European Integration And National Identity Challenge Of Nordic States

Rosina Ehmann

European Integration And National Identity Challenge Of Nordic States:

European Integration and National Identity Lene Hansen, Ole Wæver, 2003-08-29 The four Nordic countries Denmark Finland Sweden and Norway have all held referenda on their relationship to the European Union in the 1990 s These referenda catalysed heated debates should Finland and Sweden give up neutrality Should Denmark follow the European Union s move towards higher degrees of integration And had there been enough change in Norway to reverse the rejection of European Community membership in 1972 These key questions about the future of European integration are addressed in this highly topical book by examining the crucial role played by national identity **European Integration and National Identity** Lene Hansen, Ole Wæver, 2001 European Integration and the Problem of the State Stefan Borg, 2015-04-07 This study argues that the practices of European integration reproduce rather than transcend the practices of modern statecraft Therefore the project of European integration is plagued by similar ethico political dilemmas as the modern state and is ultimately animated by a similar desire to either expel or interiorize difference **Britain, Europe and National Identity** J. Gibbins, 2014-10-05 This study patterns national identity over a number of important historical milestones and brings the debates over Europe up to date with an analysis of recent happenings including the referendum on Scottish independence the global economic crisis and the current crisis in Syria **State and Civil Society in Northern Europe** Lars Trägårdh, 2007 In neo liberal political and economic climate it is suggested that a state stands in opposition to an autonomous civil society This book offers insights into the dynamics of state and civil society relations against trends of undermining the importance of the welfare state and presents autonomous civic participation as the only way forward Scandinavia in World Politics Christine Ingebritsen, 2006 This clear and engaging text offers a sustained appraisal of Scandinavia s foreign policy and role in the global economy in the post Cold War period In an era when good citizenship in the global community has become a diplomatic priority for many states Christine Ingebritsen argues that Scandinavia has both the legitimacy and the domestic political attributes to be an important international player She examines how social innovators such as Sweden and Finland seek to influence European integration and how Norway has cultivated a unique and innovative niche in its foreign relations Scandinavia she convincingly shows has become a norm entrepreneur exercising its influence abroad through moral leadership from sponsoring the Nobel Prize and participating in global peacekeeping efforts to providing generous foreign aid and monitoring human rights abuses in the international community Demonstrating how Scandinavia has made its model of the good society viable on a global scale this text offers a fascinating case of small state success and individuality in an increasingly globalized world ing case of small state success and individuality in an increasingly globalized world ing case of small state success and individuality in an increasingly globalized world **National Interests and European Integration** K. Milzow, 2015-12-11 This study combines an account of Blair Chirac Schröder and their attitudes towards European

integration It analyzes political discourses on national interests and the EU the frequently debated role of political discourse the concept of national interest and offers an alternative point of view on intergovernmental interaction

Democracy, Federalism, the European Revolution, and Global Governance Andrea Bosco, 2020-06-10 The European Union is facing today the greatest crisis since its creation Brexit could mean not only the reversal of its steady enlargement from 6 to 28 member states but also the beginning of an inexorable decline leading to its disintegration However few today seem to recollect that it was precisely the British who were the first to promulgate the political culture which inspired the European Union s construction democracy and federalism and the first who tried to realise in June 1940 a European federation on the basis of an Anglo French union This volume traces the fundamental stages of the European unification process placing it in relation to the wider process of world economic and political integration In particular it analyses the historical significance of the European Revolution which is identified in the overcoming of the nation state namely the modern political formula which institutionalised the political division of mankind and the birth of the first truly international state The universal historical significance of the European Revolution lies in its exportability as for the other great European revolutions and therefore its potential as progressively extensible to all the states of the planet Europe was indeed the first region of the world where the barriers between national states fell and a post national political identity emerged complementary to national political identities It is in fact in the context of the European Union that democracy beyond the borders of the nation state has first been realized constituting a guiding principle for global governance

Northern Europe and the Future of the EU Helge Hoibraaten, Jochen Hille, 2012-01-01 Hauptbeschreibung The current relationship between the Nordic countries and the European Union appears complex and confusing Although Denmark in 1973 and Sweden and Finland in 1995 joined the European Union the entry of Norway into the Union was rejected in the plebiscites of 1972 and 1994 Furthermore Nordic EU members enjoy permanent exceptions to their integration into the EU Denmark and Sweden like the U K have declined to become part of the monetary union Finland is essentially the only Nordic country that entered the EU without substantial exceptions A membership bid from Iceland was unthinkable after the financial crisis which is not the topic of this book Iceland applied for membership in 2010 and has been in discussions with the European Commission ever since In other words the European Union divides Nordic societies which has resulted in a series of national exceptions to the integration process Taken together these exceptions have created an integration process whose overall geometry is contradictory and paradoxical Considering this melange this book will discuss the actual state of Nordic integration into the EU from many different perspectives and illuminate future developments in the field of integration Where is the North relative to Europe today How can the geometry of Northern Europe s integration developed over a long time be characterised What are the challenges that threaten further development of Nordic European relationships

The Routledge Handbook of Differentiation in the European Union Benjamin Leruth, Stefan Gänzle, Jarle Trondal, 2022-05-11 The Routledge Handbook

of Differentiation in the European Union offers an essential collection of groundbreaking chapters reflecting on the causes and consequences of this complex phenomenon With contributions from key experts in this subfield of European Studies it will become a key volume used for those interested in learning the nuts and bolts of differentiation as a mechanism of dis integration in the European Union especially in the light of Brexit Organised around five key themes it offers an authoritative encyclopaedia of differentiation and addresses questions such as How can one define differentiation in the European Union in the light of the most recent events Does differentiation create more challenges or opportunities for the European Union Is Europe moving away from an ever closer Union and heading towards an ever more differentiated Union especially as leading political figures across Europe favour the use of differentiation to reconcile divergences between member states This handbook is essential reading and an authoritative reference for scholars students researchers and practitioners involved in and actively concerned about research in the study of European integration As European differentiation is multifaceted and involves a wide range of actors and policies it will be of further interest to those working on countries and or in policy areas where differentiation is an increasingly relevant feature The Introduction and chapters 13 21 30 and 35 of this book is available for free in PDF format as Open Access from the individual product page at www.routledge.com It has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

The Oxford Handbook of Religion and Europe Grace Davie, Lucian Leuștean, 2022 Features contributions from leading scholars providing crucial insight into the role of religious ideas structures and institutions in the making of Europe Introduces the building blocks of Europe's religious and the part that they played in the formation of the continent Explores the relationship between religious communities and ideologies in the twentieth century connections that play out very differently in East and West Europe Examines the role of religion in the construction of the European Union from the end of the Second World War until the present day Assesses the relationship between the major world religions and the idea of Europe Book jacket

The Changing Face of European Conscription Pertti Joenniemi, 2017-09-29 Conscription is seen as forming a site and an issue area around which different identities are struggled over and core political relations established in a security related context The unravelling of conscription thus unavoidably pertains to a set of essential ideational issues and has significance far beyond the military sphere The contributors to this book explore the more profound issues such as the meaning of conscription in the context of the increasingly feeble relationship between the state and the nation The analysis relates the question of changes or lack of change in recruitment to broader social political and cultural issues thereby breaking new ground Attention not only focuses on what the military manpower systems do but also on what they represent As such conscription has meaning far beyond the sphere of military affairs

Global Citizen and European Republic Ben Tonra, 2006 In this book Ben Tonra applies a new and innovative way of looking at Irish foreign policy as well as offering a unique understanding of Ireland's place in Europe and the wider world

Europeanization as Discursive Practice Senka

Neuman Stanivuković, 2017-09-01 *Europeanization as Discursive Practice* adopts a poststructuralist reading of Europeanization to study the effects of EU accession in the light of political territoriality and consequent state building processes in the EU and Central and Eastern European countries CEECs and the Western Balkans from 1990 2013 Focusing on how domestic actors have framed Europe EU norms in the debates on territorial reforms and the implications of this framing on policy reforms it asks how competing articulations of the EU and its norms construct state territoriality in the given political and policy debates The book argues that the European Union acted as a discursive force and a challenge to the established structures of understanding of territoriality statehood and power With this the author proposes a new research model for the study of Europeanization that goes beyond the neo institutionalist account of the EU's policy norm transfer to member non member states This text will be of key interest to students scholars and practitioners of European integration EU foreign policy enlargement policy and regional policy and territoriality in post socialist spaces ***The National Interest in Question*** Christopher Hill, 2013-08-22 For three decades multiculturalism has been the focus of fierce debates At the same time Europeans have worried at the national level and at that of the European Union about how to relate to a world in which their influence has been steadily reducing But the two discussions on society and on foreign policy have rarely intersected The events of 11 September 2001 did shock the citizens of Western countries into an awareness that international politics could literally explode onto their home streets and generated fear and suspicion about and among minority groups But the excessive focus on terrorism and on Islam which followed hardly did justice to the deeper processes of transnationally induced change which were at work This book attempts to go beyond the emotive political debate to show how foreign policy and domestic society have been becoming more entangled with each other for some time It focuses on the more established Member States of the European Union and the varying paths which they have taken in coping with the new domestic environment fostered by increased migration ethnocultural diversity and transnational relations It investigates the contrasting approaches taken by the European states to what is loosely called multiculturalism and analyses their impact on the interplay between foreign policy and domestic society something which is now a structural feature of political life It concludes with the argument that since domestic society is now taking on some of the diversity associated with international relations governments can no longer assume a national consensus in their relations with the outside world let alone the steady homogenisation of world society ***The Geopolitics of Euro-Atlantic Integration*** Anders Wivel, Hans Mouritzen, 2004-06 This unique book looks at the impact of European integration and in particular the institutional challenges it involves from the perspective of the smaller member states ***Foreign Policy*** Steve Smith, Amelia Hadfield, Timothy Dunne, 2016 The only introduction to foreign policy to combine theories actors and cases in one volume *Iceland and European Integration* Baldur Thorhallsson, 2004-03-01 Why has Iceland not sought membership of the European Union This unique volume uses the case study of Iceland the only Nordic state to have never applied for EU

membership to explore the complex attitudes of small states to European intergration and provide a new theoretical approach for understanding such relationships The contributors explain why the Icelandic political elite has been reluctant to participate in European integration In this context they analyse the influence that Iceland s special relationship with the US and the fisheries sector have had on their dealings with the EU Also considered are new variables such as national administrative characteristics and particular features of the domestic arena of the political elite as well as the elite s perception of international relations and its political discourse concerning independence and sovereignty Iceland and European Integration will appeal to all those interested in European integration and the international relations of small states

Handbook on the European Union and Brexit John E. Fossum,Christopher Lord,2023-01-17 Brexit has irrevocably transformed British politics yet its effects are not confined to relations between the UK and the EU Venturing beyond the already vast literature on Brexit this dynamic Handbook explores the implications of the UK s withdrawal from the EU for the EU itself single countries within and beyond Europe and the international system as well as different social groups generations and territories within the UK

The Routledge Handbook of Scandinavian Politics Peter Nedergaard,Anders Wivel,2017-08-09 The Routledge Handbook of Scandinavian Politics is a comprehensive overview of Scandinavian politics provided by leading experts in the field and covering the polity the politics and the policy of Scandinavia Coherently structured with a multi level thematic approach it explains and details Scandinavian politics today through a series of cutting edge chapters It will be a key reference point both for advanced level students developing knowledge about the subject as well as researchers producing new material in the area and beyond It brings geographical scope and depth with comparative chapters contributed by experts across the region Methodologically and theoretically pluralistic the handbook is in itself a reflection of the field of political science in Scandinavia and the diversity of the issues covered in the volume The Routledge Handbook of Scandinavian Politics will be an essential reference for scholars students researchers and practitioners interested and working in the fields of Scandinavian politics European politics comparative politics and international relations

European Integration And National Identity Challenge Of Nordic States Introduction

In today's digital age, the availability of European Integration And National Identity Challenge Of Nordic States books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of European Integration And National Identity Challenge Of Nordic States books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of European Integration And National Identity Challenge Of Nordic States books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing European Integration And National Identity Challenge Of Nordic States versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, European Integration And National Identity Challenge Of Nordic States books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing European Integration And National Identity Challenge Of Nordic States books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for European Integration And National Identity Challenge Of Nordic States books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, European Integration And National Identity Challenge Of Nordic States books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of European Integration And National Identity Challenge Of Nordic States books and manuals for download and embark on your journey of knowledge?

FAQs About European Integration And National Identity Challenge Of Nordic States Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. European Integration And National Identity Challenge Of Nordic States is one of the best book in our library for free trial. We provide copy of European Integration And National Identity Challenge Of Nordic States in digital format, so the resources that you find are reliable. There are also many Ebooks of related with European Integration And National Identity Challenge Of Nordic States. Where to download European Integration And National Identity Challenge Of Nordic States online for free? Are you looking for European Integration And National Identity Challenge Of Nordic States PDF? This is definitely going to save you time and cash in something you should think about.
