Strangers on the Shore Albert B. Randall, 2006 While the world's major religions differ in their beliefs they share common spiritual values Although Christians and Muslims disagree about the divinity of Jesus the New Testament and the Qur'an affirm a common set of spiritual virtues that are also found in Hinduism and Buddhism For Christians the fundamental spiritual virtues are most memorably stated in the Beatitudes that begin the Sermon on the Mount Strangers on the Shore explores the virtues in the Beatitudes as they are expressed in the New Testament the Muslim Qur'an the Hindu Bhagavad Gita and the writings and traditions of Buddhism The Beatitudes for Progressive Christians Donald Schmidt, 2020-07-27 Let's admit it We live in a complicated world where things are a bit crazy and not in a good way A global pandemic wars racial strife wealth disparity death and destruction we are all affected by these things one way or another even if only through the media And we all suffer because of them sometimes directly and physically usually emotionally and often spiritually though we may not always recognize it Some of us suffer more than others of course particularly those of us who are or have been touched directly by tragedy or trauma It's enough sometimes to make you question your faith It's enough sometimes to make you wonder if you're cursed Not so says Jesus Not only are we not cursed it is in these painful extremes we are the most blessed With genuine pastoral sensitivity Schmidt says The Beatitudes tell us that we can find and experience God's presence in difficult times We can know our lives are expressions of divine love when we seek to bring about peace and justice in our world We can find comfort when we are grieving and hurting And all those times when people put us down for our adherence to living the gospel we can feel assured that despite ridicule we are on the right path **The Good Life** Derwin Gray, 2020-06-02 What is true happiness and how can we find it Everyone wants to be happy We spend our money time and energy chasing after the good life and we run ourselves into physical mental and emotional exhaustion on the way But what if the happiness we're all striving for isn't the happiness we were created for Pastor and author Dr Derwin L Gray believes there is a path to true happiness It is a life lived with Jesus by embracing the Beatitudes found in Matthew 5:1-12 As you walk through these words Jesus invites you into a new life giving rhythm that cultivates a flourishing happy transformative life Discover the good life you were meant for The Catholic Comparative New Testament Oxford University Press, 2005 The Catholic Comparative New Testament features eight complete Catholic New Testaments translated by dedicated scholars and gathered into a single convenient volume This edition includes both word for word translations of the scripture as well as thought for thought translations Readers can compare verses at a glance with facing page translations four translations per page in a clear easy to read typeface The CCNT features four word for word translations Douay Rheims Revised Standard Version Catholic Bible New Revised Standard Version Catholic Bible and the New American Bible These translations follow as closely as possible the New Testament's original wording making them perfect for close readings of the text The Jerusalem Bible the Good News Bible the New Jerusalem Bible and the Christian

Servais Pinckaers, 2005 Servais Pinckaers O P is one of the preeminent Catholic moral theologians of his generation His highly acclaimed works among them *The Sources of Christian Ethics* offer a thoroughly Thomistic and contemporary vision of the Christian moral life They reflect the philosophical and spiritual prowess of a moral theologian who is estranged neither from philosophical ethics nor from dogmatic theology neither from Scripture nor from spirituality The first collection of its kind available in any language this volume features the twenty most significant essays written by Pinckaers since his highly praised *Sources* The essays offer profound reflections that are only possible by a contemporary moral theologian who knows the thought of Aquinas from lifelong study Rather than taking a simply historical approach to Aquinas Pinckaers seeks the basis of the intelligibility of the moral life providing rich spiritual and theological insights along the way He plumbs the depths of fundamental moral theology in these essays where he treats Thomistic method and the renewal of moral theology beatitude and Christian anthropology moral agency and passions and virtues as well as law and grace Such a detailed treatment of key issues in fundamental moral theology and Christian philosophical anthropology will certainly demand attention from every theologian and advanced student interested in Aquinas and in a virtue approach to Christian ethics Pinckaers's work has been an important source for the revival of interest in virtue oriented moral theology in recent years and will continue to be a major source for debates over the place of Scripture and the Holy Spirit in moral theology John Berkman is Associate Professor of Moral Theology and Area Director of Moral Theology Ethics at The Catholic University of America Craig Steven Titus is Research Fellow and Lecturer in the Department of Ethics and Moral Theology at the University of Fribourg and Visiting Professor at the Institute for the Psychological Sciences The essays are translated by Sr Mary Thomas Noble O P Craig Steven Titus Michael Sherwin O P and Hugh Connolly PRAISE FOR THE BOOK These essays speak of the sound and substantial contribution the thought of Servais Pinckaers has made to the renewal of moral theology called for by Vatican II In the microcosm of this Reader he shows how the New Law of the Gospel is the necessary rediscovery at once traditional and of the future that gives fresh heart and insight to Christian morality As Father Pinckaers looks at Thomistic method at beatitude and Christian anthropology moral agency passions and virtue law and grace he integrates morality and spirituality in a way that will guide the teacher of moral theology and suggest new paths for the speculative theologian Francis Cardinal George O M I Archbishop of Chicago The work of Servais Pinckaers is essential for the renewal of moral theology Pinckaers quite simply avoids the unhappy alternatives represented by recent debates in Catholic moral theology by a profound recovery of Aquinas understanding of beatitude and the virtues Pinckaers work moreover is as important for Protestant theological ethics as it is for Catholic moral theology This collection of essays wonderfully represents the heart of his work in a manner that provides us with a constructive alternative for the future We are in debt to John Berkman and Craig Steven Titus for making Pinckaers work available Stanley Hauerwas Duke University Virtue ethics the interloper in the morass of modern moral philosophy and acceptable even now only to a minority among
