Evangelizing the Chosen People Missions to the Jews in America 1880-2000 **Urban Impact** John L. Thompson, 2010-10-26 Half of the population of the world lives in cities of one million or more If we don't reach and disciple from these masses our future missionary and pastoral force will be diminished The book Urban Impact is a trumpet call to muster our forces but also deals with the philosophy and practical principles that make any ministry in the city successful

Brandishing a practical writing style coupled with real life experiences John Thompson helps the reader understand the problems burdens joys and powerful impact cities have on the rest of society Helping the city pastor or missionary develop an effective ministry Thompson elaborates on seven critical principles necessary for an effective urban ministry Following this discussion the book turns to two of the leading challenges of great cities The first being how to reach the disenfranchised those from minority groups people who have substance abuse problems and the homeless to name but a few The second challenge deals with one of the greatest foundational problems in our cities and in all of society the plight of the Absent Father Other chapters address urban discipleship as the most effective approach to promote life transformation planting churches in the difficult urban environment and a topic rarely discussed in urban books raising a family in the city

The Meeting of the Waters Fritz Kling, 2010-03-01 The Meeting of the Waters identifies seven trends having a major impact on the Church around the world and on every Christian at home in every country The global community of Christians is stunning in its scope and spiritual impact But what is happening to the Church as new technology marketing and generational shifts make their unavoidable mark And what difference does it make for Christians in day to day life Equal parts travelogue character study and global documentary The Meeting of the Waters interlaces stories and instruction in the tradition of Freakonomics The World Is Flat and The Tipping Point This breakthrough book is for any Christian eager to make a difference in a changing world

Church Together Daniel C. Dickard, 2022-01-13 Church Together is a Christian leadership book designed to give pastors church leaders and church members a working plan to overcome the greatest underlying threat to the church today individualism through five relationships of surrender which correlate to the five core values of the Church of We Part One examines the three rotten fruits of individualism within the Church of Me consumerism pragmatism and the extremes of legalism and liberalism and how to spot each of these problems Part Two offers a solution on what it will take for churches to make a healthy transition from the Church of Me to the Church of We Church Together for this reason gives churches a manageable plan to defy the individualistic spirit of the age as they become the Church of We in the Age of Me

Make Disciples! Terry A. Bowland, 1999 Let us make no mistake about it Evangelism is not simply learning Bible facts Evangelism is not simply understanding sociological information Evangelism is taking part in God's great work of redeeming the world through Christ It is to reach out and allow God's power and presence to extend into the lives of people through our daily lives When we increasingly become aware of God working within us the result will be joy joy in our daily tasks and joy in the lives we touch Wherever God's will is done the ultimate result for us will be joy

Foundations for Fruitful Church Planting Ken L. Davis, 2023-07-28 Church planting is one of the most challenging yet rewarding adventures you can embark on Often zealous planters and their teams launch their new church prematurely without taking time to lay a firm foundation for long term fruitful ministry Failure to do so often results in a weakened new church or even the new church closing after a few years Rather than focusing on

methodology the how to s of church planting this book gives attention to six foundational concerns wise planters will need to nail down before they ever plant

Biblical foundations Theological foundations Ecclesiological foundations Missiological foundations Spiritual foundations Practical foundations Although helpful for a wide range of planting leaders this book is particularly written for four specific groups those who feel called to plant and are making preparations their planting teammates and launch leaders those exploring church planting those who coach and train church planters

Great Commission, Great Confusion, or Great Confession? Lucas V. Woodford, 2012-04-26 There is a great debate going on in the church today It centers on one question What is the mission of the church From culturally relevant emerging congregations to strategic methods of organization and outreach many claim they have the answer They say the mission must become missional Yet the churches of North America continue to struggle Uncertainty is growing What does it really mean to be missional Competing claims abound Get the message out Get the message right Great confusion has set in particularly in the postmodern North American church The Gospel is getting lost Yet throughout the ages the creedal confession of the Holy Christian Church has carried her through uncertainty and struggle The Apostles Creed has steadied and stayed the mission of the church for centuries It centers on the Gospel of Jesus Christ and the work of the Holy Spirit the communion of saints the forgiveness of sins the resurrection of the body and the life everlasting This book celebrates the historic mission of the Holy Christian Church and it invites the North American church to do the same

Ephesiology Michael T. Cooper, 2020-02-28 Discovering God s Passion for Movements The city of Ephesus was the site of the most significant church planting movement in the early church with 40 percent of the New Testament texts relating to it What made that city the epicenter of the movement And how can we replicate sustained movements in a world that feels so different This is not another methodology or attempt to re contextualize evangelicalism Rather it is a journey from the launch of the church in Ephesus as it became a movement grounded in God s mission and led by those who multiplied generations of disciples Michael T Cooper focuses on Paul and John as missiological theologians who successfully connected Jesus s teaching with the cultural context and narrative of the people in Ephesus Their ability to relate the God of all creation to a people who sought him in vain resulted in the Way transforming the religious intellectual economic and social fabrics of the Ephesian society Ephesiology offers a comprehensive view of the redemptive movement of the Holy Spirit in this city and compels us to ask the question how can we effectively connect Christ to our culture Through this study of a movement discover how the Holy Spirit still changes lives cities and the world
