everyone has a story and the true stories of everyday people found in this book will be an encouragement to your faith Herein are fourteen sections that explore simple truths of hope for everyday living Sections include stories of miracles disguised as problems because only people with problems are candidates for miracles You will encounter people who trusted God enough to raise the umbrella of faith in their storms of fear Challenges of many kinds became blessings God wants to help you pick up the broken pieces of your life and allow Him to fit them back together the same brokenness that shattered your world can be used by God to help heal you You are God s glorious masterpiece in the making Being broken does not mean the end it can mean the beginning of the best of the best When God s love comes into a heart everything changes His love turns the darkness into glorious rays of mercy and grace When fear is present faith loses but when faith is present fear loses and hope is born Simple truths from God s Word heals all wounds And the simple truth of salvation through Jesus Christ delivers peace with God Do you want to be healed by the truth      *A Glimpse of Grace* H. Z. A. Lewis,2015-03-20 A Glimpse of Grace presents the truth of the grace of God in such a way that honest Christian believers may become more conscious of Gods unchangeable attitude of love and forgiveness and in response return to the life of grace For apart from accepting and living in and through the grace of God the promises of Peace Joy and Love remain merely promises
