Art of Everyday Ecstasy Margot Anand, 2015-02-18 Ecstasy is about waking up and finding that you are in love with life Most people think of ecstasy in terms of sexual ecstasy which Tantric sex expert Margot Anand wrote about in her bestselling The Art of Sexual Ecstasy Now in The Art of Everyday Ecstasy Anand expands our definition of ecstasy and shows how we can harness its energy to help us live work and love more passionately joyfully and with true spiritual focus Our modern work obsessed stress filled culture what Anand calls the anti ecstatic conspiracy has dulled our spirits thrown us off balance and alienated us from meaningful everyday experiences In this inspirational journey toward finding the healing nature of ecstasy Anand explains how the two types of ecstatic experiences the moments of epiphany called Ecstatic Awakenings and Everyday Ecstasy or the Ecstasy of Flow a connection to our power and inner wisdom can help us move beyond pain and doubt to reach our highest potential Based on the spiritual path of Tantra Anand shows how to use the natural energy system of our bodies the seven chakras as a map to ecstasy As she guides us through the chakras she explains how each one plays an important role in transforming energy into erotic passion healing empowerment compassion creativity insight and gratitude Blocked chakras manifest themselves in surprising ways wholeness can be achieved only when all of the chakras are open with energy flowing freely By transforming negative behavioral patterns into positive ones and strengthening ourselves physically emotionally and spiritually we can improve our health sex life career relationships and find profound meaning in everyday moments With personal anecdotes exercises meditations and rituals The Art of Everyday Ecstasy shows us how to bring ecstatic energy into the body mind heart and spirit to embrace every moment in our totality to respond bodily feel from the heart perceive with clarity and be fully present to others and to life **The Spanish Mystics: Ecstasy and Communion**

Meditation: The Art of Ecstasy Osho, 2023-02-28 Concentration is a choice It excludes all except its object of concentration it is a narrowing If you are walking on the street you will have to narrow your consciousness in order to walk You cannot ordinarily be aware of all that is happening because if you are aware of everything that is happening you will become unfocused So concentration is a need Concentration of the mind is a need in order to live to survive and exist That is why every culture in its own way tries to narrow the mind of the child

occupied both Eastern and Western philosophical traditions such as How do we balance freedom with form How can tradition embrace change without losing its essence and What happens when seemingly opposite forces discover their shared humanity These questions unfold through characters who embody philosophical principles while remaining emotionally compelling their personal journeys reflecting the larger cultural synthesis at the heart of this work This theatrical experiment demonstrates how Dionysian ecstasy and Eastern harmony can converse in a shared theatrical language transcending time and geography in order to explore the essential balance between chaos and order freedom and form tradition and transformation It stands as both a literary text and a potential performance piece which celebrates the richness of global theatrical traditions a tale of transformation where Seven Veils dissolve revealing the unity beneath our cultural differences The extensive glossary and notes provide context for readers unfamiliar with either tradition making this work accessible to diverse audiences while honoring the depth and complexity of its source material
