from Inequality to Cooperation David Gray, 2014-09-10 We often focus on winning at the expense of others which can create problems in and outside of the workplace David Gray a longtime professor of psychology makes the case that everything runs much smoother when everyone is a winner That goal can be achieved when people cooperate instead of competing Taking an approach that relies heavily on the behavioral sciences the author provides the tools you need to turn mutual threats into motivation transform conflict into creative productivity build structures that stimulate winning share power and profits with others By examining historical events and contemporary society it is clear to see that when someone loses because the rules were unfair he or she tends to either become apathetic half heartedly compliant or out rightly hostile Substance abuse and domestic abuse are also common responses Opting for a more cooperative approach has helped democracies religions and companies boost the happiness and productivity of their respective constituents You can do the same by applying the lessons in When Everyone Wins Win! Dan Strutzel, Traci Shoblom, 2023-03-14 Almost everything in life is negotiable Whether we're children trying to stay up past our bedtimes employees who want some time off or a raise or friends trying to decide where to go for dinner we use negotiation to get what we want But negotiation doesn't have to be an I win and you lose proposition In WIN Positive Negotiating and Decision Making for the Real World Authors Dan Strutzel and Traci Shoblom will teach readers the four steps to make sure that Everybody WINS The Everybody WINS Method of Negotiation is 1 Wait 2 Identify 3 Negotiate 4 Settle on an Agreement Once you master these steps you'll have the power to negotiate Better relationships Getting into better schools and jobs Higher income Improved self image Helping others get more of what they want Negotiation is a core element of human interaction From the bedroom to the board room the principles of negotiation are at the foundation of our society Are you ready to learn how to WIN Let's go *The Rotarian*, 1978-10 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Gandhi to Kurt Vonnegut Jr have written for the magazine **Cumulative List of**
