Harem Wish:

Harem Wish Jan Carr, 1995-03-01 In this stunning debut novel Carr explores a unique love between women a love that is hauntingly linked by an unbreakable bond transcending centuries Two love stories are told in a fresh and compelling voice yet the two affairs become magical mirror images One is in ancient Arabia the other in Manhattan Wish's Curse C.M. Martens, 2021-07-01 A year Well ten months Ten months and Dee is no closer to finding her way than when she started She can't help but wonder if the possibility exists for her to separate her life from the fantastical At every turn four new obstacles rear Worse Zibanitu's plans may erase all her progress It's a double edged sword to hope the other Rishis still want to play Their curiosity might be all there is to override their leader's claim When friends turn foes and enemies abound Dee's mental health takes a plummet With Hamal still absent and ostracized from the rest apathy rears strong Maybe it's time to throw in the towel and accept her role as pawn Dee will continue to be pushed and pulled Games will change Stakes will mount An uncovered past reveals secrets none could have guessed and could just be the thing that destroys Dee for good *The Advocate*, 1994-03-22 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **Harems of the Mind** Ruth Bernard Yeazell, 2000-01-01 In a nuanced reading of Ingres's *Bain turc* and other works Yeazell concludes that for some the appeal of the harem lay in the fantasy of eluding time and death BOOK JACKET Men Under a Microscope Kelda, 2013-10 Things that are considered practical and logical when trying to obtain a general understanding of men are in fact straightforward Before I wrote my man bible I pondered the phenomenon of how men seemed to be so complex in their reactions toward women Taking a closer look and through studying episode after episode with them I've realized that they function in accordance with their primal drive which revealed them like an open book Through this revelation I've noticed many systematic patterns that seem to carry through from man to man in the ways that they think and react whenever they are in those situations that we women care about and men wish they too had a greater understanding of So if you man or woman would like to be enlightened about a man's most commonly traveled course when he's involved with a woman take a look at my guide for a greater understanding
