Economic Issues and Development Deborah Welch, 2009 Examine current efforts to solve economic problems and improve the lives of Native Americans Topics include self determination tourism energy development business development Economic Issues and Development, Revised Edition Deborah Welch, 2019-06-01 Examine current efforts to solve economic problems and improve the lives of Native Americans Topics include self determination tourism energy development business development and gaming **Contemporary Native American Political Issues** Troy Johnson, 2000-01-01 How does one make a clear distinction between issues such as tribal sovereignty indigenous rights and law and justice How do these topics differ and can they be separated from issues such as identity health and environment The answer of course lies in the interconnectedness of all aspects of Native American life culture religion and politics This format encourages the consideration of Native politics both in terms of unifying themes and contexts and with regard to local situations needs and struggles From the Introduction by Troy Johnson Troy Johnson and has assembled a volume of top scholarship from which emerges the complexity and diversity of Native American political life in the 1990 s Each topical section is introduced by the editor s own commentaries which provide background and integrated analyses of the issues at hand They are followed by informative critical case studies and essays that offer experiences and perspectives from a variety of Native American and political settings Students will gain grounded understandings of key issues as well as a variety of theoretical perspectives from which to understand contemporary American Indian political life Topics include sovereignty international indigenous rights economic development law repatriation and activism Contemporary Native American <u>Cultural Issues</u> Duane Champagne, 2000-01-01 Duane Champagne has assembled a volume of top scholarship reflecting the complexity and diversity of Native American cultural life Introductions to each topical section provide background and integrated analyses of the issues at hand The informative and critical studies that follow offer experiences and perspectives from a variety of Native settings Topics include identity gender the powwow mass media health and environmental issues This book and its companion volume Contemporary Native American Political Issues edited by Troy R Johnson are ideal teaching tools for instructors in Native American studies ethnic studies and anthropology and important resources for anyone working in or with Native communities Contemporary Voices along the Lewis & Clark Trail, The Praeger Handbook on Contemporary Issues in Native America Bruce E. Johansen, 2007-04-30 Most Americans know very little about Native America For many most of their knowledge comes from an amalgam of three sources a barely remembered required history class in elementary school Hollywood movies and debates in the news media over casinos or sports mascots This two volume set deals with these issues as well as with more important topics of concern to the future of Native Americans including their health their environment their cultural heritage their rights and their economic sustainability. This two volume set is one of few guides to Native American revival in our time It includes detailed descriptions of efforts throughout North America

regarding recovery of languages trust funds economic base legal infrastructure and agricultural systems The set also includes personal profiles of individuals who have sparked renewal from Sheila Watt Cloutier a leader among the Inuit whose people deal with toxic chemicals and global warming to Ernest Benedict and Ray Fadden who brought pride to Mohawk children long before the idea was popular Also included are descriptions of struggles over Indian mascots establishment of multicultural urban centers and ravages of uranium mining among the Navajo The set ends with a detailed development of contemporary themes in Native humor as a coping mechanism Delving occasionally into historical context this set includes valuable background information on present day controversies that are often neglected by the news media For example the current struggles to recover Native American trust funds and languages both emerged from a cradle to grave control system developed by the U S and Canadian governments These efforts are part of a much broader Native American effort to recover from pervasive poverty and reassert Native American economic independence Is gambling an answer to poverty the new buffalo as some Native Americans have called it The largest Native American casino to date has been the Pequots Foxwoods near Ledyard Connecticut In other places such as the New York Oneidas lands in Upstate New York gambling has provided an enriched upper class the means to hire police to force anti gambling traditionalists from their homes Among the Mohawks at Akwesasne people have died over the issue This two volume set brings together all of these struggles with the attention to Native American Issues Paul C. Rosier, 2003-10-30 This volume detail they have always deserved and rarely received presents six major issues that have been divisive in and out of the Native American community Readers will learn about the varied cultural political social and economic dimensions of contemporary Native America and will be prompted to consider the complexity and complications of ethnic and cultural diversity in the United States Where do you stand on the issue of sports teams named after Native Americans Are tribal claims on ancestral remains and sacred objects in museums valid The contemporary issues that Native Americans struggle with are critical concerns for all Americans This volume presents six major issues that have been divisive in and out of the Native American community Readers will learn about the varied cultural political social and economic dimensions of contemporary Native America and will be prompted to consider the complexity and complications of ethnic and cultural diversity in the United States Readers will ponder the very foundations of the United States and the rights of its original inhabitants descendants The range of issues encompasses Native Americans throughout the country from the Mashpee Wampanoags of Massachusetts to Pacific Northwest tribes This book incorporates views from a wide variety of sources including newspaper op eds Supreme Court rulings and more A resource guide complementing each chapter includes an extensive listing of suggested reading plus videos film Web sites and organizations
