Even More Remarkable Names:

Even More Remarkable Names, 1979 **Perspectives on Latter-day Saint Names and Naming** Dallin D. Oaks, Paul Baltes, Kent Minson, 2023-03-01 Perspectives on Latter day Saint Names and Naming approaches cultural historical and doctrinal dimensions of The Church of Jesus Christ of Latter day Saints through a fresh lens that explores how these dimensions intersect with names and naming Featuring a collection of chapters from multiple authors its bipartite structure examines fascinating topics in relation to the Church looking first at cultural and historical perspectives before analyzing doctrinal and scriptural perspectives The book discusses such matters as how contemporary naming practices of Latter day Saints compare to those outside the faith how code names were used in one of the faith s books of scripture to protect Church leaders from persecution and how names and naming relate to the covenant identity of Church members Through its fresh approach to understanding religious identity and belief in relation to The Church of Jesus Christ of Latter day Saints this book is an invaluable resource for scholars and students of Mormon studies and will also be of interest to people with a fascination with names and naming issues as those occur in a variety of settings including religious ones Primitive Culture Edward Burnett Tylor, 1874 *Scientific Feng Shui for the Built Environment* Michael Y. MAK, Albert Ting-pat SO, 2011-03-01 This book is organized into three sections from exploring the major theories of scientific research in Feng Shui including from School Approach and Compass School Approach to providing case studied in Feng Shui applications for the built environment Jesus Is There Carl B. Dodrill Ph.D., 2021-06-16 Where was Jesus and what was he doing during the many centuries of Old Testament history If Jesus had personal contact with people only after being born in Bethlehem where was he for the hundreds of years while the Jewish people lived their lives suffered and struggled and were in need of direction and support If he really cares for people is it rational to believe that during that time he was not engaged at all in human history Using a fresh and little explored empirically based approach and resources including the Septuagint three keys are found which in the New Testament reliably distinguish the person and work of Christ from that of God the Father Guidelines for the use of the keys are established and these guidelines are then applied to 25 selected passages in the Old Testament where the divine is definitely at work When this is done the results clearly show that Jesus Is There at work in the Old Testament and doing far more with people than most of us ever thought You are invited to examine these in depth studies with the prospect that you may arrive at a truly broadened understanding of Jesus Christ **Biblical Myth and Rabbinic Mythmaking** Michael Fishbane, 2003-06-06 This is a comprehensive and systematic exploration of myth in the Hebrew Bible In addition Michael Fishbane examines the ongoing role of Scripture in the expansion and transformation of myth in ancient Jewish sources Midrash and Talmud and in the classical work of medieval Jewish mysticism the book of Zohar The role of myth and monotheism is taken up and the texts of myth are subjected to close analytical treatment dealing with matters of form theme and theology In particular the creative role of exegesis and its capacity to generate new myths and to

justify older or pre-existent ones is explored. Aspects of continuity and discontinuity with biblical and ancient Near Eastern sources are examined and the explosive innovations of myth in the various literary phases are considered. In exploring three major phases of Jewish culture, Michael Fishbane offers a new appreciation for the reality of myth and its varieties. Many new conceptual and analytical categories are presented as well as numerous close readings of the texts at hand. The Oxford Magazine, 1910

The Great Empires of the Ancient East George Rawlinson, 2023-12-15

In *The Great Empires of the Ancient East*, George Rawlinson meticulously explores the rise and fall of powerful civilizations such as Babylon, Assyria, and Persia, weaving a rich tapestry of historical narrative with astute archaeological insights. Written in the 19th century, Rawlinson's work reflects the era's burgeoning interest in Oriental studies and the ancient world, characterized by a scholarly yet accessible prose that invites readers to both educate and inspire wonder. His detailed analysis of historical texts, inscriptions, and artifacts enables a deeper understanding of the socio-political, religious, and cultural dynamics that shaped these empires, manifesting in a compelling chronicle that illuminates their legacies.

George Rawlinson, a notable British historian, was deeply influenced by his own explorations in the East and his groundbreaking translations of cuneiform inscriptions. His expertise in ancient languages and dedication to the preservation of history rendered him a prominent figure in contemporary scholarship. This background, coupled with his personal curiosity about the cultures he studied, fueled his desire to provide a comprehensive narrative that would bridge the past and present for modern readers. Rawlinson's work is recommended for anyone seeking to understand the foundational empires that contributed significantly to the course of human history. Through his scholarship, readers will gain not only knowledge but also an appreciation for the complexity of the ancient East, making it an essential addition to the library of history enthusiasts and scholars alike.

The Essential Works of George Rawlinson George Rawlinson, 2023-11-30

In *The Essential Works of George Rawlinson*, readers are presented with a comprehensive examination of Rawlinson's scholarly contributions to Assyriology and ancient history. This collection showcases his masterful use of vivid prose and meticulous research, reflecting the Victorian era's burgeoning interest in archaeology and the ancient Near East. Rawlinson's analyses of cuneiform inscriptions and his translations of historical texts highlight not only the narrative richness of ancient civilizations but also the methodological rigor underpinning his studies, thus positioning him as a pivotal figure in the fields of history and philology.

George Rawlinson (1812-1902) was an English scholar renowned for his expertise in Assyrian and Babylonian history. His extensive travels in the Middle East and his role as a member of the British consular service deeply informed his understanding of ancient cultures. His translation of the inscriptions of Behistun and his work on the monumental histories of the Assyrians and Persians reflect a profound engagement with the epochs he chronicled, making him a leading authority in his field. This anthology is highly recommended for anyone interested in the foundations of modern historical scholarship. It serves as both an introduction for new readers and a valuable resource for scholars familiar with Rawlinson's impact on the discipline. Delve into this essential

work to appreciate the intersections of history linguistics and archaeology all illuminated by the insights of a true pioneer

The Greatest Empires & Civilizations of the Ancient East George Rawlinson, 2023-11-30 In *The Greatest Empires Civilizations of the Ancient East* George Rawlinson meticulously explores the rich tapestry of ancient Eastern civilizations such as the Assyrians Babylonians and Persians Through his expert narrative Rawlinson employs a blend of historical analysis and vivid storytelling immersing readers in the cultural political and social dimensions of these formidable empires His scholarly approach is informed by a wide array of primary sources including ancient texts and archaeological findings making this work a significant addition to the historiography of the ancient world Rawlinson s style is both accessible and engaging catering to both academic and general audiences while maintaining rigorous scholarly standards George Rawlinson was a notable British historian and philologist renowned for his seminal works on ancient history His extensive knowledge of languages particularly his translations of cuneiform inscriptions provided him with a unique perspective on the civilizations he studied Rawlinson s deep interest in classical antiquity and his distinct ability to synthesize complex historical material undoubtedly influenced his desire to present these remarkable cultures in a cohesive yet detailed manner This book is highly recommended for readers seeking a comprehensive understanding of ancient Eastern civilizations and their legacies as well as for scholars aiming to deepen their knowledge of the historical context surrounding these influential empires Rawlinson s insightful analysis invites readers to appreciate the profound impacts these ancient societies had on world history The

Collected Works of George Rawlinson George Rawlinson, 2023-11-17 *The Collected Works of George Rawlinson* is a comprehensive compilation that showcases the breadth of Rawlinson s scholarly contributions to historical and classical studies Renowned for his meticulous translations and commentaries on ancient texts Rawlinson employs a clear engaging literary style that combines rigorous scholarship with accessibility His works which delve into the rich tapestry of ancient civilizations particularly Mesopotamia and Persia reflect the zeitgeist of the 19th century characterized by an insatiable curiosity about antiquity and a rigorous pursuit of historical authenticity George Rawlinson was a prominent Victorian scholar and historian whose extensive academic journey was significantly shaped by his background in classical studies and his exposure to several ancient languages His pivotal role as a translator of the Babylonian inscriptions and his involvement in the decipherment of cuneiform scripts highlight his dedication to uncovering the narratives of lost civilizations These experiences not only enriched his understanding but also injected a profound passion for revealing the complexities of history to a broader audience This collected volume is a treasure trove for readers and scholars interested in ancient history and archaeology offering an invaluable resource that is both scholarly and engaging Whether you are a seasoned historian or a curious newcomer Rawlinson s insights and eloquent prose will undoubtedly deepen your appreciation of the ancient world

The English and the Norman Conquest Ann Williams, 1995 A study of the experiences of the lesser English lords and landowners at the time of the Norman conquest and the aftermath The Ordways William Humphrey, 2015-02-17 Good

writing is rare enough Storytelling is an even rarer skill A genuinely comic vision is beyond price The Ordways has all three Time On the annual graveyard working day in Clarksville Texas families come from all over East Texas to pay respects to their loved ones The Ordways are one such clan and in this eloquent and original novel our narrator recounts the story of how he and his kin arrived in this magical land where the South meets the West The tale begins with his great grandfather Thomas Ordway who lost his sight at the Battle of Shiloh and vowed to quit Tennessee forever He crossed the Red River into Texas and stopped on the edge of the featureless prairie a landscape too mystifying even for a sightless man Years later the narrator s grandfather Sam Ordway was forced to leave the forest behind when his three year old son Ned was kidnapped by a neighbor Sam scoured the vast state of Texas in search of Ned but never found the boy The mystery of what happened to him and what his long hoped for return might mean to the Ordways brings William Humphrey s brilliant second novel to its rich and satisfying conclusion A masterful blend of comedy tragedy and history The Ordways is great American fiction in the tradition of William Faulkner and Mark Twain This ebook features an illustrated biography of William Humphrey including rare photos from the author s estate

The Game of Our Lives David Goldblatt,2014-10-30 WINNER of the William Hill Sports Book of the Year Award 2015 In the last two decades football in Britain has made the transition from a peripheral dying sport to the very centre of our popular culture from an economic basket case to a booming entertainment industry What does it mean when football becomes so central to our private and political lives Has it enriched us or impoverished us In this sparkling book David Goldblatt argues that no social phenomenon tracks the momentous economic social and political changes of the post Thatcherite era in a more illuminating manner than football and no cultural practice sheds more light on the aspirations and attitudes of our long boom and now calamitous bust A must read for the thinking football fan The Game of Our Lives will appeal to readers of Fever Pitch by Nick Hornby and Inverting the Pyramid by Jonathan Wilson It will also be relished by readers of British social history such as Austerity Britain by David Kynaston Brilliantly incisive Goldblatt is not merely the best football historian writing today he is possibly the best there has ever been Goldblatt s book could hardly be more impressive Sunday Times

The Remembered Village M. N. Srinivas,2023-11-15 The real virtue of this most recent contribution by Dr Srinivas is the consistently human humane and humanistic tone of his observations and of the narration the simple straightforward style in which it is written and the richness of anecdotal materials He writes modestly as a wise and knowledgeable man He restores faith in the best tradition of ethnography Without being popular in the pejorative sense it is a book any uninitiated reader can read with pleasure and enlightenment Cora Du Bois Asian Student Few accounts of village life give one the sense of coming to know of vicariously sharing in the lives of real villagers that this book conveys The work is holistic in the best anthropological manner the principal aspects of Rampura life are lucidly sketched and the interrelations among them are cogently considered our collective knowledge and its practical relevance become enhanced David G Mandelbaum Economic and Political Weekly Srinivas has described and analyzed life in Rampura in the late 1940s

with charm and insight His book is enjoyable as well as illuminating In addition to the rich detail of village life and of a number of individual villagers Srinivas gives us valuable insights into the nature of ethnographic research He relates how he came to study this particular village He tells us how he got established in the village and describes vividly his living quarters He describes at various places throughout the book his reactions to the villagers and his perceptions of their reactions to him He freely admits his own negative reactions to certain things and certain behavior He discusses the factors that could and did bias his research illuminate s both the problems and the rewards of the ethnographer must reading Robert H Lauer Sociology Reviews of New Books The real virtue of this most recent contribution by Dr Srinivas is the consistently human humane and humanistic tone of the observations and of the narration the simple straightforward style in which it is written and the richness of anecdotal material

The People Who Stayed Janet McAdams, Geary Hobson, Kathryn Walkiewicz, 2012-10-09

The two hundred year old myth of the vanishing American Indian still holds some credence in the American Southeast the region from which tens of thousands of Indians were relocated after passage of the Indian Removal Act in 1830 Yet as the editors of this volume amply demonstrate a significant Indian population remained behind after those massive relocations The first anthology to focus on the literary work of Native Americans who trace their ancestry to people who stayed in southeastern states after 1830 this volume represents every state and every genre including short stories excerpts from novels poetry essays plays and even Web postings Although most works are contemporary the collection covers the entire post Removal era Some of the contributors are well known while others have only recently emerged as important literary voices All of the writers in *The People Who Stayed* affirm their Indian ancestry though many live outside the Southeast today As this anthology demonstrates indigenous Southeastern writing engages the local and the global the traditional and the modern While many speak to the prospects and perils of acculturation all the writers bear witness to the ways oblique or straightforward that they and their families continue to honor their Indian identities despite the legacy of removal In an introduction to the volume and in headnotes on each contributor the editors provide historical context and literary insight on the diversity of writing and lived experiences found in these pages All readers from students to scholars will gain newfound understanding of the literature and the human experience of Native people of the American Southeast
