

# Economics, Ethics, and Public Policy

*Edited by*

CHARLES K. WILBER

*Ethics, argue the contributors to this book, plays an important role in economics. Economists have ethical values that help shape the way they work; economic actors have ethical values that help shape their behavior; and economic institutions and policies affect people differently, so that different ethical evaluations must supplement economic evaluations. In *Economics, Ethics, and Public Policy*, a host of distinguished philosophers and economists investigates the interaction between ethics and economics, both in economic theory and economic policy. This is a very important book for students and scholars of economics, philosophy, and public policy and for those concerned with the way these fields interrelate.*

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
