Ecotours And Nature Getaways A Guide To Environmental Vacations Around The World:

Ecotours and Nature Getaways Alice M. Geffen, Carole Berglie, 1993 If you're a nature wildlife enthusiast with ecological concerns *Ecotours and Nature Getaways* is the only travel guide you'll need This comprehensive book is filled with hundreds of suggestions for a diversity of exciting and memorable group tours throughout the world offered by environmentally responsible tour operators and such organizations as the Sierra Club and Earthwatch You'll find birdwatching botany and general interest tours animal safaris whale watching trips archipelago cruises rafting and canoeing expeditions and tours suitable for children as well as research programs workshops and service trips that allow the traveler to assist in conservation projects Descriptions of the trips most of which are led by well known naturalists include the time of year available and number of days away the number of participants in a group mode of travel accommodations and cost The authors have also provided vital information on selecting a tour operator preparing for a trip health and safety factors travel in developing countries and how the ecotourist can help to protect the environment BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Green Travel Guide* Greg Neale, 2019-03-12 This book suggests ways in which we can enjoy our holidays and our travel even more by becoming green travellers It also suggests different types of green holidays and encourages some of the better examples of good environmental practice in holidaymaking around the world **Green Weddings that Don't Cost the Earth** Carol Reed-Jones, 1996 The Business of Ecotourism Carol Patterson, 2007 *The Business of Ecotourism* provides sound advice on building and sustaining your ecotourism business during good and bad economic times Balance nature and profit while maintaining integrity in the industry **Spectacular Nature** Susan G. Davis, 2023-09-01 This is the story of Sea World a theme park where the wonders of nature are performed marketed and sold With its trademark star Shamu the killer whale as well as performing dolphins pettable sting rays and reproductions of pristine natural worlds the park represents a careful coordination of shows dioramas rides and concessions built around the theme of ocean life Susan Davis analyzes the Sea World experience and the forces that produce it the theme park industry Southern California tourism the privatization of urban space and the increasing integration of advertising entertainment and education The result is an engaging exploration of the role played by images of nature and animals in contemporary commercial culture and a precise account of how Sea World and its parent corporation Anheuser Busch succeed Davis argues that Sea World builds its vision of nature around customers worries and concerns about the environment family relations and education While Davis shows the many ways that Sea World monitors its audience and manipulates animals and landscapes to manufacture pleasure she also explains the contradictions facing the enterprise in its campaign for a positive public identity Shifting popular attitudes animal rights activists and environmental laws all pose practical and public relations challenges to the theme park Davis confronts the park's vast operations with impressive insight and originality revealing Sea World as both an industrial product and a phenomenon typical of

contemporary American culture Spectacular Nature opens an intriguing field of inquiry the role of commercial entertainment in shaping public understandings of the environment and environmental problems This is the story of Sea World a theme park where the wonders of nature are performed marketed and sold With its trademark star Shamu the killer whale as well as performing dolphins pettable sting rays and reproductions of pristine natural worlds t
