Evangelical Forfeit Can We Recover:

Confessions of a Wanna-Be Megachurch Pastor: I was wrong about the Seeker-Sensitive Movement , **Destroying Our Private Cities, Building Our Spiritual Life** Chip M. Anderson, 2004 Anderson argues that every time the church adopts the surrounding culture's values it dies a little His lay commentary enables readers to hear Paul's argument through Philippians and how the church's flirtation with individualism has affected the Christian faith and the life of the church *Thinking Against the Grain* (Moseley) N. Allan Moseley, In a world of relativism and ambiguity this highly readable book answers the question What does it really mean to be a Christian **Deep Church** Jim Belcher, 2009-09-25 If you feel caught between the traditional church and the emerging church read Jim Belcher He paints a picture of an alternate deep church a missional church committed to both tradition and contemporary culture valuing innovation in worship arts and community but also adhering to creeds and confessions The Evangelical Forfeit John Seel, 1993 **Christianity and the Religions** Edward Rommen, 1995 The essays in this book take a fresh look at the biblical data and address the contemporary questions raised by religious pluralism The reader will gain a greater understanding of different religions and gain an increased confidence in the majesty and greatness of the one true God **Planting and Growing Urban Churches** Harvie M. Conn, 1997-07 Practical steps to take toward establishing vital churches in metropolitan areas amidst formidable challenges *Recovery for the Christian Family: Surviving Alcoholism* Ch. Farris & Ruth Robertson, 2013-02-12 Everybody is trying to help the addict or alcoholic get sober but very few people really know how to help the family through the experience This book has the real world insight of a husband and wife team who are survivors of alcoholism who have worked with thousands of people over the last twenty years You will learn about interventions and how they work and when to use them not from a TV show full of drama but from people that want to guide your family toward success You will learn how to live with alcoholism while not losing your family to it You will find a way of peace during the storm You will gain confidence that God has a plan for your family that may not be clear to you quite yet **Culture Shift** David W. Henderson, 1998-11-01 A map of today's cultural landscape guiding Christians toward more effective communication with the postmodern world *American Evangelicalism II* Norris A. Magnuson, William G. Travis, 1997 *Faith and Modernity* Philip Sampson, Vinay Samuel, Chris Sugden, 2011-08-05 The distinctive social and cultural developments of recent years are so familiar to us as to become invisible So write the editors in the introduction Although no missionaries worth their salt would try to evangelize without first studying the cultural and spiritual background of their hearers the church in the late twentieth century often does not begin to understand modern and postmodern thinking At the second conference of the Lausanne Committee for World Evangelization in Manila 1989 Dr Os Guinness gave a paper on Faith and Modernity which provoked great interest As part of the response to his paper a conference was held in Uppsala Sweden in 1993 at which an international group of experts probed more deeply into the questions of modernity and post modernity Participants represented the United States Canada

India Norway Sweden and the United Kingdom They included such well known experts as Os Guinness James Hunter Lesslie Newbigin Vinay Samuel Elaine Storkey and David Wells Each of them has contributed to this volume covering such topics as What is Modernity Truth and Authority in Modernity Information Technology and Christian Faith New Age Modernity and Spirituality Modernity and Morality This collection of papers is offered as a resource and a challenge to the church for its mission in the context of the modern world
