Hare Joins The Home Guard:

Hare Joins the Home Guard Alison Uttley,1974 **The British Home Guard Pocketbook** A.F.U. Green,2018-03-22 The Home Guards are an attacking force lying in wait for and ready to destroy any enemy who dares to set foot on our shores The Home Guard has been immortalised in British culture in the TV series Dad's Army Formed by men not eligible for active service too old too young in reserved occupations vital to the war effort who were expected to resist a German invasion with any resources they had to hand the Home Guard is the embodiment of plucky British resolve against the odds The Home Guard Pocket Book evokes this spirit Written by Brig Gen Green commanding 4th battalion Sussex Home Guard and Training Adviser for the Sussex Zone this book is based on his experience and in his own words is the result of my ransacking the dusty pigeon holes of memory and the condensation of many books official instructions and writings Its tone is informal and colloquial such as March discipline Troops will always march off the parade ground at the Slope As soon as this has been done the order March at Ease should be given When marching at ease the rifle may be carried in any way a soldier fancies Nevertheless the book is full of sound advice on training organisation and discipline fire arms reconnaissance and field engineering the responsibilities of the Group Pigeon Officer the proper position to adopt for surviving a dive bomb attack and how to set a trap for an unwary advancing German cyclist Hare Joins the Home Guard ... Pictures by Margaret Tempest. (Second Impression.). Alison Uttley,Margaret Tempest,1942 *To the Last Man* Malcolm Atkin,2019-04-30 This historical study of the UK's WWII homeland defense service dispels the propaganda and pop culture myths to reveal its true wartime role In 1940 Britain formed an armed citizen militia to act as the first line of defense in case of Nazi invasion an essential if suicidal mission intended to buy time for the organization of regular forces Officially they were the Home Guard Later a British sitcom that ran for nearly a decade in the 60s and 70s dubbed them Dad's Army That show contributed to a distorted perception of the Home Guard that persists today But as Malcolm Atkin reveals in this thought provoking book the Home Guard's image was manipulated from its earliest days Sifting through official documents and contemporary histories as well as stories artwork and poetry of the era and comparing these with postwar films and histories Atkin explores how the myths of the Home Guard arose and were exploited He also shows how the strong sense of gallows humor amongst its volunteers which fits in with a long tradition of self deprecating humor in the British army was taken out of context and became the basis of the TV series To the Last Man strips back the myths analyzing how the modern perception has evolved The result is a new gritty and sometimes shocking appreciation of the role that the Home Guard was expected to play in the Second World War Dad's Army David Carroll,2009-03-30 Immortalised by Dad's Army this is the true story of the men who manned the British frontline *Gloucester's Military Legacy* Christine Jordan,2017-07-03 From the establishment of Gloucester as a Roman colonia a colony of retired military veterans the city has held a strategic position being close to the easiest crossing over the River Severn and into Wales The Romans began building the city's defences including the city walls and bastions

which were further enhanced by the great warrior Aethelflaed and which would become invaluable in the Siege of Gloucester during the Civil War in 1643 These walls would be destroyed by Charles II as a punishment for the city's role in the conflict In the twelfth century Gloucester's first motte and bailey castle were built and used by a number of kings as a garrison to prepare attacks against the Welsh and the Irish The formation of what would become known as The Glorious Glosters in 1782 led to a number of notable military campaigns including the battles of Alexandria Quatre Bras the Second Boer War including the Siege of Ladysmith both World Wars and the Korean War Christine's book will take you on an historic journey uncovering on the way the city's military legacy

Contesting home defence Penny Summerfield, Corinna Peniston-Bird, 2013-07-19 Contesting home defence is a new history of the Home Guard a novel national defence force of the Second World War composed of civilians who served as part time soldiers it questions accounts of the force and the war which have seen them as symbols of national unity It scrutinises the Home Guard's reputation and explores whether this people's army was a site of social cohesion or of dissension by assessing the competing claims made for it at the time It then examines the way it was represented during the war and has been since notably in Dad's Army and discusses the memories of men and women who served in it The book makes a significant and original contribution to debates concerning the British home front and introduces fresh ways of understanding the Second World War

Cinema and Unconventional Warfare in the Twentieth Century Paul B. Rich, 2018-08-23 Cinematic representations of unconventional warfare have received sporadic attention to date However this pattern has now begun to change with the rise of insurgency and counter insurgency in Iraq and Afghanistan and the growing importance of jihadist terrorism in the wake of 9/11 This ground breaking study provides a much needed examination of global unconventional warfare in 20th century filmmaking with case studies from the United States Britain Ireland France Italy and Israel Paul B Rich examines Hollywood's treatment of counter terrorism and counter insurgency in the United States British post colonial insurgencies in Malaya and Kenya and British special operations in the Second World War the Irish conflict before and during the Troubles French filmmaking and the reluctance to deal with the bitter war in Algeria in the 1950s Italian neorealism and its impact on films dealing with urban insurgency by Roberto Rossellini Nanni Loy and Gillo Pontecorvo and Israel and the upsurge of Palestinian terrorism Whilst only a small number of films on these conflicts have been able to rise above stereotyping insurgents and terrorists in some cases due to a pattern of screen orientalism Cinema and Unconventional Warfare in the Twentieth Century stresses the positive political gains to be derived from humanizing terrorists and terrorists movements especially in the context of modern jihadist terrorism This is essential reading for academics postgraduates and advanced undergraduates interested in 20th century military history politics and international relations and film studies

British Children's Fiction in the Second World War Owen Dudley Edwards, 2007-08-01 What children read in the Second World War had an immense effect on how they came of age as they faced the new world This time was unique for British children parental controls were often relaxed if not absent and the radio

and reading assumed greater significance for most children than they had in the more structured past or were to do in the more crowded future Owen Dudley Edwards discusses reading children's radio comics films and book related play activity in relation to value systems the child's perspective versus the adult's perspective the development of sophistication retention and loss of pre war attitudes and their post war fate British literature is placed in a wider context through a consideration of what British writing reached the USA and vice versa and also through an exploration of wartime Europe as it was shown to British children Questions of leadership authority individualism community conformity urban rural division ageism class race and gender awareness are explored In this incredibly broad ranging book covering over 100 writers Owen Dudley Edwards looks at the literary inheritance when the war broke out and asks whether children's literary diet was altered in the war temporarily or permanently Concerned with the effects of the war as a whole on what children could read during the war and what they made of it he reveals the implications of this for the world they would come to inhabit The Private Diaries of

Alison Uttley Denis Judd,2011-07-12 Popular children's author Alison Uttley Little Grey Rabbit and Sam Pig spent over 40 years writing diaries Professor Denis Judd who knew Alison and has previously written her biography reveals a different side to the writer whose husband committed suicide and whose close relationship with her son is recorded in detail But the magic of the author rings through on every page as she writes about her daily life in Berkshire the red lipped fisherwife near neighbor better known as Enid Blyton and her tempestuous relationship with her illustrators She also writes endearingly about the changing seasons reflecting much of her adult writing These beautifully written diaries have been skillfully edited by Denis Judd one of the Trustees of her Estate and a renowned biographer in his own right Wonderfully written with a truly nostalgic look at days long gone this is a must read not just for fans of Alison Uttley's work but for anyone who enjoys good writing **Gone to Ground** John Harvey,2008 Will's first thought when he saw the man's face it was like a glove that had

been pulled inside out When police detective Will Grayson and his partner Helen Walker are called upon to investigate the violent death of Stephen Bryan a gay Cambridge academic their first thoughts are off an ill judged sexual encounter of rough trade gone wrong But as their investigation widens their attention focuses on the biography Bryan was writing about the life and death of fifties film star Stella Leonard whose death from drowning when the car she was driving skidded mysteriously off a lonely Fenland road uncannily echoed the climax of her most notorious film Shattered Glass With Bryan's journalist sister egging them on and bringing herself into mortal danger as she conducts her own investigation Will and Helen gradually peel away the secrets of a family blighted by a lust for wealth and power and its own perverted sexuality

Children's Fiction 1900-1950 John Cooper,2019-07-23 First published in 1998 this volume explores how the genre of school stories had become firmly established by the turn of the twentieth century having been built on the foundations laid by writers such as Thomas Hughes and F W Farrar Stories for girls were also taking on a more exciting complexion inspired by the Katy books of Susan Coolidge The first five decades of the twentieth century saw further developments in children's

fiction In this comprehensive volume John and Jonathan Cooper examine each decade in turn with alphabetically arranged entries on popular children's writers that published works in English during that period 206 different authors are covered many from the United States and Canada Each entry provides information on the author's pseudonyms date of birth nationality titles of works place and date of publication and the publisher's name The artist responsible for a book's illustrations is also identified where possible With over 200 illustrations of cover designs and dustwrappers many of which are now rare and have never before been published this book will delight collectors dealers scholars librarians parents and all those who simply enjoy reading children's fiction
