Harassing Peacocks:

The Good Doctor's Downfall Wint Capel, 2004-12 What really happened before during and just after the sensational Prohibition era murder of the police chief by the town's most admired physician has been saved from oblivion by this book by retired newspaper editor Wint Capel. The Good Doctor's Downfall. The author dug up the facts and has arranged them to show in great detail how brilliant Dr J W Peacock ambushed the young arrogant police chief John Taylor on a busy downtown street in Thomasville, a small North Carolina factory town. The doctor finished him off with a World War I souvenir, a German Luger. The doctor, also a city councilman, and the chief began feuding after the chief decided to crack down on those like the doctor who ignored the laws against gambling and drinking. The feud became unbelievably bitter and explosive. By the time of the attack downtown, the doctor had been convinced it's either him or me. In a trial that featured the best legal minds in North Carolina, the doctor barely escaped the electric chair. Then a year later he escaped a prison for the criminally insane. He managed to outrun them all. Only a horrible accident in California could rob him of his freedom. Through The Storm Tan Su Yin, 2006-11 An attack out at sea by hired killers swept Eric, a well-known singer, to the shores of Phuket after a heavy storm. Severely wounded, he was rescued by Viki, the daughter of a simple fisherman. Before help could reach him in time, a catastrophe killed Viki's parents together with hundreds of others. Thrown together by the cruel twist of fate, the young couple weathered a myriad of personal and emotional storms and fell in love. All the while, danger lurked close behind, growing bolder and more desperate, threatening to destroy everything in its path. Lush and lovely. A fine piece of craft. Not sappy. Quiet. Wonderful. Krag Brotby. An outstanding ending. After all the tragedies and natural calamities, love will triumph, and the world will still be beautiful. Sherill Villanueva. **PEACOCK'S STRANGE FATE CHAPTER 11** Nguyen Huong, 2025-07-22 **PEACOCK'S STRANGE FATE CHAPTER 11** Hearing Yuan Hou say this, Yan Yang did not object and knew that there was no way to change it, so she had to accept this result. Yuan Hou helped those people she could understand if they were gone, who would put pressure on the Ninth Crown Prince, so it would be much better to speak up and say a few words to make them feel grateful to her. But this was not the problem; the main problem was that she could see that Emperor Yan Yang did not really want to punish these people severely. It was only natural, putting the newly born Ninth Crown Prince on one side compared to the already famous group; it was clear why he was so biased. Seeing that Wan Yan Hong Anh did not object, everything ended like that. After everyone left, Yan Yang and Yuan Hou each ordered their subordinates to go to the Ninth Crown Prince's residence to investigate the matter. A Crown Prince's Palace without a secret could kill more than ten armies. Wu Chi had already predicted this long ago, so he had hidden himself, and the two Heavenly Lords in space for a while to avoid this stage. At the same time, at the front line of the Nine Nether Empire, there was a large-scale attack directly attacking the territory of the Grand Princess. Taking advantage of this opportunity, Xue Ye commanded a surprise attack, both assisting the Grand Princess, gaining a favor, and gaining a victory. **Ebony Peacock** Becky Park, 2016-01-13 Darius Metcalfe III
