Temple Judea Samuel L. Adams, 2014-08-15 Those who study the Bible are becoming increasingly attentive to the significance of economics when examining ancient texts and the cultures that produced them This book looks at the socioeconomic landscape of Second Temple Judea from the end of the Babylonian exile to the destruction of the temple by

the Romans 532 BCE to 70 CE Adams carefully examines key themes paying special attention to family life the status of women and children while engaging relevant textual and archaeological evidence He looks at borrowing and lending and the burdensome taxation policies under a succession of colonial powers In this pursuit Adams offers an innovative analysis of economic life with fresh insights from biblical texts No other study has specifically analyzed economics for this lengthy timeframe especially in relation to these key themes This important book provides readers with a helpful context for understanding religious beliefs and practices in the time of early Judaism and emerging Christianity

Psalms Book 2: An Earth Bible Commentary Arthur Walker-Jones,2019-10-03 Arthur Walker Jones presents an Earth focused reading of the second book of Psalms focusing upon the many nonhuman animals that appear repeatedly within the text In the first commentary to explore the implications of the natural and cultural history of animals for the interpretation of Psalms Walker Jones moves beyond the standard treatment of animals as mere metaphors for human concerns or background to human stories Instead Walker Jones draws upon the interdisciplinary field of animal studies incorporating this into ecocritical analysis and arguing for the similarity between the two approaches including recognizing that the oppression and liberation of humans is interrelated with the oppression and liberation of Earth and all its creatures Walker Jones looks at foxes sheep goats cattle doves snakes lions snails dogs and deer which all appear in Psalms 42 72 taking into account that many of these animals co evolved with humans and created the particular ecological niche of the highlands east of the Mediterranean Perceiving Earth in various ways as refuge as enemy as Rock and as fertile and joyous this volume brings an entirely new ecological perspective to the Psalms

Donkeys in the Biblical World Kenneth C. Way,2011-06-30 In this volume Kenneth Way explores the role of donkeys in the symbolism and ceremonies of the biblical world His study stands alone in providing a comprehensive examination of donkeys in ancient Near Eastern texts the archaeological record and the Hebrew Bible Way demonstrates that donkeys held a distinct status in the beliefs and rituals of the ancient Near East and especially Canaan Israel The focus on ceremony and symbol encompasses social and religious thoughts and practices that are reflected in ancient texts and material culture relating to the donkey Ceremonial considerations include matters of sacrifice treaty ratification consumption death burial scapegoat rituals and foundation deposits symbolic considerations include matters of characterization association function behavior and iconographic depiction However the distinction between ceremony and symbol is not strict In many cases these two categories are symbiotic The need for this study on donkeys is very apparent in the disciplines that study the biblical world There is not a single monograph or article that treats this subject comprehensively Philologists have discussed the meaning of the Amorite phrase to kill a jackass and archaeologists have discussed the phenomenon of equid burials But until now neither philologists nor archaeologists have attempted to pull together all the ceremonial and symbolic data on donkeys from burials ancient Near Eastern texts and the Hebrew Bible Way's study fills this void

Dictionary of the Old Testament: Wisdom, Poetry and Writings TREMPER LONGMAN III, PETER ENNS, 2020-05-21 The Old Testament books of wisdom and poetry carry themselves differently from those of the Pentateuch the histories or the prophets The divine voice does not peal from Sinai there are no narratives carried along by prophetic interpretation nor are oracles declaimed by a prophet Here Scripture often speaks in the words of human response to God and God's world The hymns laments and thanksgivings of Israel the dirge of Lamentations the questionings of Qohelet the love poetry of the Song of Songs the bold drama of Job and the proverbial wisdom of Israel all offer their textures to this great body of biblical literature Then too there are the finely crafted stories of Ruth and Esther that narrate the silent providence of God in the course of Israelite and Jewish
