**The Lost Life of Eva Braun** Angela Lambert, 2008-04-15 Featuring 32 pages of intimate home photos this authoritative biography on Hitler's famous mistress is based on detailed new research and opens a new window on the life at the cold heart of the Nazi leadership

*Eva Braun* Heike B. Gortemaker, 2011-10-25 In this groundbreaking biography of Eva Braun German historian Heike B. Gortemaker delves into the startlingly neglected historical truth about Adolf Hitler's mistress More than just the vapid blonde of popular cliché Eva Braun was a capricious but uncompromising fiercely loyal companion to Hitler theirs was a relationship that flew in the face of the Führer's proclamations that Germany was his only bride Gortemaker paints a portrait of Hitler and Braun's life together with unnerving quotidian detail Braun chose the movies screened at their mountaintop retreat propaganda of course he dreamed of retiring with her to Linz one day after relinquishing his leadership to a younger man while weaving their personal relationship throughout the fabric of one of history's most devastating regimes Though Braun gradually gained an unrivaled power within Hitler's inner circle her identity was kept a secret during the Third Reich until the final days of the war Faithful to the end Braun committed suicide with Hitler in 1945 two days after their marriage Through exhaustive research newly discovered documentation and anecdotal accounts Gortemaker has meticulously built a surprising portrait of Hitler's bourgeois existence outside of the public eye Though Eva Braun had no role in Hitler's policies she was never as banal as she was previously painted she was privy to his thoughts ruled life within his entourage and held his trust As horrifying as it is astonishing Eva Braun will undoubtedly be referenced in all future accounts of this period

**The Vanished Life of Eva Braun** Hans Baumann, 2010-02-01 The life of Eva Braun the former mistress and later wife of Adolf Hitler the infamous leader of Germany is an enigma to most people Was she seduced by his charm or was she his willing accomplice Of modest upbringing and limited schooling she clawed herself up to the pinnacles of power and became despite her Catholic upbringing and against the strong objections of her father the mistress of the most powerful man in Europe Yet she had to stay out of the limelight her existence only known to a small group of insiders Her loyalty and love to Hitler were finally rewarded by an offer of marriage albeit too late The book expands on these and other important aspects of her life and sheds light on the inner workings of Hitler's court and his personal lifestyle including Hitler's personal comments to Eva regarding preparations for traveling to the moon and about German atomic weapons

**Eva Braun** John J. Marty, Thomas Lundmark, 2018-04-15 This is the most complete and best documented biography ever published of the woman who was Adolf Hitler's companion from 1933 until their marriage and suicide twelve years later in Berlin in April 1945 Lawyer professor and scholar Thomas Lundmark documents and discusses crucial facts he has discovered about Eva Braun which were not known to previous biographers such as Eva's father's problems with alcohol her parents divorce her refusals to help close relatives and children her personal involvement in anti-Semitic pogroms and her abuse of other people This book also reveals and relates crucial facts about her medical condition hitherto unknown to

biographers including the fact that Eva suffered from recurring bouts of depression likely triggered or worsened by her Mayer Rokitansky Syndrome MRKH a congenital under development of her vagina and uterus Brought now to light these facts force us to re assess Eva s relationship to Hitler and her unhappy position in Adolf Hitler s gilded cage *Mrs Adolf Hitler* Blaine Taylor,2013-06-19 The year 2012 marks the centenary of Eva Braun s birth This is the strange but true saga of her life richly illustrated from her own personal photograph albums as well as from other captured German archives She married German dictator Adolf Hitler but 36 hours before their joint suicides in Berlin on April 30 1945 in the last week of the Second World War in Europe This exciting pictorial biography tells the full story of a Catholic convent bred young woman not only as the secret mistress as many historians have painted her since her voluntary death at age 33 but also as Hitler s lawfully wedded wife even though she is still largely referred to today by her maiden name They met at a Munich photography shop in 1929 when she was but 17 and he was already 40 The true nature of their long relationship is fully explained in detail for the very first time she was heterosexual and he bisexual but the author concludes Eva most likely remained a virgin until the day she died Although many reports after the war claimed that he shot himself and that she took poison the official Russian autopsy of their partially burnt bodies asserted that both died by cyanide capsules despite the postwar testimony of all Hitler s closest aides lending even their deaths an air of mystery Who was she really The answers are here This fascinating gripping and tragic story of a pretty well liked middle class shop girl is of a life mainly lived in the iron shadow of history In death Eva Braun Hitler became and remains today a hundred years after her birth one of the most famous women in all of world history alongside such female luminaries as Joan of Arc Jacqueline Kennedy Onassis and Princess Diana Eva has been a figure shrouded in controversy misinformation myth and legend until now At long last the veil is lifted with over 300 photographs providing an extensive collection of imagery including a number of contemporary color shots Eva Braun had a lifelong passion for photography her close friends nicknamed her the Rolleiflex girl after a camera model and this is reflected in the array of imagery featured in this groundbreaking book **Adolf Hitler & Eva Braun** Luc Vanhixhe,2023-06-05 After a brief investigation in 1945 a British secret agent concluded that Hitler and Braun committed suicide together in the Führerbunker in Berlin shortly before the fall of the German capital and were cremated immediately afterwards although he had no concrete evidence to support this hypothesis Nevertheless this has been the official version ever since Between 1945 and 2009 however testimony and evidence began to emerge that suggested otherwise Luc Vanhixhe criminologist and retired senior level officer of the Belgian Federal Police conducted a seven year modern police investigation into the death of this notorious couple based on all the original data and traces And as unlikely as it may sound this investigation shows with absolute certainty that Adolf Hitler and Eva Braun did not die together in the Berlin Führerbunker on April 30 1945 [Eva Braun: The Woman in Hitler's Shadow](#) Zahid Ameer,2024-10-16 Eva Braun The Woman in Hitler s Shadow offers a gripping and detailed exploration of the enigmatic life of Eva Braun Adolf Hitler s long time

**Adolf Hitler and Eva Braun** Kenneth Alford, 2018-01-04 Of the many aspects of Adolf Hitler's life one that has never been really fully documented is his romantic connection with Eva Braun as well as women who came before her in Der Führer's shadowy love life Despite the thousands of books written about the mad genius none has thoroughly explored and reliably documented his connection to Eva Braun including their notorious suicides in the Führerbunker during the last days of the war in Germany This book explores this and his other relationships in detail including the shocking suicide of his half niece Geli Raubal whom Hitler doted upon and his subsequent devastation all thoroughly verified by thousands of pages of research from earlier sources and interviews Only two women have emerged from most historical accounts Hitler's niece Geli Raubal his half sister's daughter and of course Eva Braun There were considerably more It is Geli's and Eva's violent deaths though that captured the world's imagination in a gruesome way Many readers and moviegoers TV viewers are somewhat familiar with the last days in the bunker with Hitler and his intimate circle far below ground while Soviet artillery shells were reducing Berlin to rubble but that said many particulars have gone unreported Adolf and Eva mean to fill the gaps in this macabre yet exciting tale of the last hours of The Third Reich It covers in detail the suicides of Goebbels and his wife after they had horrifically poisoned their children the emotions and panicky infighting of those trapped underground the attempted breakout of a handful of Nazi leaders the last minute marriage between Hitler and Eva as well as the carefully documented details of their suicides and disposal of the bodies One key validating element for example is a narrative of the events in the bunker provided to his Soviet captors by Otto Günsche a high ranking Nazi that Hitler gave permission in writing to attempt a breakout Three others that included Martin Bormann who went with him were killed by the Soviets while Günsche somehow miraculously survived capture and the war and lived until 2003 Everything he told the Russians was later fully acknowledged and the story is fascinating including Günsche's up close and personal account of Adolf's and Eva's last hours Like a cheap parody of a Wagnerian opera finale the two newlyweds were dispatched to Valhalla and that was the end of The Third Reich What happened up to that point and afterwards makes for spellbinding reading

[The Life and Death of Adolf Hitler](#) Robert

*What Really Happened: The Death of Hitler* Robert J. Hutchinson, 2020-08-04 Think You Know Everything about the death of Hitler Think Again After World War II 50 percent of Americans polled said they didn't believe Adolf Hitler and Eva Braun had committed suicide in their bunker in 1945 as captured Nazi officials claimed Instead they believed the dictator faked his death and escaped perhaps to Argentina This wasn't a crazy opinion Joseph Stalin told Allied leaders that Soviet forces never discovered Hitler's body and that he personally believed the Nazi leader had escaped justice At least two German submarines crossed the Atlantic and landed on the coast of Argentina in July 1945 Plus there were numerous reports of top Nazi officials successfully fleeing to South America where there was a large German colony Incredible as it sounds the mystery surrounding Adolf Hitler's final days only deepened in 2009 when a U.S. forensic team announced that a piece of Hitler's skull held in Soviet archives was not actually Hitler's International interest increased further in 2014 when the FBI

released previously classified files detailing investigations surrounding Hitler's possible escape. And the following year The History Channel launched a three year reality TV series investigating if it was possible Hitler did somehow survive. So what really happened? Popular history writer Robert J Hutchinson author of *What Really Happened: The Lincoln Assassination* takes a fresh look at the evidence and discovers once and for all the truth about Hitler's last week in Berlin. Among the questions the book explores are: What did surviving Nazi eyewitnesses really say about the Führer's final days in the bunker and could they have been lying to aid Hitler's escape? If Hitler didn't escape why did the Allies not find his body? What about Hitler's proven use of body doubles? Could Hitler have used a body double in the bunker while he and Eva Braun flew to safety in a long range aircraft that took off from a runway in Berlin's Tiergarten? Why did the FBI continue to investigate reports of Hitler's survival for more than a decade after World War II reports that were only declassified in 2014? What about sensational claims in books such as *The Grey Wolf* that Hitler and Eva Braun lived in an isolated chalet in the Andes and that Hitler died in 1962? Why were forensic tests on crucial physical evidence only conducted in 2016 more than 70 years after World War II ended? And lots MORE.

*The Private Life of Adolf Hitler: the Intimate Notes and Diary of Eva Braun* by Eva Braun, Francis Aldor, 2014-12-14. It is well known that Eva Braun was the photography assistant and model to Heinrich Hoffmann who had a photography shop in Berlin. Heinrich Hoffmann produced a large number of propaganda pieces for Hitler some of which have been reprinted such as *Mit Hitler im Westen* or *With Hitler in the West* ISBN 487187883X and *Jugend um Hitler: 120 Bilddokumente aus der Umgebung des Führers* or *Youth around Hitler: 120 picture documents from the environment of the leader* ISBN 4871879100. We know that Hitler had relations with many women. Most of them did not live long. Eva Braun was merely the last one. We know she was the last one because she committed suicide with him on 30 April 1945 just one day after they had gotten married. Goebbels and Bormann signed as witnesses to the marriage. That is another question we would like to have answered: Eva Braun was a young woman with everything to live for. Why would she commit suicide with a Dirty Old Man like Hitler? She could have walked away, saved her own life and become a cult leader of the NEW Hitler Movement or something. Why show her devotion to him by killing herself?

**Hitler Is Alive!** Steven A. Westlake, 2016-01-12. Actual articles from the notorious sensationalist journal that was a forerunner to the scandal sheets and tabloids of today. Ridiculous alt history fun. Booklist. As the Allied armies closed in on Berlin the Nazi high command scrambled to escape their shattered city. On May 1, 1945 reports went out that Adolf Hitler and his mistress Eva Braun committed suicide in an underground bunker but their bodies were never found. In this landmark exposé by the legendary National Police Gazette the truth is finally told. As peace fell across Europe two U-Boats made mad dashes for Argentina remaining underwater for weeks at a time to evade detection. In their incredible journeys lies the shocking secret of how the greatest mass murderer in history escaped punishment for his crimes. In the aftermath of World War II the Police Gazette ruthlessly investigated any rumor of Hitler's survival in South America. *Hitler Is Alive* is a true epic of twentieth century
