Musical Scores and the Eternal Present Chiara Bertoglio,2021-08-31 Music is played and heard in time yet it is also embodied in space by musical scores The observation of a musical score turns time into space and allows musicians to embrace the flow of time in a single glance This experience constitutes a symbol for the Eternal Present the simultaneous knowledge of all time outside time This book analyzes the implications of this view through a variety of interdisciplinary perspectives linking theology philosophy literature and music It also studies how this theme has been foreshadowed in the writings of Dante and J R R Tolkien demonstrating the connections between their masterpieces and the aesthetics of their times The result is a fascinating itinerary through the history of culture thought and music but also a deeply theological and spiritual experience
