Evangelistic Letters for Believers' Use Elizabeth W. Crisci,1997-12 *Letters That Help Churches Grow* Elizabeth Whitney Crisci,1997-12 Financial Letters to Help Churches Elizabeth Whitney Crisci,1997-12 **A Spiritual Portrait of a Believer** Chet Cataldo,2010-02-19 The focus of this study is to discover the identity of the emphatic I of Rom 7 with the added purpose of attempting to draw a spiritual portrait of a mature Christian believer To accomplish this purpose the process is as follows An examination of Rom 7 within its context is conducted This examination is followed by an attempt at determining the experience of the emphatic I found within Rom 7 The next step in the process is to compare the experience of the emphatic I of Rom 7 as found within its context of Rom 1 8 with what Paul wrote elsewhere on the experience of new life in Christ for Christian believers The purpose of this comparison is to discover if Paul had a consistent portrait of spirituality and Christian maturity The final step is to compare the experience described by Paul both in Rom 7 and in the wider Pauline Corpus with the experience which John Wesley called perfection and with the Mystical experience called the spiritual marriage The study of Romans Wesley and the Mystics coupled with the wider study of the secondary literature showed that there is a remarkable consistency in the teaching and understanding that the closer a Christian believer gets to God the more this Christian believer is aware of his or her own sinfulness Paul in describing the experience of the emphatic I is describing a person who is becoming more and more aware of his or her own sinfulness The conclusion to be drawn from this study is that the identity of the empathic I is of a regenerate Christian believer one who is growing ever closer and closer to God and at the same time is in pain over the remaining effects of sin **Onward Christian Soldiers?** Clyde Wilcox,2018-04-17 They have money influence power and they turn out to vote They are groups like Focus on the Family Family Research Council and Concerned Women for America all parts of the Christian Right But are they a serious threat to religious liberty bent on creating a theocratic state or the last defenders of religion and family values in America Bringing the story of the religious right up to the Obama administration this revised fourth edition explores the history of the movement in twentieth and early twenty first century American politics The authors review the expansion of the Christian Right through George W Bush s second administration and evaluate how the religious right fared in the 2006 and 2008 elections Although figureheads of the religious right remain in the news their power in Washington may be declining and the authors consider the fate of the religious right under the Obama administration Examining how the religious right both does and does not fit into the proper role of religious groups in American politics Onward Christian Soldiers is an essential addition to the Dilemmas in American Politics series *Brotherhood in Christ* Oleksandr Geychenko,2024-05-31 Traditional evangelical theology with its emphasis on individual responsibility and the independence of faith communities has often failed to offer a robust ecclesial vision for the unity of Christ s church Engaging this reality Dr Oleksandr Geychenko seeks to provide a theological framework for understanding the ecclesiological nature of Ukrainian Baptist church associations He traces the

history and development of Baptist unions in Eastern Europe examining associational practices and organisational structure along with the theological language used to describe the role and purpose of such unions In dialogue with the covenant theology of Paul S Fiddes he demonstrates that church associations should be viewed as more than pragmatic entities Rather they are ecclesial bodies embodying covenantal unity committed to mutual care and participation in Christ s mission to the world While drawing from primary sources and ecclesial practices to provide a unique and significant contribution to local theology this study bears relevance for engaging ecumenical relations across traditions and encouraging the unity of the broader global church
