Hanson Pastoral Epistles:

Studies in the Pastoral Epistles Anthony Tyrrell Hanson, 2015-03-04 The Pastoral Letters as Composite Documents

James D. Miller, 1997-08-14 The authorship of the Pastoral letters has been a matter of intense scholarly debate for almost two hundred years The letters clearly purport to be written by Paul but perceived differences in the literary style vocabulary and theology of the Pastorals when compared with that of the genuine Pauline letters suggests that this was not so The arguments have centred primarily on the question of whether Paul or a disciple of Paul a gifted pseudonymist composed these letters It is the either or nature of the debate that is brought into serious question in this book Dr Miller argues that the Pastorals reflect a compositional history that was commonplace throughout the ancient Near East He takes the reader on a wide ranging tour of biblical and extra biblical sources examining their literary histories and arguing that the Pastorals are composite documents not unlike many Jewish and early Christian works *Pauline Language and the Pastoral Epistles*

Jermo van Nes, 2017-12-11 In *Pauline Language and the Pastoral Epistles* Jermo van Nes questions the common assumption in New Testament scholarship that language variation is necessarily due to author variation By using the so called Pastoral Epistles PE as a test case Van Nes demonstrates by means of statistical linguistics that only one out of five of their major lexical and syntactic peculiarities differs significantly from other Pauline writings Most of the PE s linguistic peculiarities are shown to differ considerably in the Corpus Paulinum but modern studies in classics and linguistics suggest that factors other than author variation account equally if not better for this variation Since all of these explanatory factors are compatible with current authorship hypotheses of the PE Van Nes suggests to no longer use language as a criterion in debates about their authenticity

The Pastoral Epistles George W. Knight, 2013-10-23 This is a thorough full scale English commentary on the Greek text of 1 and 2 Timothy and Titus While author George W Knight gives careful attention to the comments of previous interpreters of the text both ancient and modern his emphasis is on exegesis of the Greek text itself and on the flow of the argument in each of these three epistles Besides providing a detailed look at the meanings and interrelationships of the Greek words as they appear in each context Knight s commentary includes an introduction that treats at length the question of authorship he argues for Pauline authorship and proposes on the basis of stylistic features that Luke might have been the amanuensis for the Pastoral Epistles the historical background of these letters and the personalities and circumstances of the recipients Knight also provides two special excursuses the first gathers together the information in the Pastorals and elsewhere in the New Testament on early church offices and leaders the other excursus examines the motivations for conduct in Titus 2 1-10 with a view to their applicability to present day situations *Pseudepigraphy and Ethical Argument in the Pastoral Epistles*

Lewis R. Donelson, 2015-09-29 By employing analyses of the literary structure of ancient pseudepigraphical letters and of the logical structure of ethical argument this study discovers in the Pastoral Epistles a consistent theological ethic that has cosmological and cultic grounding First an investigation of Greco Roman religious

pseudepigraphical letters identifies those literary patterns that determine the form of argumentation in the Pastoral Epistles Second an investigation of the structure of ethical argument produces categories for organizing and analyzing the apparently disorganized arguments in these letters Finally this study concludes that the author of the Pastoral Epistles builds a coherent theological ethic by falsifying Pauline history and by grounding his ethical warrants in church officers

Ecumenism and History Anthony R. Cross, 2007-09-01 This collection of essays revolves around the two fields in which Professor John Briggs has contributed so much history particularly Baptist and Nonconformist and the ecumenical movement and many examine the interrelationship between them With contributions from colleagues and former research students from Britain Europe and North America Ecumenism and History provides wide ranging studies in important aspects of Christian history theology and ecumenical studies

Pauline Communities as 'scholastic Communities' Claire S. Smith, 2012 Edwin Judge's description of early Christian communities as scholastic communities provides the starting point of a search for a sociological description of the Christian communities portrayed in 1 Corinthians 1 and 2 Timothy and Titus An original methodology uses a multi layered exegetical approach to study every occurrence of the vocabulary of teaching in the letters The focus is on the activity of teaching e g participants method manner purpose result etc The vocabulary represents ten semantic groupings which shed further light on the place and practice of education in the communities core teaching speaking traditioning announcing revealing worshipping commanding correcting remembering imitation and false teaching Claire S Smith supports and develops Judge's 1960 description advancing on it by showing that the communities are better described as learning communities with horizontal human human and vertical divine human dimensions

Letters to Timothy Jerome D. Quinn, William C. Wacker, 2000 The inaugural volume of the ECC series provides a fresh readable translation of 1 and 2 Timothy together with notes and commentary on this highly relevant section of Scripture The Notes section of the commentary offers detailed philological analysis of the majority of the words used in these two Pastoral Epistles The Comment section guides readers through the complex theological historical and practical issues facing the heirs of Paul in the Christian church The issues treated in 1 and 2 Timothy have a remarkably modern ring to them Addressing such contemporary topics as the qualifications for church leadership the roles of women the use of wealth heterodoxy worship and ethics these Pauline letters remain highly relevant to church life today This new volume not only offers the best of current biblical scholarship on Paul s letters to Timothy but also demonstrates the high standard of excellence marking the ECC series *A Biblical Theology of the New Testament* Roy Zuck, 1994-10-09 Explore God s truth as it unfolded

chronologically Companion volume to *A Biblical Theology of the Old Testament* *The Gospel on the Margins* Michael J. Kok, 2015 Despite virtually unanimous patristic association of the Gospel of Mark with the apostle Peter the Gospel was mostly neglected by those same writers Michael J Kok surveys the second century reception of Mark from Papias of Hierapolis to Clement of Alexandria and finds that the patristic writers were hesitant to embrace Mark because they perceived it to be too easily adapted to rival Christian factions Kok describes the story of Marks Petrine origins as a second century move to assert ownership of the Gospel on the part of the emerging Orthodox Church Women in the Earliest Churches Ben Witherington (III), 1991-05-30 This book examines the roles and functions that women assumed in the early Christian communities from AD 33 to the Council of Nicaea It surveys too the views about women held by various New Testament authors including Paul and the Evangelists The Formation of the Early Church Jostein Ådna, 2005 Essays presented are adapted papers read at the 7th Nordic New Testament Conference in Stavanger Norway June 14 18 2003

On the Writing of New Testament Commentaries Stanley E. Porter, Eckhard J. Schnabel, 2012-09-28 The essays in *On the Writing of New Testament Commentaries* survey relevant questions related to the writing of commentaries on the books of the New Testament The Question of Canon Michael J Kruger, 2020-05-21 For many years now the topic of the New Testament canon has been the main focus of my research and writing It is an exciting field of study that probes into

questions that have long fascinated both scholars and laymen alike namely when and how these 27 books came to be regarded as a new scriptural deposit But the story of the New Testament canon is bigger than just the when and the how It is also and perhaps most fundamentally about the why Why did Christians have a canon at all Does the canon exist because of some later decision or action of the second or third century church Or did it arise more naturally from within the early Christian faith itself Was the canon an extrinsic phenomenon or an intrinsic one These are the questions this book is designed to address And these are not micro questions but macro ones They address foundational and paradigmatic issues about the way we view the canon They force us to consider the larger framework through which we conduct our research whether we realized we had such a framework or not Of course we are not the first to ask such questions about why we have a canon Indeed for many scholars this question has already been settled The dominant view today as we shall see below is that the New Testament is an extrinsic phenomenon a later ecclesiastical development imposed on books originally written for another purpose This is the framework through which much of modern scholarship operates And it is the goal of this volume to ask whether it is a compelling one To be sure it is no easy task challenging the status quo in any academic field But we should not be afraid to ask tough questions Likewise the consensus position should not be afraid for them to be asked

Retiring Retirement Rodney Macready, 2022-05-03 In *Retiring Retirement* Rodney Macready doesn't believe retirement is a biblical concept especially the way it's practiced in today's Western culture with a sense of entitlement His aim is to challenge readers to think about retirement and what the Bible has to say in relation to it He encourages retirees to continue to be productive and contribute to the Kingdom and challenges us to evaluate our current concept of retirement by exploring what the Bible says about it

Smallman, What does the changing face of missions look like What challenges will appear in the years to come A number of key missionaries mission agency leaders seminary professors and pastors present insightful presentations of missions past and present seeking to revitalize the future of world evangelism

Benefaction and Patronage in Leadership Nathan Nzyoka Joshua, 2018-11-30 Since antiquity many have come to view benefaction and patronage in a negative light largely due to the increasingly immoral motives of those involved in systems that can be exploitative or corrupt Dr Nathan Joshua provides a counter to this perception and instead draws attention to the goodness of godly benefaction and patronage from an African Christian perspective Dr Joshua gives a detailed historical analysis of the Pastoral Epistles in the social context of benefaction and patronage in the first century AD while offering a comparative study on how to carefully apply the values of benefaction and patronage in light of Paul's perspective in the Pastoral Epistles in Christian life and leadership This is a valuable resource addressing the need for leadership with integrity and challenging the negative outlook surrounding benefaction and patronage today
