Frankel, Peter R. Orszag, 2002 An examination of U S economic policy in the 1990s by leading policy makers as well as academic economists **Essays on Balance of Payments Constrained Growth** John McCombie, Tony Thirlwall, 2004-03-26 This impressive collection explores the relationship between a country's balance of payments and their rate of economic growth [Agricultural Trade Highlights](#), 1990 **World Economic Outlook, October 1990** International Monetary Fund. Research Dept., 1990-01-01 This paper highlights that after several years of rapid expansion that brought many countries to historically high levels of resource utilization the growth of the world economy is projected to slow to about 2 percent in 1990 from 3 percent in 1989 The global slowdown would reflect a moderation of growth in both industrial and developing countries and a contraction of output in Eastern Europe and in the Union of Soviet Socialist Republics In 1991 the expansion in world output is expected to pick up to 2.1 percent reflecting stronger growth in developing countries **The Next Cold War?** James M. Hanson, 1996-09-24 The Next Cold War sounds a warning the United States may be contributing to another cold war through its competitive unilateral and regional economic policies Whereas wars of the past usually resulted from political conflict Hanson warns that a new cold war may result from economic conflict This raises important questions for American policymakers Will the United States be a world leader that promotes cooperation and unity or will it seek to create competition and division Will the United States address the basic problems of population environmental deterioration and economic stagnation in concert with other nations or will it pursue narrow geopolitical and geoeconomic power strategies This fascinating work explores both sides of these questions and poses alternatives that will promote world cooperation and unity *International Economic Integration: Integration schemes* Miroslav Jovanovic, 1998 **Bibliography of Agriculture with Subject Index**, 1993-07 **1990 Trade Policy Agenda, And, 1989 Annual Report of the President of the United States on the Trade Agreements Program** United States.
