*Happy Alchemy* Robertson Davies, 1997 The *Happy Alchemy* in this delightful book blends witty entertainment with thought provoking instruction Touching on everything from Shakespeare's Falstaff to Canada's constitutional wrangles our own version of a civil war and from *How I Write a Book* to Richard Wagner that extraordinary genius and dreadful crook this is in every way a worthy companion to *The Merry Heart* This book also draws on the polished but unpublished speeches book reviews and other articles that Robertson Davies left behind Here too the book's editors Jennifer Surridge and Brenda Davies have produced tantalizing quotes from his private diaries to help introduce each of the book's thirty three pieces of prose and verse libretto and even screenplay Most of the pieces deal with the theatre from the day long ancient Greek drama festivals with an audience of 17 000 Athenians looking on through Shakespeare's theatre and on to Davies own youthful Prologue to *The Good Natur'd Man* accepted at the Old Vic as pure Oliver Goldsmith to his beloved nineteenth century theatre and melodrama Since in his words melodrama lives in our opera houses it is a short step from there to his passion for opera and from Verdi to the surprising confessions of *My Musical Career* Many readers will be astonished by his knowledgeable enthusiasm for folk song few by his acknowledgement of his great debt to C G Jung in his work At the end of this stimulating and revealing book he returns to his love of the theatre and his admiration for the great playwrights summed up in his haunting final line and I applaud them across the centuries Across the years the distinctive absolutely unmistakable voice of Robertson Davies will continue to ring out from these pages

Blackness and Modernity Cecil Foster, 2007 Cecil Foster presents a rigorous interdisciplinary analysis of blackness by challenging existing notions of blackness and arguing for the viability of a

multicultural world In *Blackness and Modernity* Foster traces the main philosophical anthropological sociological and mythological arguments that support views of modernity as a failed quest for whiteness He outlines how these views were implemented as part of a world history and shows how Canada became the first country to officially reject this approach by adopting multiculturalism *Blackness and Modernity* presents four categories for understanding blackness and whiteness the somatic cultural status differential and the idealistic The somatic the colour of skin is merely one category and perhaps the least meaningful for while it may be the most important for some people Foster argues that multiculturalism which he views as ontological blackness is an attempt to make rational idealism the only category that matters **Asking Better**

Douglas Gibson, 2011-10-01 The legendary Canadian book editor presents this remarkable four decade romp through the back rooms of publishing Toronto Sun Scottish born Douglas Gibson was drawn to Canada by the writing of Stephen Leacock and eventually made his way across the Atlantic to find a job in book publishing where he edited a biography of none other than Leacock But over the decades his stellar career would lead him to work with many more of the country's leading literary lights This memoir shares stories of working and playing alongside writers including Robertson Davies Mavis Gallant Brian Mulroney Val Ross W O Mitchell and many more Gibson reveals the projects he brainstormed for Barry Broadfoot how he convinced future Nobel Prize winner Alice Munro to keep writing short stories his early morning phone call from a former prime minister and his recollection of yanking a manuscript right out of Alistair MacLeod's reluctant hands which ultimately

garnered the author one of the world's most prestigious prizes for fiction. Insightful and entertaining, this collection of tales goes behind the scenes and between the covers to divulge a treasure trove of literary adventures. He makes his life in publishing sound like great fun. *The Globe and Mail* Toronto Canadian Books in Print. Author and Title Index, 1975

*The Love of a Good Woman* Alice Munro, 2011-06-22 In eight stories a master of the form extends and magnifies her great themes: the vagaries of love, the passion that leads down unexpected paths, the chaos hovering just under the surface of things, and the strange, often comical desires of the human heart. Time stretches out in some of the stories; a man and a woman look back forty years to the summer they met, the summer as it turns out that the true nature of their lives was revealed. In others, time is telescoped: a young girl finds in the course of an evening that the mother she adores and whose fluttery sexuality she hopes to emulate will not sustain her; she must count on herself. Some choices are made in a will, in a decision to leave home with irrevocable and surprising consequences. At other times disaster is courted or barely skirted: when a mother has a startling dream about her baby, when a woman driving her grandchildren to visit the lakeside haunts of her youth starts a game that could have dangerous consequences. The rich layering that gives Alice Munro's work so strong a sense of life is particularly apparent in the title story, in which the death of a local optometrist brings an entire town into focus: from the preadolescent boys who find his body to the man who probably killed him to the woman who must decide what to do about what she might know. Large, moving, profound: these are stories that extend the limits of fiction. **That's Me In The Middle**

Donald Jack, 2011-10-12 Bartholomew Bandy has become an air ace. On the ground, he causes disasters wherever he goes; but in the air, he's deadly, shooting down dozens of German planes in the course of thrilling aerial combats. To the amazement of all who know him, he becomes Lieut. Col. Bandy, and thanks to his new rank, he meets all sorts of people, including his fiancée's memorable family. As a handy but disposable war hero, he encounters a number of hair-raising adventures, not to mention English plumbing and an unforgettable honeymoon night. *That's Me In The Middle* is exciting, full of military action in the trenches and in the air, and as it continues to flirt with history, very funny. From the Trade Paperback edition. **The Concise Oxford Companion to Canadian Literature** William Toye, 2001 The concise version of the critically acclaimed second edition of *The Oxford Companion to Canadian Literature* offers all the authority of the original in a smaller, more affordable format. Entries have been updated, and over sixty new entries have been added, making it an indispensable resource.
