Hanukkah Its Origins And Ceremony:

The Origin and Function of Ceremonies in Judaism Kaufmann Kohler, 1907 **The Origins of Early Semitic Ritual** S. H. Hooke, 2007-04-01 In these lectures an attempt is made to relate the ritual practices of the Hebrews as contained in the Old Testament to the larger field of the elaborate rituals of Mesopotamian civilization and to what we know of the early ritual of Canaan The first lecture is devoted to a survey of the sources from which our knowledge of Mesopotamian ritual is derived and to a description of the general character of the most important types of Mesopotamian ritual The second lecture attempts to do the same thing for the early ritual of Canaan The last lecture attempts to set the principal ritual practices and institutions of the Hebrews as contained in the Old Testament and the Mishnah in the perspective of the Mesopotamian and Canaanite pattern described in the first two lectures to estimate their debt to these sources and to arrive at some conception of the historical development of Hebrew ritual It is becoming clear that in the earliest stages of religion myth and ritual are inseparably connected and that their study must be carried on side by side from the Preface Regal Revelry: A Look at the Holiday Traditions of Royal Families Through the Ages Jerold Potter, Explore how kings queens princes and princesses across history have celebrated holidays in opulent palaces and grand castles From extravagant feasts to intricate ceremonies this book delves into the intricate details of royal festivities Discover the fascinating customs and rituals that have been passed down through generations shaping the way monarchs commemorate special occasions Learn about the elaborate decorations sumptuous meals and exquisite entertainment that characterize royal holiday celebrations Delight in tales of yuletide joy stunning masquerades and elegant balls that bring a touch of magic to the royal courts Uncover the secrets behind the illustrious gift giving between royal families as well as the sentimental traditions that hold special significance for each monarchy Gain insight into how royal households around the world honor their heritage culture and faith during festive times of the year From Christmas to Easter Hanukkah to Diwali witness the diverse ways in which kings and queens mark these important milestones Experience the pomp and pageantry of royal holidays like never before with captivating anecdotes and captivating illustrations that bring history to life Immerse yourself in the elegance and splendor of centuries old traditions that continue to enchant and inspire to this day Regal Revelry is a captivating exploration of how the privileged few celebrate the most wonderful time of the year *Israel in the Biblical Period* J. Alberto Soggin, 2002-01-01 In this short accessible and readable book Professor Soggin gives an account of all the features of Israelite and Jewish religion in the biblical period After a radical assessment of the nature of the sources and the problems of using them historically he discusses the origin of monotheism and Israel's belief in its one God Yahweh Then follow accounts of the three most important features in Israelite religion the Jerusalem temple and its worship the covenant and sacrifices The main festivals are discussed and there are chapters on the sabbath and the new moon the sabbatical year and the year of jubilee and the calendar The book ends with an account of changes brought about after the exile and the

development of Middle Judaism and the collapse of the old Israelite system of worship after the destruction of Jerusalem in 70 CE Though firmly based on biblical and Near Eastern texts and artefacts the book wears its learning lightly there are no footnotes but a bibliography of books for further reading Its clarity and straightforward approach make it an ideal introduction to the subject for students
