Economist Among Mandarins A Biography Of Robert Hall:

An Economist Among Mandarins Kit Jones, 1994-07-28 His appointment as Director of the Economic Section first in the Cabinet Office and then in the Treasury came at a crucial time in the development of the modern economic state when governments were just taking on responsibility for managing the general course of the economy As the senior members of the Treasury were rooted in a pre Keynesian age Hall s influence grew rapidly and was at times dominant with ministers He was involved in all aspects of economic policy

Economists and Societies Marion Fourcade, 2009-03-09 *Economists and Societies* is the first book to systematically compare the profession of economics in the United States Britain and France and to explain why economics far from being a uniform science differs in important ways among these three countries Drawing on in depth interviews with economists institutional analysis and a wealth of scholarly evidence Marion Fourcade traces the history of economics in each country from the late nineteenth century to the present demonstrating how each political cultural and institutional context gave rise to a distinct professional and disciplinary configuration She argues that because the substance of political life varied from country to country people s experience and understanding of the economy and their political and intellectual battles over it crystallized in different ways through scientific and mercantile professionalism in the United States public minded elitism in Britain and statist divisions in France Fourcade moves past old debates about the relationship between culture and institutions in the production of expert knowledge to show that scientific and practical claims over the economy in these three societies arose from different elites with different intellectual orientations institutional entanglements and social purposes Much more than a history of the economics profession *Economists and Societies* is a revealing exploration of American French and British society and culture as seen through the lens of their respective economic institutions and the distinctive character of their economic experts

Contributions to Stock-Flow Modeling D. Papadimitriou, G. Zezza, 2011-12-12 A collection of papers from leading thinkers to celebrate the work of the late Wynne Godley and his enormous contribution to the field of monetary economics Chapters include in depth discussions of the revolutionary economic modelling systems that Godley introduced as well as his prescient concerns about the global financial crash

Leadership in Whitehall Kevin Theakston, 2016-07-27 An entertaining and authoritative study of leadership in the British civil service from one of the top authors in the field Kevin Theakston draws the lessons of how change in central government can be managed and implemented from a series of biographical studies of the acknowledged leaders in the civil service in the nineteenth and twentieth centuries from Charles Trevelyan the founder of the modern civil service to modern Mandarins such as Robert Armstrong and Margaret Thatcher s personal adviser the outsider Sir Derek Rayner The case studies are linked to the wider themes of leadership and administrative culture in Whitehall illustrating the patterns of change and continuity over time This highly readable and innovative study will appeal to students of British politics and government public administration public policy political history and comparative politics as well as policymakers

civil servants and others interested in the policymaking and governing process

The Treasury and British Public Policy 1906-1959 G. C. Peden, 2000-03-02 This authoritative history of the Treasury provides a new perspective on public policy making in the twentieth century as it explores the role and functions of the Chancellor of the Exchequer and the consequent implications for the changing role of the Treasury As the central department in British government the Treasury plays a key role in decisions on public expenditure and on raising taxes and loans Professor Peden traces the development of the Treasury's responsibility for managing the national economy and looks at how it became increasingly involved in international relations from the time of the First World War In further examining the relations between ministers and their official advisers this history explores the growing influence of economists in Whitehall

[A Comparative History of Central Bank Behavior](#) John H. Wood, 2022-11-15 It is widely believed that central banks have grown the Bank of England or were established the Federal Reserve to pursue the twin objectives of monetary and price stability But why should they Central bankers are people too whose behavior is presumably determined like the rest of us by their incentives and the information available to them The author explores this question

Lionel Robbins Susan Howson, 2011-09-30 By the time of his death the English economist Lionel Robbins 1898 1984 was celebrated as a renaissance man He made major contributions to his own academic discipline and applied his skills as an economist not only to practical problems of economic policy with conspicuous success when he served as head of the economists advising the wartime coalition government of Winston Churchill in 1940 45 and of higher education the Robbins Report of 1963 but also to the administration of the visual and performing arts that he loved deeply He was devoted to the London School of Economics from his time as an undergraduate following active service as an artillery officer on the Western Front in 1917 18 through his years as Professor of Economics 1929 62 and his stint as chairman of the governors during the troubles of the late 1960s This comprehensive biography based on his personal and professional correspondence and other papers covers all these many and varied activities

A History of Central Banking in Great Britain and the United States John H. Wood, 2005-06-06 This 2005 treatment compares the central banks of Britain and the United States

British Think Tanks After the 2008 Global Financial Crisis Marcos González Hernando, 2019-06-14 This book examines the intellectual and institutional transformations of four British think tanks in the aftermath of the 2008 global financial crisis In the context of a crisis of expert authority Gonz lez Hernando demonstrates how these organisations modified their mode of public engagement to be seen as authoritative as possible by an ever more mistrustful public British Think Tanks After the 2008 Global Financial Crisis connects sociological thinking on knowledge with research on policy change and the economic debate through careful analysis of interviews public accounts and the products of think tanks themselves Gonz lez Hernando argues that demands for knowledge and advice that arose after the crisis energised the work of all four think tanks while also exposing internal tensions affecting their sources of funding transforming their institutional structure and shaping how they engage with their audiences It will appeal to

students and scholars of sociology of knowledge political sociology policy studies economic history communication political economy organisational sociology and British politics *Theories of the Mixed Economy Vol 2* David Reisman, 2024-11-01 A collection of ten classic texts of 20th century British political economy The texts deal with managed capitalism the welfare state and the middle ground and should promote readers understanding of British politics and economic ideology in the years since the Great Depression **The Management of the British Economy, 1945-2001** Nicholas Woodward, 2004 Since 1945 British governments have played an active role in managing the economy in the interests of securing high employment economic growth and low inflation with their approach evolving in response to changing economic circumstances intellectual shifts and past policy failures This book provides an overview of economic management particularly financial management and addresses how it has changed and why it has not always been successful It examines the actual policies that were introduced the problems that various governments faced in implementing them and how the approach to policymaking changed It also examines the main phases of economic policymaking and the conduct of policymaking as there is a widespread consensus that until recently short run economic management could have been more successful than it was

Full Employment: A Pledge Betrayed J. Smith, 1997-02-14 John Grieve Smith traces the origins of postwar full employment policies in the experience of the interwar years and the work of Keynes and Beveridge He reviews the successful achievement of full employment after the war and its subsequent abandonment as the Keynesian consensus gave way to the new monetarist inspired orthodoxy The book puts forward alternative proposals for expansionary policies and for international financial reform It is written throughout in terms accessible to both the layperson and the expert The British Civil Service Janice Morphet, 2025-05-28 Taking account of its evolution in recent decades this book provides an up to date account of the role of the Civil Service in the UK The book offers a much needed re examination of the function and role of the Civil Service and considers the ways in which it has changed in response to today s pressures It examines the changing relationships between ministers civil servants and special advisers spADs as well as investigating challenges to the principles of the Civil Service such as service outsourcing COVID 19 responses and Brexit Asking whether the practices of the past are effective for the future this book is a vital resource for undergraduate and postgraduate students of UK politics public administration and public sector management **Britain and European Integration Since 1945** David Gowland, Arthur Turner, Alex Wright, 2009-10-30 This book provides both a comprehensive introduction and a perceptive examination of Britain s relations with the European Community and the European Union since 1945 combining an historical account with political analysis to illustrate the changing and multifaceted nature of British and European politics Few issues in British politics since 1945 have generated such heated controversy as Britain s approach to the process of European integration associated with the European Union The long running debate on the subject has not only played a major part in the downfall of prime ministers and other leading political figures but has also exposed major fault lines within governments and caused

deep and rancorous divisions within and between the major political parties This highly contested issue has given rise to bitter campaigning in the press and between pressure groups and it has bemused confused and divided the public at large Key questions addressed include Why has Europe had such an explosive impact on British politics What impelled British policymakers to join the European Community and to undertake one of the radical if not the most radical changes in modern British history What have been the perceived advantages and disadvantages of British membership of the European Union Why has British membership of the European Union rarely attracted a national consensus Engaging with both academic and public debates about Britain and the European Union this volume is essential reading for all students of British history British politics and European politics Britain and the European Union David Gowland,2016-10-04 This engaging and concise text offers the student and the general reader a compact readable treatment of British membership of the European Union from 1973 to the present day It provides a highly distilled and accessible analysis and overview of some of the parameters and recurring features of Britain s membership of the European Union touching on all of the major facets of membership Key features examines the constant and changing character of British membership of the European Union EU discusses the problematical and often paradoxical features of membership familiarizes the reader with both academic and public debates about the subject offers thematic treatment of all aspects of policy and attitudes towards the EU provides an overview of the main landmarks in the history of the EU since 1973 presents the most comprehensive and up to date text on the course and result of the EU referendum campaign This book will be of key interest to scholars students and the generally interested reader in the areas of European Studies British Politics EU Studies Area Studies and International Relations *The Oldest Social Science?* W. T. Murphy,1997 This book looks critically at some of the underlying assumptions which shape our current understanding of the role and purpose of law and society It focuses on adjudication as a social practice and as a set of governmental techniques From this vantage point it explores how the relationship between law government and society has changed in the course of history in significant ways At the centre of the argument is the elaboration of the notion of adjudicative government From this perspective it is argued that the relationship between law and society must be conceived in a different way in the era of economics sociology and statistics The impact of these disciplines both constitutes modernity and unfolds a different role for law The author argues that the traditional vision of the role of law rooted in a complex set of hierarchical assumptions is no longer adequate **Reluctant Europeans** David Gowland,Arthur Turner,2014-09-25 During the past fifty years few issues in British politics have generated such heated controversy as Britain s approach to European integration Why has Europe had such an explosive impact on British politics What impelled British policymakers to embrace a European destiny and why did they take such a cautious approach These are some of the key issues addressed in *The Reluctant Europeans* This new study draws upon recently available source material providing a clear chronological account and covering events right up to Blair s first year in office and the launch of the Euro **Coping with Recession** Paul A.

Geroski, Paul Gregg, 1997-10-02 The text examines how companies cope with the pressures which are unleashed by recessions It is based on a large scale survey undertaken in the spring of 1993 which involved the participation of more than 600 leading UK companies The questionnaire data was combined with a long enough time series of data on the financial performance of most of the companies to enable us to trace effects left over from the recession in the early 1980s The main issues examined in the book are what makes companies vulnerable to recessionary pressures How do companies typically respond to these pressures How have recessionary pressures been transmitted back into labour markets and what kinds of institutional changes have they induced Finally do recessionary pressures stimulate innovative activity From School to Productive Work Helvia Bierhoff, S. J. Prais, 1997-04-03 This book compares the schooling and training systems in Switzerland and Britain **The Single Market Programme as a Stimulus to Change** David G. Mayes, Peter Hart, 1994-10-06 This 1994 book offers a comparison of British and German industries reaction to the opportunities and threats offered by the single European market SEM It outlines the effect that the SEM was expected to have on the two countries and contrasts this with their actual progress based on published data and a detailed study of four industries While the single European market has had an impact many measures have had a far weaker effect than expected The existence of other barriers not tackled by the SEM programme weakened measures poor implementation global business trends and the recent recession helps dominate the impact of the SEM Nevertheless the SEM stands out as one of the striking influences on British and German industries for many years Germany with its geographical advantage and stronger manufacturing seems better placed to benefit but the less regulated and often more flexible UK economy may have competitive advantages as the pressures increase
