This book investigates the success story of the fast fashion industry mainly owned by Chinese migrants in Prato Italy It outlines how Prato has become the center of a value chain stretching from suppliers in China and Turkey all the way to buyers in Europe Despite this a policy attacking Chinese entrepreneurship has been devised and implemented in Prato This volume analyzes said policy against the crisis of Prato's textile industry Based on the author's 15 years of fieldwork in Prato the book sheds light on the entangled processes of city making and the restructuring processes linked to capital accumulation by tackling issues of governance territory migration division of labor labor mobility housing and human rights

International Law as Social Construct Carlo Focarelli, 2012-05-24 The book distils and articulates international law as a social construct It does so by analysing its social foundations essence and roots in practical and socially workable as opposed to pure reason In addition to well known doctrines of jurisprudence and international law it draws upon psycho analytic insights into the origins and nature of law as well as philosophical social constructivism The work suggests that seeing law as a social construct is crucial to our understanding of international law and to the struggle to create better working rules The book reconceptualizes both past and new doctrines of international law as constructs namely as strategies of concomitantly de mythologizing and re mythologizing international law Key areas of international law including subjects sources hierarchy values and remedies are shown to be part of this process The social impact on international law of transnational actors and stakeholders normative fragmentation global justice legitimacy of both rules and players dynamics and hierarchization of norms compliance and implementation in municipal law is also extensively investigated Five basic values of the international community namely security humanity wealth environment and knowledge are explored by stressing their inter and intra tensions Finally the analysis is extended to the role that international courts play in the prosecution of heads of state and other transnational players who violate international law **Subject Guide to Books in Print**, 1996 The Oxford

Handbook of Industrial Hubs and Economic Development Arkebe Oqubay, Justin Yifu Lin, 2020-07-23 Industrialization supported by industrial hubs has been widely associated with structural transformation and catch up But while the direct economic benefits of industrial hubs are significant their value lies first and foremost in their contribution as incubators of industrialization production and technological capability and innovation The Oxford Handbook of Industrial Hubs and

Economic Development adopts an interdisciplinary approach to examine the conceptual underpinnings review empirical evidence of regions and economies and extract pertinent lessons for policy researchers and practitioners on the key drivers of success and failure for industrial hubs This Handbook illustrates the diverse and complex nature of industrial hubs and shows how they promote industrialization economic structural transformation and technological catch up It explores the implications of emerging issues and trends such as environmental protection and sustainability technological advancement shifts in the global economy and urbanization

Collective Dimensions of Access to Justice Ander Maglica, 2025-08-22 The current societal transformations brought by globalization and technological innovation have disrupted the global and multilevel constitutional landscape now fragmented in standardized and massified relationships in which inequalities are increasingly amplified Against such a backdrop the democratic mechanisms of representation on the one hand and the traditional civil law dualistic paths of litigation on the other hand appear ineffective in enforcing rights especially fundamental ones The present research theoretical and empirical aims to evaluate the role of Italian class actions also referred to in the European context as collective or representative actions as a means of overcoming such challenges and ensuring effective access to justice Adopting an innovative constitutional law standpoint it stems from the recent EU Directive 2020 1828 on representative actions for the protection of the collective interests of consumers as well as the related national reforms some of which like the Italian one are innovatively trans substantive From this the book analyses in a broader comparative lens the constitutional foundations of collective enforcement as opposed to individual litigation the specific use of collective proceedings to enforce fundamental rights rather than mere consumer ones hence the originality in the current scholarship context and the potential drawbacks in light of possible abuse and fair trial guarantees The topicality of the study is given by the currently developing case law on the matter in all EU Member States especially in Italy as well as by the numerous discussions on how to best implement such a tool in a strategic litigation perspective while upholding essential due process guarantees The analysis is interdisciplinary as initially it draws from sociological and socio legal insights subsequently theoretically developed and assessed through the aid of case studies It is also comparative towards other jurisdictions implementation of class actions and towards other more traditional European paths of fundamental rights enforcement e g constitutional review and ECtHR applications The foundational lens nonetheless is a constitutional and legal one since on the one hand it does so against the backdrop of the principles of fair trial and effective protection enshrined under Articles 24 and 111 It Const 6 and 13 ECHR 47 CFREU and 2 and 19 TEU as developed by national and supranational Apex courts

Global Access Italian Intermediate Introduction

In the digital age, access to information has become easier than ever before. The ability to download Global Access Italian Intermediate has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Global Access Italian Intermediate has opened up a world of possibilities. Downloading Global Access Italian Intermediate provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Global Access Italian Intermediate has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Global Access Italian Intermediate. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Global Access Italian Intermediate. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Global Access Italian Intermediate, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to

distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Global Access Italian Intermediate has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
