Every Life Has More Than One Chapter:

The Heiress Bride Lynne Graham, 2007-07-01 Business tycoon and infamous playboy Alexio Christoulakis wasn't the marrying kind. Then one of the most powerful and wealthy men in Greece offers Alexio his daughter's hand in marriage and Alexio decides that maybe a wife especially one as compelling as Ione Gakis might not be a bad idea after all. Unbeknownst to anyone outside of the Gakis family Ione was adopted and has been fostered in an abusive and neglectful environment a desperate prisoner on her tyrannical father's luxurious island. Marriage to Alexio can mean only one thing: escape. And if that means marrying a complete stranger and fleeing to England to find her real family then the sooner Ione can get that wedding ring on her finger the better. But despite his compassion for Ione Alexio won't tolerate a runaway wife. And he's going to make damn sure Ione never leaves his side or his bed.

An Arabian Marriage Lynne Graham, 2007-07-01 Nanny Frederica Sutton was living happily with toddler Ben the son of her deceased cousin. But the minute that Jaspar Al Hasayn stalks into her apartment all smoldering gorgeousness and arrogance her happy little world is blown apart when she discovers that Ben is part of the Quamar royal lineage and a prince's son and she could lose him forever. When Jaspar's family decides to take matters into their own hands and kidnaps Ben, Freddy is both heartbroken and furious. If getting little Ben back means blackmailing Jaspar into marrying her then so be it. As much as Freddy hates her cool mannered new husband there's something about his feral golden eyes and she finds herself returning to his bed night after ravenous night. Freddy's not just sleeping with the enemy she's married to him.

Indentured Identities Farzana Gounder, 2011-12-21 The book explores the historical dimension of Indian indenture from within the lived experience of laborers who emigrated to Fiji from colonial India a century ago. As these laborers are no longer alive one could argue that the experience of indenture is no longer accessible if there had not been recordings of the laborers' life narratives. It is seven of these audio recordings made for public broadcast which form the data for a fine grained language analysis to unearth the life world of indenture. Through the merging of Labov's high point analysis with Bamberg's positioning analysis the book focuses on the situated discursive performativity of identities and draws attention to the complex and at times conflicting positions within the life narratives. Sorting through those positions resulted in the ultimate challenge to the essentially homogenizing current master narrative discourse on who can be classified as an indentured laborer and what signifies as an indenture experience.

Bullard Jr.,2023-04-03 Make it Last Forever It almost seems like a foreign concept with this high Divorce Rate that we have in the United States of America It's like people go into marriages with exit plans In case their perfect plan of flawless matrimony doesn't work out Well let me just give you a shocking reality at the beginning of this book there are no perfect marriages Reason being there are no perfect people In order for there to be a perfect marriage there would have to be two perfect people And I'm sure you know by now your spouse isn't perfect And guess what you're not either In order to make it Last Forever you have to have two people that make a decision to consciously put forth Effort to do just that Make it Last Forever This book is intended to curve the divorce rate in the world I believe if the principles used in this book are applied correctly it can be the start of a New Movement of Making it Last Forever *Code of Federal Regulations* ,1992 Special edition of the Federal Register containing a codification of documents of general applicability and future effect with ancillaries *The Code of Federal Regulations of the United States of America Having General Applicability and Legal Effect in Force June 1, 1938* ,1939 **The World To-day** ,1909 **Readings in Classical Political Thought** Peter J.
