ML Morrison

European Union Council Presidencies A Comparative Perspective:

European Union Council Presidencies Ole Elgström, 2003 This work describes analyses explains and compares the role performance of different European Union council presidencies Nine different presidencies are compared and the book concludes by comparing media images and summaries looking at member state characteristics and behaviour **The**

Rotating European Union Council Presidency and Small Member States Ieva Grumbinaite, 2023-09-01 The Rotating European Union Council Presidency and Small Member States explores the opportunities and burdens for small states of holding the rotating presidency of the Council of the European Union While the functions and the achievements of the Council presidencies have been widely studied on the EU level this book adopts the inverse and underresearched perspective of looking at the domestic impact of the Council presidency on the Member State specifically small Member States Combining new institutionalist theoretical approaches under the concept of Europeanisation and employing both qualitative and quantitative methods this book explores whether the Council presidency leads to the Europeanisation of national politics and politics More specifically the book looks at the impact of the Council presidency on national administrations ministers and public opinion It suggests that the Council presidency presents a unique opportunity to re engage with EU affairs and institutions for small Member States especially those holding the position for the first time This book will be of interest to postgraduate students researchers and academics of International Relations and European Integration specifically those interested in small states in the European Union or the rotating European Union Council presidency **European Union**

Council Presidencies Ole Elgström, 2004-03-01 This book describes analyses explains and compares the role performance of different presidencies The expert and international authors ask why member states have different approaches and play the role differently prioritising different functions and using a variety of strategies to realise their aspirations The book consists of three parts i describes the functions of the presidency ii compares nine different presidencies and iii a concluding section comparing media images and summaries looking at member state characteristics and behaviour The Oxford Handbook of

the European Union Erik Jones, Anand Menon, Stephen Weatherill, 2012-08-30 The Oxford Handbook of the European Union brings together numerous acknowledged specialists in their field to provide a comprehensive and clear assessment of the nature evolution workings and impact of European integration EU Presidencies between Politics and Administration

Mads Dagnis Jensen, Peter Nedergaard, 2016-12-08 This book offers the first comprehensive analysis after the Lisbon Treaty came into force of the EU Presidency's impact on national administrations in the Member States of Poland Denmark and Cyprus before during and after the Presidency Placing the practical issues facing officials and policy makers into a governmentality framework it analyses the impact on the daily activities of bureaucrats and ministers The book utilises comprehensive and novel empirical material including around 100 interviews with key officials documentary sources and academic literature It uncovers the kind of negotiations management and coordination triggered by the immense challenge

of presiding over the EU including being a part of a Trio This text will be of key interest to scholars students of political science European Union studies and public administration as well as more broadly to Comparative Politics and International Relations It will also be of interest to officials and policy members in EU Member states approaching the Presidency

The European Union and Global Governance Dr Jens-Uwe Wunderlich, David J. Bailey, 2010-12-14 The European Union and Global Governance A Handbook aims to analyse contemporary debates in European Studies in order to provide lessons for the development design and normative evaluation of global governance It brings together scholars of European studies and international relations where much of the literature on regional and global governance is located thereby providing interdisciplinary lessons from the study of European Union and its governance that can be used to re evaluate processes of global governance Each chapter examines methodological theoretical or empirical discussions within European studies in order to draw insights for current developments in global governance

EU Council Presidencies in Times of Crises Ramona Coman, Vivien Sierens, 2024-05-30 The Council of the EU is a powerful institution whose centrality has been challenged by the Treaty of Lisbon More than ten years after this major institutional revision this book examines its role within the EU political regime and its interactions with other institutions It explores how the Council Presidency has navigated major crises over the past decade and addressed internal challenges The various chapters discuss key timely questions How has the relationship between the Council and the European Council evolved over time To what extent have the recent crises reshaped the relationship between the Council and the European Parliament as well as its interactions with the Commission Is the Council Presidency still a powerful mediator What are its internal challenges What are the prospects for the rotating presidency system

Readjusting the Council Presidency Peter Bursens, Steven Van Hecke, 2011 The Lisbon Treaty delivered substantial institutional changes to the EU's institutional set up It decapitated the rotating Council Presidency but at the same time strengthened the legislative role of the Council of Ministers The rotating Council Presidency was still finding its place in this new institutional environment when Belgium took the Presidency chair in July 2010 Belgium was therefore the first Member State to experience how the position of the chair of the Council of Ministers has changed By taking a close look at the institutional changes the particularities of Belgium and the policy areas that are on the EU's agenda this book investigates how the rotating Presidency is affected by the Lisbon Treaty and how the Belgian Presidency has implemented the EU's new rule book It shows that Belgium has created a new style rotating Presidency going back to the basics of chairing the Council while adjusting it to its new political and institutional environment In this way the Belgian Presidency has set precedents for the rotating Presidency to come This book is recommended to scholars practitioners students in EU politics and anyone who has an active interest in the way the rotating Council Presidency functions today

Bron <http://www.aspeditions.be>

The Rise and Fall of the EU's Constitutional Treaty Finn Laursen, 2008-07-31 This book accounts for the content and negotiation of the EU's Constitutional Treaty of 2004 as well as the failure of ratification of

the treaty in France and the Netherlands in 2005 It discusses the implications of the abandonment of the treaty for the process of European integration and our understanding of that process

The European Council and European Governance François Foret, Yann-Sven Rittelmeyer, 2013-12-04 In recent years the failure of the constitutional process the difficult ratification and implementation of the Lisbon Treaty as well as the several crises affecting Europe have revitalized the debate on the nature of the European polity and the balance of powers in Brussels This book explains the redistribution of power in the post Lisbon EU with a focus on the European Council Reform of institutions and the creation of new political functions at the top of the European Union have raised fresh questions about leadership and accountability This book argues that the European Union exhibits a political order with hierarchies mechanisms of domination and legitimating narratives As such it can be understood by analysing what happens at its summit Taking the European Council as the nexus of European political governance contributors consider council and rotating presidencies co operation rivalry and opposition The book combines approaches through events processes and political structures issues and the biographical trajectories of actors and explores how the founding compromise of European integration between sovereignty and supranationality is affected by the evolving nature of this new European political model which aims to combine cooperation and integration The European Council and European Governance will be of strong interest to students and scholars of European studies political science political sociology public policy and international relations

Political Leadership in the European Union Ingeborg Tömmel, Amy Verdun, 2018-12-07 The challenges that have been facing the European Union in recent years have given rise to the question who leads the EU This book offers a systematic analysis of political leadership in the EU This volume offers a theoretical and conceptual analysis of political leadership in the EU It deals with questions such as what kind of leadership is there in the different domains such as climate change or central banking It also examines how various EU institutions European Commission European Parliament exert or have exerted leadership Furthermore it examines the role of the presidents of some of these institutions such as the European Commission the European Council the European Central Bank but also of selected national leaders Although the book does not advance a single leadership concept the findings of the individual case studies show that the EU is by no means leaderless The chapters originally published as a special issue in the Journal of European Integration

The State of European Integration Yannis A. Stivachtis, 2016-03-03 The State of European Integration provides scholars practitioners experts and students with a comprehensive account of the state of the European Union today With contributions from leading scholars including Richard G Whitman Meltem M ft ler Ba G lnur Aybet Leila Simona Talani and Gareth Dale the book examines the EU in a theoretically informed and empirically grounded manner Opening with an exploration into the nature of the European Union as an international actor it then assesses the impact of enlargement on institutions policies and identity The contributors investigate issues related to the degree of convergence and cohesion among members and analyze the economic and monetary state of integration The volume comes

at a timely interval when there is a need to understand the present and future of the European Union **Routledge Handbook on the European Union and International Institutions** Knud Erik Jørgensen, Katie Verlin Laatikainen, 2013

This Handbook addresses the increasingly contested issue of profound political importance Europe's presence in multilateral institutions. It assesses both the evolving role of Europe in international institutions and the transformations in international institutions themselves *The Diplomatic System of the European Union* Michael Smith, Stephan Keukeleire, Sophie Vanhoonacker, 2015-06-12

Over the past five years the EU has established a new system of diplomacy centred on the European External Action Service (EEAS) and the High Representative for Foreign Affairs and Security Policy. This new system reflects a process of evolution in a changing context and has been faced by major challenges since its inception. This book examines the diplomatic system of the EU, locating it within the broader study of diplomacy and the European integration project. The volume is structured around the interrelated themes of institutional change and the evolving practices of EU diplomacy. It tracks the development of the EU's system of diplomacy with particular reference to the implementation of the Lisbon Treaty, the establishment of the EEAS and the emerging practices of EU strategic and structural diplomacy. Bringing together contributions from leading experts in the field, this book provides an original approach to the development and operation of the EU's diplomatic system. This book will be of interest to students and scholars of European Union international relations, European Union politics and diplomacy **Towards A New Executive Order In Europe?** Deirdre Curtin, Morten Egeberg, 2013-09-13

The executive branch of government in Europe is being gradually transformed in several significant respects. First, executive power has been continuously strengthened at the EU level in the form of the European Commission, EU level agencies and diplomatic and military staff in the Union Council secretariat. Second, EU executive bodies relate directly to regulatory authorities at the national level in charge of applying and partly preparing EU laws and programmes, partly circumventing ministerial departments. Thus, parts of national administrations become parts of an integrated and multi-level Union administration as well as parts of national executives. Such a system with multiple political masters raises delicate questions about political steering and accountability. This book focuses on this fascinating development both from a political science and a legal perspective, encompassing the consolidation of the supranational executive as well as its relationships with its partners at the national level. This book was published as a special issue of *West European Politics* *The Council of Ministers* Fiona Hayes-Renshaw, Helen Wallace, 2017-09-16

The Council of Ministers provides a comprehensive analysis of the Council of Ministers: how it works, its varied activities, functions and its relationships with the other key EU institutions and the member states. It is a key legislative institution which lies at the fulcrum of decision making in the European Union **Resolving Controversy in the European Union** Robert Thomson, 2011-09-15

How does the EU resolve controversy when making laws that affect citizens? How has the EU been affected by the recent enlargements that brought its membership to a diverse group of twenty-seven countries? This book answers these questions.

with analyses of the EU's legislative system that include the roles played by the European Commission, European Parliament and member states' national governments in the Council of Ministers. Robert Thomson examines more than 300 controversial issues in the EU from the past decade and describes many cases of controversial decision making as well as rigorous comparative analyses. The analyses test competing expectations regarding key aspects of the political system including the policy demands made by different institutions and member states, the distributions of power among the institutions and member states, and the contents of decision outcomes. These analyses are also highly relevant to the EU's democratic deficit and various reform proposals.

Negotiation Theory and the EU Andreas Dür, Gemma Mateo, Daniel Thomas, 2013-10-31

Negotiations are central to the ethos and functioning of the European Union yet the dynamics of EU negotiations have received far too little systematic scholarly attention. This volume offers a thematic and forward-looking survey of cutting-edge research on EU negotiation dynamics, identifying findings to date and setting an empirical and methodological agenda for future research. The chapters by leading international experts address a wide range of critical questions in this area, including: What factors influence negotiation behaviour and outcomes in the EU? How can we explain variation in the choice of negotiation styles? When do actors engage in arguing or bargaining? What are the determinants of bargaining power? What are the institutional foundations of EU negotiations? And what role does the presidency play in EU negotiations? The volume also discusses how the findings of the multi-disciplinary field of negotiation studies can inform research on negotiation dynamics in the EU. The volume will be of great interest to established scholars and advanced students of international relations, European integration and governance, and negotiation analysis. This book was based on a special issue of *Journal of European Public Policy*.

Europe's Migrant Policies Suzanne Mulcahy, 2011-10-18

What determines Europe's migrant policies and where does the EU fit into this picture? This book is a comparative analysis of the impact of the EU, if any, on the policies and politics of immigrant integration in its member states. It investigates whether the EU can be a force for good in this policy area.

EU Administrative Governance Herwig C.H. Hofmann, Alexander H. Türk, 2006-01-01

This book is a unique contribution to the understanding of the reality of government and governance in the European Union.

European Union Council Presidencies A Comparative Perspective Introduction

In today's digital age, the availability of European Union Council Presidencies A Comparative Perspective books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of European Union Council Presidencies A Comparative Perspective books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of European Union Council Presidencies A Comparative Perspective books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing European Union Council Presidencies A Comparative Perspective versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, European Union Council Presidencies A Comparative Perspective books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing European Union Council Presidencies A Comparative Perspective books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for European Union Council Presidencies A Comparative Perspective books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer

academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, European Union Council Presidencies A Comparative Perspective books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of European Union Council Presidencies A Comparative Perspective books and manuals for download and embark on your journey of knowledge?

FAQs About European Union Council Presidencies A Comparative Perspective Books

1. Where can I buy European Union Council Presidencies A Comparative Perspective books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
