Hans Christian Andersen Robert Nisbet Bain,1895 **Hans Christian Andersen** Bain,1895 **Hans Christian Andersen** Fredrik Böök,1962 **Hans Christian Andersen** Robert Nisbet Bain,1895 **The Fairy Tale of My Life** Hans Christain Anderson,2000-09-25 Danish poet and novelist Hans Christian Andersen 1805 1875 is best known for the dozens of fairy tales he wrote including The Little Mermaid The Ugly Duckling and The Snow Queen Andersen s sense of fantasy power of description and acute sensitivity are strikingly evident in his autobiography Andersen masterfully depicts the extreme poverty of his provincial childhood and the international celebrity of his later years and also provides insights into the sources of many of his most famous tales **Hans Christian Andersen** Mariena Foley,2012-12-01 From his early life through his career personal life death and legacy learn about the father of the fairy tale Hans Christian Andersen in this compiled biography **Hans Christian Andersen** Jens Andersen,2006-03-28 Andersen provides a fascinating backdrop for the life of the acclaimed fairy tale writer a budding genius placed in the context of his time Publishers Weekly Hans Christian Andersen was a storyteller for children of all ages but he was more than that He was a critical journalist with great enthusiasm for science an existential thinker an observant travel book writer a passionate novelist a deft paper cut out artist a neurotic hypochondriac and a man with intense but frustrated sexual desires This startling and immensely readable definitive biography by Danish scholar Jens Andersen is essential to a full understanding of the man whose writing has influenced the lives of readers young and old for centuries Jens Andersen sheds brilliant new light on Hans Christian Andersen s writings and on the writer whose own life had many aspects of the fairytale Like some of the memorable characters he created Andersen grew up in miserable and impoverished circumstances He later propagated myths about his life and family but this new biography uncovers much about this man that has never been revealed before An enthralling ground breaking new biography Jens Andersen has a novelist s insights which enhance his meticulous biographical skills making us appreciate among much else that ambiguity is as intrinsic to the life as to the art that came out of it The Independent *Hans Christian Andersen* Hans Christian Andersen,2002-12-01 When Andersen wrote the story of his life printed here in its original form he had reached the height of international fame He was surrounded by kind friends welcomed by kings and princes courted by poets and scholars The struggles of his youth were behind him but he had not travelled so far away from them that he had lost the warm glow of satisfaction in difficulties overcome The shadows of old age were still distant He had found the true medium of his genius in the fairy tales and he was yet in the fullness of his creative power It was natural therefore that he should look back upon his life as a lovely story happy and full of incident and that he should think it could not have been happier or better even if a kind fairy had given the poor friendless boy the power to choose this own career The sufferings of the boy and youth had sunk into the background of his consciousness and yet we need only listen to the undertones of his story to feel how poignant they had been and how they had influenced the whole
