African American jazz and popular music groups the fiddle remained integral to the musicking of some Black musicians in the rural South Featured in *Fiddling Is My Joy* is access to a comprehensive online eScholarship Companion that contains maps photographs audiovisual examples and other materials to expand the work of this enlightening and significant study To understand the immense history of fiddling DjeDje uses geography to weave together a common thread by profiling the lives and contributions of Black fiddlers in various parts of the rural South and Midwest including the mountains and along the Atlantic and Gulf coasts In addition to exploring the extent that musical characteristics and aesthetics identified with African and European cultures were maintained or reinterpreted in Black fiddling she also investigates how the sharing of musical ideas between Black and white fiddlers affected the development of both traditions Most importantly she considers the contradiction in representation Historical evidence suggests that the fiddle may be one of the oldest uninterrupted instrumental traditions in African American culture yet most people in the United States including African Americans do not identify it with Black music

Returning Home to Our Bodies Abigail Rose Clarke, 2024-01-09 For readers of Adrienne Maree Brown Staci K Haines and Robin Wall Kimmerer A body based healing model that interrogates what we've been wrongly taught about hierarchies of nature and the body and pushes back against the white supremacy colonialism patriarchy and capitalism embedded in modern embodiment practices Pushing back against a consumerist pleasure centric somatics industry that privileges product over process Abigail Rose Clarke reminds us that truly meaningful embodiment practice nurtures our relationships among self nature and community Combining the rigor of the scientific method with the poetry and lyricism of movement and somatic studies Clarke's somatic learning system The Embodied Life Method centers the body as a guide through today's
