Lankford, Jr.,2010 Provides a collection of personal narratives from victims of gun violence as well as those who have lost family members to gun violence Also includes perspectives on the impact of gun violence on society the political debate about gun ownership and second amendment rights Gun Culture or Gun Control? Peter Squires,2012-12-06 n 1996 the shooting and killing of 16 young children in a Dunblane primary school provoked wide reaching parliamentary reform to British gun laws Within months virtually all privately owned handguns had been outlawed Gun Culture or Gun Control presents the first substantial analysis of the social and political reactions to events in Dunblane and also examines many of the wider issues relating to gun control in the United Kingdom Rigorously comparative throughout Peter Squires provides a non partisan exploration of the differences between attitudes to firearms and their control in Britain and in the United States Amongst the topics the author considers are the social history of firearms on both sides of the atlantic the differing policy directions adopted in Britain and the USA media coverage of the gun question firearms and policing the future of the gun in society Korean Atrocity! Philip D. Chinnery,2009-10-30 As there was no clear victor at the conclusion of the Korean War no war crime trials were held But as this book reveals there is evidence of at least 1 600 atrocities and war crimes perpetrated against troops serving with the United Nations command in Korea The bulk of the victims were Americans but many British servicemen were tortured killed or simply went missing Much of the carefully researched material in this book is horrific but the stark truth is that those North Koreans and Chinese responsible went unpunished for their shameful deeds Korean Atrocity examines the three

phases of this little known but bitter conflict from the POWs perspective the first phase when the two warring factions fought themselves to a stalemate next the treatment of POWs in North Korea and China and finally the repatriation post active conflict period During the third phase it was realised that a staggering 7956 Americans and 100 British servicemen were unaccounted for Many POWs were not released until two years after the end of hostilities Bizarrely the US Government insisted on a news black out on those left behind which raises questions as to what has been done to find the missing This is a shocking sobering and thought provoking book **Hamline Journal of Public Law and Policy**, 1992 *Sports Advantage*, 1992 *From Classroom to Battlefield* Barry Gough, 2014-11-14 In August 1914 Canada found itself jolted from its splendid isolation by the onrush of a European catastrophe In Victoria British Columbia five hundred youth who had been educated at Victoria High School went to war and were forever changed by the experience *From Classroom to Battlefield* follows the experiences of this cohort through the Second Battle of Ypres when Canadians suffered terribly from the German use of poison gas the horrors of the Somme Vimy Ridge Passchendaele and Amiens and at last victory at Mons It weaves Victoria High School's idealistic hopes into the realities of the pain suffering and death in faraway fields of fire while examining legacies of the conflict at home This is a poignant book about war memory and sacrifice from one of Canada's preeminent writers of historical nonfiction **Operation Sea Ghost** Mack Maloney, 2012-01-31 In *Operation Sea Ghost* from Mack Maloney a lost weapon of untold destructive power falls into the worst possible hands Forty years ago a mysterious weapon disappeared in the jungles of Vietnam Now a notoriously ruthless band of Somali pirates has found it and is threatening to sell it to Middle Eastern terrorists The CIA desperate to retrieve the weapon and even more anxious to keep Washington out of it recruits Team Whiskey a group of former U S military men turned pirate hunters to do their dirty work From a secret pirate lair in the Indian Ocean to the most exclusive casino in Monte Carlo Snake Nolan and his resourceful men have the fight of their lives on their hands as they race against time to reclaim the deadly weapon before it falls into the wrong hands Just when they think the stakes can go no higher they realize that their quarry is headed for New York City on a suicide mission that will make the 9 11 attacks look like mere prologue to a catastrophe of unprecedented destruction At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
