## **Evangelism Strategy For The 80s:**

Evangelism Sherwood Eliot Wirt, Billy Graham, 1978      **Examining Billy Graham's Theology of Evangelism** Thomas P. Johnston, 2003-03-12 Examining Billy Graham's Theology of Evangelism was written to advance an unbiased understanding of Billy Graham's theology and practice Theological examination of Graham's sermons revealed four distinct eras in his theology and practice The Early Early Graham pre 1949 The Early Graham 1949 1955 The Middle Graham 1955 1965 The Later Graham 1965 present In each of these eras Graham portrayed a discernible and distinct approach to defining evangelism theological nomenclature and cooperative strategy No literature on Billy Graham discusses in combination this evolution in Graham's theology and practice You are invited to take a fresh look at the teaching and practice of this man who has touched millions of lives through the proclamation of the Gospel of Jesus Christ      The Study of Evangelism Paul W. Chilcote, Laceye C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church's mission Many of the resulting books in the marketplace however have a hands on orientation often lacking serious theological engagement and reflection Bucking that how to trend The Study of Evangelism offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice Helpfully organized into six categories these broad diverse writings lay a solid scholarly foundation for meaningful dialogue about the church's practice of evangelism      World Christian Trends Ad30-ad2200 (hb), 2001      **The Beliefnet Guide To Evangelical Christianity** Wendy Murray Zoba, 2005 A critical study of evangelical Christianity provides a clear and objective analysis of evangelical beliefs and practices traces the history of the movement and refutes common misconceptions about the faith and its followers discussing such topics as attitudes toward biblical scripture and the link to conservative politics Original 17 500 first printing      **Evangelism and Apostasy** Kurt Bowen, 1996-04-30 Highlighting the demographic social and political character of the Evangelical movement in the 1980s and 1990s Bowen pays particular attention to conversion processes commitment mechanisms schisms and distinctive beliefs He also considers the controversial issues of religious persecution and American missionary influence Bowen reveals that Evangelicalism's appeal is so pervasive in Mexico that if Evangelical converts all remained faithful it could become Mexico's dominant religion by 2006 This projection however is improbable due to high drop out rates Bowen argues that Evangelical apostasy is rooted in the most basic beliefs and practices of its followers      *Jesus & the Christian in a Pop Culture* Tony Jasper, 1984      **Charts for a Theology of Evangelism** Thomas P. Johnston, 2007-07-01 Like no other book before it Charts for a Theology of Evangelism gathers ninety three unique charts based on author Thomas P Johnston's twenty three years of practicing and teaching personal evangelism This excellent classroom preaching or personal study resource features nine major sections and each chart from The Urgencies that Drive Evangelism to Five Interpretations of Salt in Matthew 5 13 to Biblical Stages in Theological Drift includes an explanation and contextual set up from the author      **Evangelism and Social Concern in**

**the Theology of Carl F. H. Henry** Jerry M. Ireland, 2015-06-01 How do evangelism and social concern relate to one another in the mission of the church How should the Old Testament's emphasis on social justice inform the praxis of modern believers Does the Bible emphasize individual salvation or does it teach a broader more inclusive concept Theologians missiologists pastors and educators have wrestled with these questions for centuries But especially since the early part of the twentieth century this debate has increasingly become a point of contention among evangelical Christians with few indications that a consensus may soon be forthcoming Yet few have offered so thorough an answer to these questions as has Carl F H Henry Henry's regenerative model of evangelism and social concern stands on the shoulders of Augustine and many others and offers what may be the best way forward This book explores Henry's thoughts on this subject and sets him in dialogue with numerous others who have written on these topics Thus it will prove a valuable resource for all interested in this topic

**Evangelism and the Openness of God** Vaughn W. Baker, 2012-12-18 Argues that a dynamic concept of God as articulated in open theism better serves the evangelistic mission of the church than does conventional theology Back
