Every Day Feelings:

Every Day, Forever Molly Mattocks, 2023-09-14 Every Day Forever is a collection of letters written from a mother to her young daughter after her passing. Written in real time, the letters chronicle Mattocks' day to day journey during her first two years of grief. With grace and poise, Mattocks boldly refuses to accept that grief is a season of getting over pain but instead insists grief is a season of getting used to it. As heartwarming as it is heartbreaking, the letters paint a picture that anyone who has experienced deep loss can find themselves in. Every Day Forever serves as a powerful reminder for us all that we can have hearts that are broken and still love. Have dreams that were shattered and still live. And we can be grateful for what we were given and still grieve for what we weren't. **Big Feelings** Liz Fosslien, Mollie West Duffy, 2022-04-26 From the duo behind the bestselling book No Hard Feelings and the wildly popular Liz and Mollie Instagram, an insightful and approachable illustrated guide to handling our most difficult emotions. We all experience unwieldy feelings. But between our emotion phobic society and the debilitating uncertainty of modern times, we usually don't know how to talk about what we're going through, much less handle it. Over the past year, Liz Fosslien and Mollie West Duffy's online community has laughed and cried about productivity, guilt, pandemic anxiety, and Zoom fatigue. Now Big Feelings addresses anyone intimidated by oversized feelings they can't predict or control, offering the tools to understand what's really going on, find comfort, and face the future with a sense of newfound agency. Weaving surprising science with personal stories and original illustrations, each chapter examines one uncomfortable feeling like envy, burnout, and anxiety and lays out strategies for turning big emotions into manageable ones. You'll learn how to end the cycle of intrusive thoughts brought on by regret and instead use this feeling as a compass for making decisions. How to identify what's behind your anger and communicate it productively without putting people on the defensive. Why we might be suffering from perfectionism even if we feel far from perfect and how to detach your self-worth from what you do. Big Feelings helps us understand that difficult emotions are not abnormal and that we can emerge from them with a deeper sense of meaning. We can't stop emotions from bubbling up, but we can learn how to make peace with them. **Each Day Your Life Begins** Lynn Grabhorn, Mina Parker, 2012-01-01 Mina Parker, tireless mom and author of 365 Excuse Me, inspired by the late Lynn Grabhorn, introduces the new Hampton Roads Collection of motivational classics.
