**65+. The Best Years of Your Life** Peter Bowden, 2019-02-15 What is the key to happiness in later life Since the time of the ancient philosophers such as Plato and Aristotle the human race has questioned and written about what makes us happy But with the rise of life expectancy and rapidly ageing populations happiness in later life has become a major topic of debate Drawing on three sources the lessons of history a survey of 150 people aged over 65 and the findings of the present day positive psychologists this book analyses and considers what it means to be in happy in later life and how it can be achieved Bowden reflects on our many and differing views of life after retirement and finds lessons that can also contribute to our happiness in earlier years Importantly this book also asks and answers what role governments and our social institutions play in bringing about happiness This valuable and well informed insight into happiness in later life leaves the reader with little doubt that the post 65 years can indeed be your best

**How to Stay Bitter Through the Happiest Times of Your Life** Anita Liberty, 2006-06-13 I had a lot of bad dates But I wrote a lot of good poems So maintains Anita Liberty the caustically funny New York City performance artist who was going along happily healing her hurt by hating and humiliating her detestable ex boyfriend on stage and in print until the unthinkable happened she had a good date And one good date

deserves another And another And another And all of the sudden Anita Liberty finds herself in a predicament Getting dumped launched Anita s career Will falling in love finish it Who s more important her devoted audience or her newly devoted boyfriend And on top of everything Hollywood won t stop calling and Anita can t figure out if It wants a serious commitment or just a little bit of no strings attached fun From digging mercilessly into the minutiae of her new relationship to dramatically torching every professional bridge she crosses in L A Anita refuses to let a big load of bliss get dumped right in the middle of her career path He said that my work was amazing and hilarious and smart and that he can t wait to see me perform So I had sex with him My boyfriend asked me to change my look To something other than contemptuous BARGAIN Whatever Hollywood ends up paying me for the rights to the story of my life It s easier to go back to fantasizing about perfection than to accept that perfection is just a fantasy Boyfriend thinks I d rather be right than happy Boyfriend s right But I m not telling him that Through blog entries film scenes poems and to do lists Anita Liberty documents the perils and pitfalls of dating sex relationships artistic success and the kind of true love that sucks the creative life out of you to the point where you just end up staring at a blank computer screen and thinking gooey thoughts about your new boyfriend even though you should be writing
