Bulletproof Backbone Abhijit Naskar, How come we can invent better ways to kill each other but not one to preserve peace Asks Naskar **Iman Insaniyat, Mazhab Muhabbat** Abhijit Naskar, Thus speaks Naskar You can train a mind to think but you can't train a heart to love Either you love or you don't there's no training Either you love or you don't there's no thinking Nobody thinks twice before hating then why should you think twice before loving Until love becomes instinctive as hate nothing will change **Yaralardan Yangın Doğar** Abhijit Naskar, The humanitarian scientist speaks Burn my books and go lift the world Let me live in your blood not in books Until Abhijit Naskar came along poetry was primarily associated with love and romanticism He opened up new vistas of poetry by making it a mainstream vessel of expression for justice equality integration and awareness As the world's first multicultural poet and scientist Naskar stands not only as a bridge between cultures but also as a bridge between disciplines Sacred Knowledge William A. Richards, 2015-12-08 Sacred Knowledge is the first well documented sophisticated account of the effect of psychedelics on biological processes human consciousness and revelatory religious experiences Based on nearly three decades of legal research with volunteers William A Richards argues that if used responsibly and legally psychedelics have the potential to assuage suffering and constructively affect the quality of human life Richards's analysis contributes to social and political debates over the responsible integration of psychedelic substances into modern society His book serves as an invaluable resource for readers who whether spontaneously or with the facilitation of psychedelics have encountered meaningful inspiring or even disturbing states of consciousness and seek clarity about their experiences Testing the limits of language and conceptual frameworks Richards makes the most of experiential phenomena that stretch our understanding of reality advancing new frontiers in the study of belief spiritual awakening psychiatric treatment and social well being His findings enrich humanities and scientific scholarship expanding work in philosophy anthropology theology and religious studies and bringing depth to research in mental health psychotherapy and psychopharmacology Mukemmel Musalman Abhijit Naskar, Thus speaks the humanitarian scientist Not every christian is a good human But every good human is a christian Not every muslim is a good human But every good human is a muslim Not every jew is a good human But every good human is a jew Not every hindu is a good human But every good human is a hindu Not every buddhist is a good human But every good human is a buddhist Not every humanist is a good human But every good human is a humanist Goodness is universal vessels may vary Some call it water some agua some pani **The Gentalist** Abhijit Naskar, The Humanitarian Scientist speaks The world has a ridiculously short attention span It cannot stick to any one cause for more than a few days They forgot about Palestine they forgot about Afghanistan they forgot about Jallianwala Bagh and they'll soon forget about Ukraine as well The world forgets but the suffering of the people continues Don't be that world my friend be a better world a civilized and responsible world only then we'll be able to prevent another Palestine crisis another Afghanistan crisis another Ukraine crisis otherwise these events will keep recurring until everybody is six feet under *Mission Reality* Abhijit Naskar, More than machines we need

mindfulness more than likes we need kindness more than connections we need commitment more than advancement we need enlightenment A critical book that appears at the right time our digital age which challenges us to think and re think what is real and what can be made real It posits we have the ability to change our reality at the confluence of the currents of technology science spirit and nature By this great churn humanity may make its greatest advancement Read Think Explore Lewis Cardinal Canadian Activist Board Trustee Parliament of World Religions Mission Reality is a spell binding odyssey of investigation into the nature of reality by one of the most influential scientific minds of our time Abhijit Naskar In this literary composition the humanitarian neuroscientist takes us deep into the abyss of our mind to observe the construction of our own reality up close Like many of Naskar's works this book not only gives us insight into ourselves and the world we live in but also it gives us a call to rise and take charge of the societal reality which will be handed down to our children

The Education Decree Abhijit Naskar, A healthy and ideal system of education would be where a teacher would patiently impart knowledge instead of curriculum upon the students only after assessing their acceptability where a student would acquire knowledge in order to learn not to earn where the parents would be willing to make necessary sacrifices in order to adorn their child with curiosity and thereafter nourish that curiosity regardless of how absurdly impractical it becomes to the eyes of the society One of the world's seminal minds in modern science comes to the rescue of today's stressed and chaotic system of education In The Education Decree Abhijit Naskar the man who has brought Neuroscience into practice towards dismantling the citadels of religious conflicts carefully investigates the modern education system while revealing to us the passage to progress The Education Decree is a lucid guide to the real education of the mind for the teacher the students and the parents

What is Mind? Abhijit Naskar, We the humans pride ourselves to be the most intelligent species of all Our vanity is in our uniqueness Our vanity is in our unpredictability Our vanity is in our rich vivid and unique mental lives Naskar's What is Mind is a breathtaking investigative odyssey that attempts to resolve the fundamental distinction between Mind and Matter with which the philosophers have struggled for millennia He elucidates in his peerless explanatory ways how Mind and Matter are not separate after all They are intertwined in every single aspect of human life In What is Mind Abhijit Naskar bestselling author and one of the world's celebrated neuroscientists offers a fascinating account of the cellular building blocks of mind He boldly reveals Neuron is to Mind what Gene is to Life With a researcher's flair for fresh approaches to ancient questions Naskar tackles the most controversial problem in the history of philosophy how physical processes in the brain give rise to our lavishly colored mental lives enriched with ecstasies and agonies

Sleepless for Society Abhijit Naskar, Everybody is a sleepy savage except those who are drunk in love for the helpless and the destitute Life is either an instrument of love or nothing at all Planet Earth's beloved Humanitarian Scientist Abhijit Naskar delivers us a handbook of international harmony that takes us in the direction of a world without conflict and sectarianism

Heart Force One Abhijit Naskar, To the civilized revolutionary not a single human life is expendable even that of the oppressor

whereas to the mindless terrorist even the loss of innocent lives is acceptable in the pursuit of their mission Abhijit Naskar the scientist and reformer who has been at the forefront of humankind's struggle against discrimination and prejudice delivers us a masterpiece on revolution liberty and righteousness He gives us the golden principle We are but each other's keeper **Citizens of Peace** Abhijit Naskar, The biggest enemies of the state are those politicians who look to win a war instead of organizing the peace and the citizens who allow them to do so When the world of peace politics was in desperate need of light Mother Nature gave us Abhijit Naskar Now that light of peace Naskar points us in the direction of global peace health and harmony beyond the petty and primitive disputes of sovereignty **Handcrafted Humanity** Abhijit Naskar, 2021-12-08 A world without 9/11 and January 6 begins with a heart without hate Abhijit Naskar is not a name it is a force of oneness And Handcrafted Humanity is a manifestation of that force in the form of a hundred sonnets as treatment for the blunders of our world caused by self-centricity and sectarianism To the reformer in each of us Naskar says Word of the somnolent masses is noise Word of the reformer is rule divine rule **Martyr Meets World** Abhijit Naskar, Survival of the fittest is law of the jungle sacrifice for the helpless is law of the human society The Humanitarian Scientist Abhijit Naskar delivers us a masterpiece on the role and responsibility of humanitarians In his simple yet bold words Naskar states Indifference is acceptable from a vegetable not from a human being **The Film Testament** Abhijit Naskar, A movie is not a movie it is a potential nuclear furnace of inspiration courage and conscience Abhijit Naskar one of twenty-first century's most influential thinkers reveals to us the true power of filmmaking With his sharp insight of the human mind Naskar shows us the impact a film can have over the psyche of an individual as well as the conscience of the society This is not a book of film technicalities rather The Film Testament is a wake-up call to all the filmmakers of the world and an eye opener for all artists Here Naskar reveals to us in his unique philosophical manner how the filmmakers and all other artistic individuals have a great deal to contribute in shaping the civilization He calls upon these creative minds to put their heart and soul in their work and let that work take the human society forward towards a real conscientious future
