Harley-Davidson and Philosophy Bernard E. Rollin,2012-03-30 It s no wonder descriptions of riding often resemble the words of Asian mystics and Jedi knights The ride causes your senses to open completely You experience only the present the now Readers who prefer revving a Harley to meditating in a Zen garden know that biking is just as contemplative as chanting in the lotus position Here philosopher bikers explore this seeming dichotomy expounding on intriguing questions such as Why are the motorcycles the real stars of Easy Rider What would Marx and Foucault say about Harley riders tight leather garb What s it like to live a dual life as a philosophy professor who wrenches his own 1965 Electra Glide Would Jesus hang out in a biker bar or a coffeehouse And more importantly would He ride a Harley or a Honda These witty provocative essays give readers and riders a new appreciation of what it means to become one with the road **WALNECK'S CLASSIC**
