Happenings And Mishappenings:

Happenings and Mishappenings Ricardo Conte-Oro, 2019-09-10 This book is not an autobiography but a collection of events and happenings that I experienced through my life Many of them happened during my childhood There are also more recent happenings They are true and are as accurate as far as I can recall Dates and ages are approximate as I didn't have a diary or any other written record to rely on I tried not to be egocentric narcissist selfish or anything similar but I was the main protagonist in this narrative I was there My siblings and other people may have similar and complementary stories but it is up to them to write their part if they so desire *Daughters of Parvati* Sarah Pinto, 2014-02-14 In her role as devoted wife the Hindu goddess Parvati is the divine embodiment of viraha the agony of separation from one's beloved a form of love that is also intense suffering These contradictory emotions reflect the overlapping dissolutions of love family and mental health explored by Sarah Pinto in this visceral ethnography *Daughters of Parvati* centers on the lives of women in different settings of psychiatric care in northern India particularly the contrasting environments of a private mental health clinic and a wing of a government hospital Through an anthropological consideration of modern medicine in a nonwestern setting Pinto challenges the dominant framework for addressing crises such as long term involuntary commitment poor treatment in homes scarcity of licensed practitioners heavy use of pharmaceuticals and the ways psychiatry may reproduce constraining social conditions Inflected by the author's own experience of separation and single motherhood during her fieldwork *Daughters of Parvati* urges us to think about the ways women bear the consequences of the vulnerabilities of love and family in their minds bodies and social worlds The Twentieth Century Magazine, 1911 **Just a Thought** Vashi Pandey, Someone asked me why you write Why and for whom what is the purpose I really looked within Does everything have to have a purpose or is it just supposed to be as a part of the whole Is it not the higher cause working through you why do people keep looking for motives or purpose Why do we have to figure it all out A dew drop adorns the blade of a grass a flower blooms A bee is fed A bee works hard to produce honey The mom serves it on the pancake for her kids her heart swells with the look on her kids face the cloud showers rain on the thirsty earth the earth gives birth to vegetation everything serves a purpose knowingly or unknowingly in nature nothing asks all entities are doing their bit The self in me which provides me with everything guides me to write and something in you wants to read it So let us do our bits and keep filling the gaps and connecting the chains Do not question Just do it As I started sharing my thoughts on social media I came across many people who just needed a word of positivity a reference to something or some event which made them feel that they are not alone or something to look forward to at the end of the day this made me realize the power of right words the power of saying things simply If you can't explain it simply you don't understand it well enough Albert Einstein **Encyclopaedia of North-East India** Col Ved Prakash, 2007 This 5 Volume Encyclopaedic Study Of India's North East Is The Result Of The Author's 11 Years Of Service Extended Over Three Tenures In The Region Followed By 6 Years Of Library Research After His Retirement

rising star in theological academia a provocative book about human and divine agency in an era of political extremism
 climate catastrophe and rising violence In the wake of two foiled assassination attempts while Donald Trump was
 campaigning for President many of his supporters claimed Trump s survival was an act of Divine intervention and a sign that
 Trump was favored by God In his victory speech Trump alluded to this But his survival prompts other questions Why did God
 spare Trump but not the retiree sitting behind him Why couldn t God have spared everyone that day And if God is truly
 omnipotent why do so many children die in gun violence every year To award winning journalist and theologian Brandon
 Ambrosino these mortal questions provide us with an opportunity to explore the great questions about Divine and human
 agency especially in relation to human tragedy and a world that seems to be slipping into chaos In this powerful and
 searching enquiry in the vein of N T Wright and C S Lewis Ambrosino argues that theologians have been poorly equipped to
 confront these questions because many hang on to an omnipotent model of God Exploring the daily tragedies that so many of
 us must contend as well as a provocative and challenging reading of Christ s death and resurrection Ambrosino provides us
 with the tools to understand and process grief but also presents a refreshing portrait of less a God of power and more of one
 of persuasion who can still provide a residue of hope in a world gone wrong
