European convention On Human Rights Text And Materials:

European Human Rights Law Mark W. Janis, Richard S. Kay, Anthony Wilfred Bradley, 1995 Thoroughly revised updated and expanded Covers the widening of the Strasbourg system to include the newly democratic states of Central and Eastern Europe This new edition of a popular text and materials book offers an in depth comparative study of the European Convention on Human Rights a system which has attained tremendous significance both in the domestic jurisdiction of European states particularly in the UK and is the standard by which other regional human rights instruments are judged

Texts and Materials on International Human Rights Rhona K.M. Smith, 2019-11-05 Texts and Materials on International Human Rights offers a carefully tailored overview of the subject that covers sources and theories institutions and structures and substantive rights The fourth edition is fully updated to include all key developments in the law in particular issues around reform in the UN and the topical application of human rights around the world This collection of materials offers a comprehensive overview of the institutional structures relevant to international human rights law crucial to the understanding of how law works in this challenging area Designed to guide students through the fundamental texts for this subject the author's commentary contextualises each extract to explain its relevance while highlighted further reading makes links to cutting edge academic commentary to provide next steps for student research Offering a clear text design that distinguishes between materials and author commentary and including reflective questions throughout to aid understanding this book is ideal for students seeking to engage with the key issues in the study of international human rights *Jacobs, White & Ovey: The European Convention on Human Rights* Robin C A White, Clare Ovey, 2010-03-18 The highly experienced and respected authors select the most important case law and give a highly authoritative concise account of the European Convention on Human Rights Focuses on the European Convention itself rather than its implementation in any one member state and so is essential reading for human rights students across Europe Examines each Convention right in turn with a newly revised structure to map even more closely to human rights courses As a lecturer and a practitioner the authors are perfectly placed to provide up to date coverage of Strasbourg case law and explain it in a lively straightforward manner From publisher's website *Textbook on International Human Rights* Rhona K. M. Smith, 2012 This is a broad introduction to international human rights law

The Impact of the European Convention on Human Rights on Private International Law Louwrens R. Kiestra, 2014-09-11 In this book the interaction between the rights guaranteed in the European Convention of Human Rights ECHR and private international law has been analysed by examining the case law of the European Court of Human Rights the Court and selected national courts In doing so the book focuses on the impact of the ECHR on the three main issues of private international law jurisdiction applicable law and the recognition and enforcement of foreign judgments Next to a list of cases consulted and a comprehensive bibliography the book offers brief introductions to PIL and the ECHR for readers who are less familiar with either of the topics This makes the book not only a

valuable tool for specialists and practitioners in the fields covered but at the same time a well documented basis for students and starting researchers specializing in either or both directions
