Even The Promise Of Freedom In The Words Of Abraham Lincoln:

... **Even the Promise of Freedom** Abraham Lincoln,1970 Demonstrates similarities in present day and post Civil War racial crises through quotations from Lincoln s works illustrated by modern photographs and nineteenth century prints and lithographs Latest Light on Abraham Lincoln, and War-time Memories, Including Many Heretofore Unpublished Incidents and Historical Facts Concerning His Ancestry Ervin S. Chapman,1917 Latest Light on Abraham Lincoln, and War-time Memories Ervin S. Chapman,1917 **The Language of Liberty** Joseph R. Fornieri,2008-12-16 Presents the speeches letters and other writings of Abraham Lincoln from his early career in the Illinois legislature to the Lincoln Douglas debates and his correspondence during his presidency *Lincoln's Ethics* Thomas L. Carson,2015-05-19 Unlike many important leaders and historical figures Abraham Lincoln is generally regarded as a singularly good and morally virtuous human being Lincoln s Ethics assesses Lincoln s moral character and his many morally fraught decisions regarding slavery and the rights of African Americans as well as his actions and policies as commander in chief during the Civil War Some of these decisions and policies have been the subject of considerable criticism Lincoln undoubtedly possessed many important moral virtues such as kindness and magnanimity to a very high degree Despite this there are also grounds to question the goodness of his character Many fault him as a husband father and son and many claim that he was a racist Carson explains Lincoln s virtues and assesses these criticisms **The Independent** Leonard Bacon,Joseph Parrish Thompson,Richard Salter Storrs,Joshua Leavitt,Henry Ward Beecher,Theodore Tilton,Henry Chandler Bowen,William Hayes Ward,Hamilton Holt,Fabian Franklin,Harold de Wolf Fuller,Christian Archibald Herter,1909 **Mountain Herald** ,1969 *Lincoln Herald* ,1971 *The Independent* ,1878 **The Mind and Art of Abraham Lincoln, Philosopher Statesman** David Lowenthal,2012-02-09 By analyzing many of Lincoln s most important speeches *The Mind and Art of Abraham Lincoln Philosopher Statesman* shows him to be a profound and systematic thinker who tries to get at the root of issues not all of them strictly political Lowenthal emphasizes Lincoln s manner of writing which enables him to conceal his most radical thoughts and pays special attention to the reasoning and artfulness with which he treats a wide variety of subjects The book follows Lincoln from his Perpetuation or Lyceum address in 1838 to his last speech just after Lee s surrender as he confronts the great issues of the day and lays out the fundamentals of American politics Along the way Lowenthal s careful analysis frees Lincoln of the charge of racial prejudice with which he has been saddled in recent years Finding Your Ikigai: A Journey through the Lives of Leaders vol-1 Dr J P Dash,2024-01-05 We are born to be authentic We are not a copy There is no one like nor has been nor will be ever again There is a pilgrim soul in all of us an inner searching that continues throughout our lives Every one of us has a WHY a deep seated purpose cause or belief that is the source of our passion and inspiration Discover the profound WHY that fuels passion and inspiration through the story of legends that change the destiny of humanity Their achievements struggles and perseverance can ignite a spark within us and push us to strive for greatness in

Called to Bless Robert D. Cornwall,2021-09-29 What does your spiritual DNA look like In terms of your spiritual identity where do you come from and where are you going We live in an age when many Christians have experienced several denominational and religious communities Many wonder what to do with these experiences At the same time many congregations are made up of people who come from different traditions and the question is how to bring these diverse experiences into the life of the congregation in an enriching way If we take as our starting point the call of Abraham and Sarah to take a journey to an unknown land with the promise that their descendants would be a blessing to the nations what might this look like in terms of our spiritual lives Join with the author as he draws on his spiritual journey that has taken him into several denominational traditions as well as his experiences as a pastor and historical theologian to discern values and concepts that can help congregations and individuals make sense of their diverse spiritual experiences so that together we might fulfill the Abrahamic calling reaffirmed in Christ to be a blessing to the nations
