## **Happy Never After:**

**Happily Never After** Kathleen O'Brien, 2010-11-15 Members of the wedding party are starting to die No one could believe that Thomas Beckham was the kind of man to leave a woman at the altar but he couldn't marry his bride to be Not after what he'd seen her do His only choice was to leave and never look back and to keep to himself everything he'd witnessed After the wedding that wasn't everyone including Kelly Ralston went on to other things Or so it had always seemed But ten years later Kelly finds herself attending the funeral of another one of the bridesmaids the third member of the wedding party to meet a tragic death Kelly can't help but wonder if the deaths are a coincidence Or are they linked If so who will be targeted next Thomas Beckham may be her only chance to find the killer Before the killer finds her **Happy Never After** Mary Kay Andrews, 2009-10-13 Callahan and her cohort of continuing characters are great company If Happy Never After were a song we'd be dancing in the streets San Jose Mercury News In the fourth installment of Andrews's acclaimed series about Callahan Garrity Atlanta's most inquisitive cleaning lady she sets out to prove the innocence of a rock idol of her childhood Callahan Garrity is a former Atlanta cop a part time sleuth and full time owner of House Mouse a cleaning service that tidies up after Atlanta's elite She and her coterie of devoted helpers can ransack a house for clues faster than it takes a fingerprint to set Callahan needs all the help she can get trying to keep Rita Fontaine a washed up 1960s teenage rock star out of jail It's nothing less than murder when Stu Hightower the vain temperamental president of a thriving Atlanta recording company is found dead in the designer den of his posh home His only companions are the slug in his heart and Rita dead drunk and looking guilty Callahan believes in Rita's innocence because after all Hightower had made more enemies than records in his career But discovering who hated him enough to kill him could send her floating down a river of lost dreams without a paddle **Happy Never After?** Dai Lewis, 2022-11-30 Harry had been a happy go lucky member of the human race until his girlfriend of two years decided she preferred the company of her own gender Since then his life had become a downward spiral of misery and self pity His best friend Paulie had been as supportive as any male can be but he too was beginning to drown in Harry's woes as were the rest of their group Together with his twin sister Sarah Paulie was determined to get Harry back on the horse and find a girl They knew that if that endeavour was to have any chance of success he would need to recover his happier self Thus began Harry's quest to trawl through some of the myriad alternative therapies in a desperate attempt to pull himself together Unfortunately for Harry Murphy's law was a reality and anything that could go wrong did usually in the most unlikely and worst possible ways The adage There's always someone worse off than you is true and in the world of alternative therapy that person is Harry Throughout this rather painful journey of self discovery his awareness of deepening feelings for Sarah slowly develops Join Harry through the trials and tribulations of his journey to enlightenment and hopefully love This is his story **Happily Never After** Chinedu Nnadi, 2025-06-27 Love doesn't always survive the bill Daniel believed in saving planning and building a secure future one step at a time But when he

proposed to Sophia love met luxury and everything changed Daniel thought he was making the ultimate gesture of love He emptied his savings maxed out his credit cards and signed loan papers he barely read all to give Sophia the dream wedding she demanded One day of glitz glamor and carefully staged perfection One day to prove he was enough But when the music stopped and the guests went home reality came knocking with interest As unpaid bills stack like dominoes and collection calls become a daily soundtrack Daniel begins to unravel Sophia once the center of his world turns distant irritable and entitled She wanted a fairy tale what she got was a husband sinking beneath debt and doubt Every conversation becomes a battle Every touch feels colder Then one night she's gone No note No goodbye Just silence and a stack of final notices on the kitchen table Now Daniel must confront the truth Did he sacrifice everything for a woman who was never in it for love Or did the pressure of perfection destroy something that was real Happily Never After is a haunting emotionally charged tale of deception financial ruin and the terrifying moment a man realizes the cost of love might just be his sanity *Happily Never After* Lynn Painter, 2024-03-12
