

REFLECT

If you are a “planner,” what is it that you like about planning things? If not, what is it about planning that turns you off or that you find difficult?

We can be intentional about certain parts of our lives while not really being intentional about our life. For example, we might be intentional about our work but “accidental” about our spiritual life. Discuss the parts of your life where you live “on purpose,” intentionally.

What are the main obstacles that get in the way of your living life “on purpose”?

Do you find it challenging to discover God’s vision for your life? Discuss.

PRAY

As we learned in Proverbs, God’s people perish for lack of vision [see Proverbs 29:18]. If we want to avoid simply drifting along through life, our view of things must be transformed and become God’s vision. This happens by first offering everything to him in prayer. Thankfully, the Lord’s will for our lives is that we see him, know him, and love him, so that we can spend eternity with him!

The Lord wants to guide us in our relationships, our careers, and our entire lives. Regardless of how all of the specific details play out in our life’s journey, God himself is always our ultimate guide and destination.

If our lives are centered on the Lord, we don’t need to be afraid to ask him to convert our vision and reorient our direction when we feel lost or anxious. When we turn to God in prayer and ask him to show us where our vision is hazy, he will give us clarity. If we ask him to show us his face, we will have all the vision for our lives that we need!

As you enter into prayer now, set all of your hopes and plans for the future at the feet of Jesus, turn your gaze away from all of your concerns, and look to him. If you feel you are drifting through life, unsure of where you are headed, set your eyes on the Lord, and he will show you the way! He will give you the “vision” to head straight toward him.

AB //

What are three things that you want to be true about your character, your relationships, and your relationship with God in five years? What is one thing you can do in each of these areas this week that will be a step toward making this vision a reality? Write them down.
