Small Talk Amy Julia Becker,2014-10-28 Almost every day one of Amy Julia s children says something or asks something that prompts her to think more carefully Why Mommy crying Marilee when the family learned a young boy had died of cancer Booful Mommy Beautiful Mommy as Penny proclaimed just as Amy Julia was looking in the mirror and critiquing her post pregnancy body in her head What lasting mean William when he heard a song in church about God being an everlasting God These conversations deepen her relationships with her children but they also deepen and refine her own understanding of what she believes why she believes it and what she hopes to pass along to the next generation Small Talk is a narrative based upon these conversations It is not a parenting guide It does not offer prescriptive lessons about how to talk with children Rather it tells stories based upon the questions and statements Amy Julia s children have made about the things that make life good such as love kindness beauty laughter and friendship the things that make life hard such as death failure and tragedy and what we believe such as prayer God and miracles Amy Julia explores three parts body mind spirit as she

moves in rough chronological order through the basic questions her kids asked when they were very young to the intellectual and then spiritual questions of later childhood It invites other parents into these same conversations with their children with God and with themselves Moving from humorous exchanges to profound questions to heart wrenching moments Amy Julia encourages parents to ask themselves and to talk with their children about what matters most *Be Happy Attitudes for*

Sutton,1999-10-25 I was raised in a Christian home I loved hearing stories about Jesus and his life here on earth Growing up I became less and less enthusiastic about my religion for several reasons One critical reason was a natural process As I matured I became more aware of the hypocrisy of religion You know Do as I say not as I do One day a week act like a Christian and the other six days be selfish greedy and a bigot At that time my faith wasn t strong enough to endure Now I

know that if I look hard enough I can find hypocrisy in anything I pray that I've grown beyond the paradox My book is an attempt to make the first four books of the New Testament easy to read It's written in prose In other words it's a narrative of Jesus' life using the first four Gospels My book combines Matthew Mark Luke and John into a chronological narrative of Jesus' life It is written through the eyes of you as Peter The book is Scriptural It doesn't change alter or sensationalize the original versions of events In some instances I combine multiple versions of the same event into one My inspiration for writing this book is to bring enthusiasm about Jesus to Christians and new revelations to non-Christians Scriptures quoted from The Holy Bible New Century Version copyright 1987 1988 1991 by Word Publishing Nashville TN Used by permission
